When the Bowels refuse to do their part in relieving the system of the decaying elements in the body you must assist nature.

Nothing has yet been discovered that is more valuable for this purpose than

The wise man changes his mind, but he doesn't necessarily have to tell everybody all about it.

Let business; and then, let recreation be recreation.

During Spring house cleaning the bargain lady finds a lot of forgotten stuff in her bureau drawers and wishes she had her money back.

In Lent fish isn't religious diet if it is the kind that is stuck full of little bones.

A good deal of moral courage is really sheer obstinacy and downright contrariness.

An Ancient Belief. The ancients believed that rheumatism was the work of a demon within a man. Any one who has had an attack of sciatic or inflammatory rheumatism will agree that the infliction is demonic enough to warrant the belief. It has never been claimed that Chamberlain's Pain Balm would cast out demons, but it cures rheumatism, and hundreds bear testimony to the truth of this statement. One application relieves the pain, and this quick relief which it affords, is alone worth many times its cost. For sale by R. C. Hardwick.

What a terrible thing it would have been if Eve had never had any babies.

The best cure for remorse is never to look back.

"The blood is the life." Science has never gone beyond that simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgment are affected, and many an evil deed or impure thought may be directly traced to the impurity of the blood. No one can be well balanced in mind and body whose blood is impure. No one can have a wholesome and pure life unless the blood is pure. Four blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. When the blood is pure, body and brain are alike healthy and life becomes a daily happiness. Free.—Dr. Pierce's Common Sense Medical Adviser, 1008 pages, 700 illustrations, is sent free on receipt of stamps to defray expense of mailing only. Send 21 one-cent stamps for paper covers, or 31 stamps for cloth, to Dr. R. V. Pierce, 663 Main Street, Buffalo, N. Y.
