

Bald Spots
Without help, a bald spot never grows smaller. It keeps spreading, until at last your friends say, "How bald he is getting." Not easy to cure an old baldness, but easy to stop the first thinning, easy to check the first falling out. Used in time, baldness is made impossible with—

AYER'S HAIR VIGOR

It stops falling, promotes growth, and takes out all dandruff. It always restores color to faded or gray hair, all the deep rich color of early life. You may depend upon it every time. It brings health to the hair.

\$1.00 a bottle. All druggists.

"I have used your Hair Vigor and am greatly pleased with it. I have only used one bottle of it, and yet my hair has stopped falling out and has started to grow again nicely." JULIUS WYER, Canova, S. Dak. March 28, 1899.

If you do not obtain all the benefits you expect from the use of the Vigor, write the Doctor about it.

Ware Case Not Heard in Court.

Testimony Will Be Given First in The Privacy Of The Grand Jury Room.

The Piner-Ware shooting case was called before City-Judge Campbell at ten o'clock and the large circuit court room was again packed with people from all over the county. All of the numerous attorneys, except Hon. J. K. Hendricks, were on hand and it was the general belief that Ware would insist upon a full hearing of the case. Mr. Ware came in with his attorneys, looking calm and confident, but Dr. Piner did not appear.

There were no ladies present. Those who expected the great sensation to be aired in court were doomed to disappointment. As soon as the case was called, Judge Jas. B. Garnett, attorney for Ware, arose and said that his client had decided to waive examination and asked that he be placed under bond to await the action of the September Grand Jury.

The crowd at once began to disperse, as it was, intensely hot in the crowded court room, and Judge Campbell at once fixed the bond at the same figure as heretofore, one thousand dollars. This was given and the sensation is for the present postponed until late in September.

An attempt was made this week to hold a church trial, but it failed because of Mr. Ware's refusal to appear until after his examining trial. Another attempt may be made, but it is more probable that the investigation will go over until conference meets in September.

In giving bond Mr. Ware was merely put under his own recognition to answer to any indictment that might be found.

A SURE GO.

Trip to Old Point Officially Announced—Date Named.

Some weeks ago the KENTUCKIAN announced that the annual Seashore special would likely be run again this year.

It has been definitely decided to make this trip and the announcement is officially made that the excursion will run. The date will be Aug. 14 and the rate will be the same as that of previous years.

Tickets will be limited to twelve days from date of sale, thus giving about two weeks in which to make the trip.

These trips, which have been given for the past ten or fifteen years, abound in pleasant features, as the thousands who have taken advantage of them will testify to, and there is no reason why one should not go to Old-Point if he or she expects to take a summer outing at all this season. No railroad can boast of so many lovely mountain resorts and such a variety of health giving waters, to say nothing of the invigorating surf bathing, all of which can be enjoyed for a very small outlay by taking this most pleasant of all trips to the seashore by way of the Chesapeake & Ohio railroad. It is a fact that the trip surpasses any offered the traveling public at such small cost, and as an evidence of the popularity of these excursions many who have taken the trip before have already signified their intention of going again. All necessary information will be given a little later along, so get ready for this outing, as it will be your best chance to get away for the summer.

ALL KILLED.

Wholesale Massacre of Foreigners in Pekin.

Aggressive Movements of the Murderous Chinese and War Is On In Earnest.

London, July 4.—12:45 p. m.—A dispatch from Taku, dated Saturday, June 30, and Chefoo, Tuesday, July 3, says the British and Russian Admirals, at a council of war held on June 30, decided that it was impossible to attempt to relieve Pekin without greatly increased forces.

They also concluded that it would be possible to hold Tien Tsin, but, in the event of this not proving feasible, they will endeavor to retain possession of Taku.

One hundred and forty thousand imperial troops are stationed between Pekin and Tien Tsin, while he total of the allied forces which can be concentrated at the present barely numbers 20,000.

It is reported that Gen. Nieh-Si-Chang is advancing for an attack on Tien Tsin with 90,000 troops.

Another report has been received at Taku to the effect that the German guards rescued the body of Baron von Ketteler, the late German Minister to China, after he was murdered by the Chinese.

London, July 5.—"Not a single foreigner is now alive in Pekin," is the latest Chinese report which has reached Shanghai.

Earlier reports from the same sources describe the condition of the British Legation as something awful.

It is said that the rooms of the Legation were filled with sick and wounded, the killed lying unburied in heaps.

It is believed that many members and officials of the Tsung Li Yamen perished when the German guard, maddened by the murder of Baron Von Ketteler, the German Minister, set fire to the building.

That the foreigners at the Chinese capital have been abandoned to their horrible fate seems no longer open to doubt in the light of the message received by the Associated Press from Taku this morning announcing the decision of the Admirals regarding the hopelessness of further attempts to relieve Pekin.

VICTIM OF CANCER.

Survived Death of Sister Only a Few Weeks.

Mr. Fred E. Blumensteil died at an early hour Tuesday morning at the home of his father, Mr. Henry Blumensteil, in this city, aged 38 years. Mr. Blumensteil was a former resident of this city and for several years was a member of the Blumensteil Carriage Company. About a year ago he moved to Nashville, Tenn., where he had since been engaged in business.

He had not been in good health for some time and a few months ago cancer of the stomach developed. He was brought to this city two weeks ago, but grew rapidly worse until death relieved him of his suffering.

He was a man liked by every one and a member of the Catholic church.

His death is a peculiarly sad one to his parents, who only a few weeks ago lost a daughter, Miss May Blumensteil.

Funeral services were held Wednesday morning by Rev. Father Hill, of Russellville, and the interment followed in Hopewell.

FORMER RESIDENT

Of This City Died in Paducah Monday Night.

Mr. G. W. Baldwin, a former resident of this city and well known contractor and builder, died at his home in Paducah Monday night, after a long illness, of Bright's disease.

Mr. Baldwin moved from here to Paducah about fifteen years ago and since that time had spent much of his time in the South, but had lived in Paducah for the past several years. He was a Mason, Knight Templar and a member of the Knights of Honor.

He was 68 years old and leaves a wife and five children.

FOR WOMAN'S HEALTH

Honest Letters from Women Relieved of Pain by Mrs. Pinkham.

"DEAR MRS. PINKHAM:—Before I commenced to take your medicine I was in a terrible state, wishing myself dead a good many times. Every part of my body seemed to pain in some way. At time of menstruation my suffering was something terrible. I thought there was no cure for me, but after taking several bottles of Lydia E. Pinkham's Vegetable Compound all my bad feelings were gone. I am now well and enjoying good health. I shall always praise your medicine."—Mrs. AMOS FESCHLER, Box 236, Romeo, Mich.

Female Troubles Overcome

"DEAR MRS. PINKHAM:—I had female trouble, painful menses, and kidney complaint, also stomach trouble. About a year ago I happened to pick up a paper that contained an advertisement of Lydia E. Pinkham's Vegetable Compound, and when I read how it had helped others, I thought it might help me, and decided to give it a trial. I did so, and as a result am now feeling perfectly well. I wish to thank you for the benefit your medicine has been to me."—Mrs. CLARA STEEBER, Diller, Neb.

No More Pain

"DEAR MRS. PINKHAM:—Your Vegetable Compound has been of much benefit to me. When my menses first appeared they were very irregular. They occurred too often and did not leave for a week or more. I always suffered at these times with terrible pains in my back and abdomen. Would be in bed for several days and would not be exactly rational at times. I took Lydia E. Pinkham's Vegetable Compound, and menses became regular and pains left me entirely."—Mrs. E. F. CUSTER, Bruis, Wis.
