Season to be Opened on Local Grounds.

Series of Three Games With Tennessee Town Club--Fun in Store.

The first ball game of the season to be played here by the Kitty League will be pulled off at Athletic Park this afternoon, when Hopkinsville and Clarksville will cross bats. These clubs will play a series of three games here--Tuesday, Wednesday and Thursday. The games will not be called until 3:45 p. m. each day and an effort will be made to have the stores close for tomorrow's game. The park is in fine condition, the grand stand has been repaired and everything is in readiness for the opening of the season in Hopkinsville.

Hopkinsville defeated the Paducah club at Paducah Saturday, the score being 3 to 1; Vincennes shut out Henderson at Vincennes, by the score of 3 to 0; and Cairo won from Clarksville at Cairo, the score being 5 to 1. Hopkinsville lost the first and second games at Cairo. The third of the series, scheduled for Friday, was not played on account of the rain. Clarksville won from Paducah on Friday, the score being 9 to 4. Henderson, on the same day, defeated Vincennes at Henderson. The game was very close, the score standing 2 to 1.

The second day's game at Paducah resulted in a victory for the Paducah club. They defeated Clarksville. The score was 10 to 4. At Henderson that day the Henderson club won from Vincennes, after a spirited contest, by the score of 4 to 2.

### CAPT. W. J. STONE.

No Serious Apprehension Regarding His Condition.

The condition of Capt. W. J. Stone, mention of whose painful accident was made in the last issue of The Times, is not considered critical by his physician and members of the family. His condition Tuesday was such that caused some alarm and a summons was sent to relatives in Louisville, who arrived here later and are now in attendance at his bedside. A telephone message from his home this morning states that he rested nicely last night and seems to be a little better. No fears are entertained now as to his recovery, unless something unforeseen happens.--Lyon County Times of Friday, May 13.

Mr. and Mrs. G. H. Stowe have returned from Texas, where the latter spent several months for the benefit of her health. Mrs. Stowe is somewhat improved but is still quite weak.

### HIT BY TORPEDO.

Big Armored Japanese Cruiser Crippled Off Dalny.

Russian Attack Carefully Planned and Was Carried Out Same Night.

Laio Yang, May 15.--The Russian fleet scored its first distinct naval success of the war on May 10 by torpedoing and crippling, though not sinking, an armored Japanese cruiser in Talienwan Bay. The attacking force was not a regular torpedo boat, but was only a small naphtha launch in command of a young naval officer, who had with him three jackies. The launch mounted a small machine gun and carried three torpedoes.

When darkness fell the launch crept out of Port Arthur, hugging the shore with no lights aboard and no glow from the engines to betray her presence.

It was late when she gained the outer line of the Japanese squadron. Slipping through the torpedo boat pickets and selecting the nearest warship, a big armored cruiser, she stole towards her and succeeded in exploding against her side a single torpedo.

A deafening roar followed the explosion, which echoed far ashore. Immediately flames enveloped the cruiser, which evidently was badly crippled. The crew of the cruiser was seen to be fighting fire, which they at last succeeded in extinguishing. A sister ship, took the damaged vessel in tow and disappeared to the southeast.

The launch escaped the hot fire directed against her by the Japanese ships, but being unable to return to Port Arthur or to get into Dalny, she was beached not far from Dalny.

### "GOV. BOB'S" LECTURE.

"Castles in the Air" Abounds With Delicate Humor.

Gov. Taylor has spent nearly two years in the preparation of a new lecture which he calls "Castles in the Air." He will deliver this lecture in Hopkinsville at Holland's Opera House on the evening of May 30.

When the brilliant ex-Governor, with his wonderful gift of oratory and his inexhaustible supply of anecdotes, comes to Hopkinsville even in one of his old lectures, he is always greeted by a great audience, but when he comes in a brand new lecture as in this case,--new anecdotes, new word paintings and new jokes, he will be doubly welcome.

Gov. Taylor is just closing a trip to the West, in which his new lecture has been very successful, being pronounced by his greatest admirers the most entertaining lecture which he has ever given, because it has in it more of the genuine Bob Taylor eccentricities of humor and pathos, of uproarious fun and splendid eloquence. With that wonderful charm of imagination which is peculiarly his own, as a bare-foot boy he blows a soap bubble into the air of his native mountains and sees in it iridescent colors and castles of hope and ambition which lead the human race across the years like the faded for tune at the rainbow's end.

He shows his audience the castles which we build and the bubbles which are blown into the air and then he explodes these bubbles with an anecdote and wrecks the castles in a whirlwind of fun.

### ANNUAL COUNCIL

Diocese of Kentucky in Session at Grace Church.

Election of Successor to Bishop Dudley Most Important Matter to Come Up.

The Seventy-sixth Annual Council of the Diocese of Kentucky, opened in Grace Episcopal church Sunday and will continue until the 17th inclusive. The most important matter to come before this meeting is the selection of a Bishop to succeed the late Bishop Dudley. His successor will be chosen probably from the following four ministers: Rev. John G. Murray, of Baltimore; Rev. Dr. Arthur S. Floyd, of New York City; Rev. W. T. Manning, of New York City; and Rev. Dr. J. W. Morris, of Brazil, South America.

Others who have been considered and upon whom the final choice may fall are Rev. Dr. Frank Du Moulin, of Chicago; Rev. Dr. Mann, of Orange, N. J.; Rev. John K. Mason, of St. Andrew's Church; Rev. J. G. Minnigerode, of Calvary Church; Rev. Dr. Reverdy Estill, of St. Paul's Church; Very Rev. M. M. Benton, Archdeacon of the diocese, all of Louisville, and Rev. Arthur S. Stires, of New York City.

The sessions are being held in Grace church. The services opened Sunday morning with Litany and Holy Communion. The service was conducted by the Rev. J. G. Minnigerode, D. D., Rector of Calvary church, Louisville, assisted by Archdeacon Benton, of Louisville, and the Rev. George C. Abbott, rector of Grace church.

The sermon by the Rev. C. P. Rodefer, the priest in charge of the missions at Russellville and Guthrie, was a eulogy of Bishop Dudley. His text was Isaiah iii., 10: "Say ye to the righteous that it shall be well with him." He spoke of Bishop Dudley as a man and christian so rare that one was confronted with an embarrassment of riches in particularizing his finest qualities.

Sunday afternoon there was a children's service at the church, addressed by Rev. Dr. Minnigerode and the Rev. Dr. John K. Mason.

The Rev. T. G. Brown, of Louisville, preached at the colored Episcopal chapel. At 8 o'clock evening prayer was celebrated, and the Rev. T. W. Rose, of Henderson, preached.

Yesterday was devoted to business meetings. There were a celebration of the Holy Communion at 7 o'clock and morning prayer at 9:30. At 10 o'clock the Council met for business and remained in session until noon. When recess was taken for dinner. Another business meeting was held at 2:30 in the afternoon. At 8 o'clock p. m., there was a missionary meeting in the interest of Diocesan Missions, which was addressed by Archdeacon Benton, W. A. Robinson, treasurer of the board, and R. A. Robinson, all of Louisville.

There are about one hundred delegates, including ministers, in attendance.

### Successor of Bishop T. U. Dudley.

Beattyville, Ky., May 14.--The time will soon draw near when the successor of our late and lamented Bishop Dudley will be appointed. This is an important duty to discharge, but that it will be done to the best interests of the church and with an eye single to the honor and glory of God, we have not the remotest doubt.

Quite a number of ministers have been favorably mentioned as able and worthy to become the successor of our dear Bishop, who is no more, and the churchmen throughout the state, owe it to themselves and more especially to the memory of one so honored and loved, as was Bishop Dudley, to select some one having the love of God shed abroad in the heart, and who is able and capable of taking up the work of the church, where it was left off when Bishop Dudley was called home to his Father.

While we know nothing in disparagement of the worthy Christian churchmen and brethren who have been suggested, we trust our dear Christian brethren, who are to perform the important duty of selecting this successor, will not lose sight of

one of the truest christian ministers, and as able and capable of doing the work necessary to be done by whoever is chosen as Bishop, as the Rev. Charles H. Lockwood, who is now and has been for a number of years, in charge of the Episcopal church at Helena, Ark. Prior to his call to this place he labored under Bishop Dudley, in the Diocese of Kentucky, and soon after Bishop Dudley began his labors in the mountains of Eastern Kentucky, the Rev. Lockwood, then a young man and young minister, who had charge of a mission at Proctor and Beattyville, became thoroughly imbued with the great difficulties to be overcome in order to plant the banner of the cross of Christ in the mountains, and for nearly ten years he labored incessantly with Bishop Dudley to accomplish this desired end.

The work undertaken by Bishop Dudley, with the aid and labors and prayers of his dearly beloved Lockwood, was a complete success for the cause of Christ in the mountains of Kentucky, and the work done by them stands today as a living and lasting monument of their joint labors.

We believe, that could the words of our dear Bishop Dudley be wafted to us from his eternal home in heaven, and the choice of his successor were left to him, he would unhesitatingly select the Rev. Charles H. Lockwood. Their intimate and christian love and friendship for each other, while laboring together for so many years and with the same object in view, and which love continued like Damon and Pythias, to the end of the life of our dear Bishop, we think fully justifies us in coming to these conclusions. But should our dear brethren, upon whom this responsibility rests, make another selection other than this highly cultivated christian minister and life long friend of Bishop Dudley, we feel that it will have been done after the most careful and prayerful consideration, and will redound to the good work of the Lord.
