About five years ago I was troubled with catarrh of the lower bowel," says C. T. Chisholm, 484 Dearborn Ave., Chicago, and although I consulted several eminent physicians who prescribed for me. I found their remedies failed to in any way relieve me, and the almost became chronic. After suffering several months, one day concluded to try Chamberlain's Colic, Cholera and Diarrhoea Remedy and I beg to assure you that I was most agreeably surprised to find after taking two doses of the remedy that I was completely relieved of the disease that had cost me so much trouble and annoyance. I am thankful to say that I have not suffered from it since. For sale by R. C. Hardwick.

MISS LENORRA JACKSON

At the Opera House Thursday Night.

The Concert at the Opera House Thursday night by Miss Lenorra Jackson and her support, given under the auspices of the Treble Clef club, will be a rare musical treat that is seldom afforded the people of smaller cities.

Miss Jackson's career has been a phenomenal one. She has played before Queen Victoria, the Empress of Germany, the King of Sweden and Norway, and other crowned heads of Europe. She won the Mendelssohn State prize at Berlin of \$375. Has played in concerts with Paderewski and toured with Patti. She gave 60 concerts in America last Spring, playing at Louisville during the Music Festival last spring.

Speaking of this engagement the Dispatch said:

"It is safe to say that no strange artist ever aroused so much interest here or was accorded such a hearty welcome."

Josephine Elburna, the brilliant coloratura soprano, is making her first American tour with Miss Jackson. She has been termed by leading cities "a second Melba." Seldon Pratt is a pianist of rare quality. He carries the audience by storm.

The ladies of the Club deserve the thanks of the community for bringing these cultured artists to the city.
