BASE BALL.

Hopkinsville Won Two Games From Henderson.

New Players Recently Signed On Local Team Have Reported For Duty.

The Hopkinsville base ball team was victorious in two of the three games played with Henderson, on the latter's grounds, last week. The first game resulted in favor of the local club, the score being 8 to 5. On Thursday Henderson won by 6 to 3. Friday's contest was won by Hopkinsville, the score being 5 to 3. The Hopkinsville team went from Henderson to Cairo, and lost the first game of the series at that place Saturday. The score in this game was 8 to 1 in favor of the Egyptians. The second game at Cairo was won by Hopkinsville by the score of 7 to 2. This was a thirteen-inning contest. The score was a tie at the end of the ninth inning. Neither side scored in the tenth, eleventh and twelfth innings. In the thirteenth Hopkinsville made five runs. The local team closed the series at Cairo yesterday, and will play at Paducah today, tomorrow and the next day.

At Vincennes Thursday the team of that place defeated Cairo in a close game, the score being 1 to 0. At Clarksville, Paducah won from Clarksville, the score being 5 to 3. On Friday, at Clarksville, the Pads again defeated the Tennesseans by the score of 7 to 3, and the Cairo club won from Vincennes, the score being 7 to 3.

Clarksville lost to Paducah Saturday, making three straight--the whole series--lost to the visitors.

Henderson won from Vincennes at Henderson the same day. Paducah was also victorious in the second game with Clarksville, the score being 9 to 4. At Vincennes the same day Henderson won from the Indians by the score of 6 to 5.

Piephal, of Louisville, who was captain of the Cairo club last season, has signed with Hopkinsville, and arrived last week. He is playing short stop. Briggs, of Little Rock, Ark., who a few days ago signed with the locals, joined the team at Cairo Sunday. He plays outfield and is a heavy hitter, and a fast base runner. Forest Morris, who was injured while playing some time ago, has about recovered and will join the local team this week, resuming his place on third base.

Marre, of Little Rock, formerly of the Baton Rouge, La., team, has signed with the locals, but was claimed by Clarksdale, Miss. President Hancock received a telegram from Robt. Pender, manager of the Baton Rouge team, Saturday, which contained the following: "Marre can play where he pleases. Clarksdale has no claim."

The next game on the local diamond will be between Hopkinsville and Clarksville. The first contest of the series will come off Friday next, June 17. Great crowds will doubtless witness these games.

Miners are Dumped Upon Kansas Soil.

Penniless Refugees Speedily Driven Back Into Colorado by an Armed Posse.

Syracuse, Kas., June 11.—Seventy-six deported Victor, Col., miners that were sent out from that state in a special train in charge of Colorado militiamen were literally dumped into Kansas today and left destitute and penniless on the prairie. The militia fired a volley at their deserted charges and returned to Colorado. Later the unfortunate miners were turned back into Colorado by an armed Kansas sheriff and forty deputies.

Strike is Ended.

Victor, Col., June 12.—Every mine in the camp with the exception of the Portland, will resume operation tomorrow. The backbone of the unions was broken on Friday, when the military authorities tore men from their homes and landed them on the bleak and unwelcome prairies of Kansas. The strike, which has cost the State, the mine owners and miners at least \$25,000,000, is practically ended. It is asserted that thirty-five or forty men now in the Bull Pen will be executed for crimes committed within a fortnight. Troops will be withdrawn tomorrow, and Sheriff Bell will be in command of the situation.

TO RETURN MINERS.

Federation Will Pay Cost of Transportation From Kansas

Denver, Col., June 11.—Secretary-Treasurer Haywood, of the Western Federation of Miners said the men deported to the Kansas line, who are now at Holly, will be brought to Denver at the expense of the Federation, if they wish to come. He sent money to Holly today for their expenses.

KNOX FOR SENATOR.

Trust Interests of Pennsylvania Want Him Out of Cabinet.

Philadelphia, Pa., June 9.—Philadelphia C. Knox, Attorney General, it is asserted here today, will succeed the late Matthew S. Quay in the United States Senate if the great financial interests have their way. It is stated that representatives of the Pennsylvania and allied railroads, the United States Steel Corporation and the Standard Oil Company are back of the Knox movement. The aim of these corporations, it is alleged, is to check further operations by the Roosevelt administration under the anti-trust law, and for that reason they want to see Mr. Knox out of the Attorney General's office. The vacant Senatorship they have seized upon, it is explained, as a means of removing Mr. Knox from the President's cabinet.

JUDGMENT GIVEN

Against Cumberland Telephone Co. in Sadlersville, Tenn.

An important case was heard Wednesday morning in the Circuit Court, being that of Dr. M. L. Bradley vs. the Cumberland Telephone & Telegraph Co., which involved the question of the maintenance of a public telephone station at Sadlersville, says the Robertson County, Tenn., News.

The facts are that Dr. Braley gave the telephone company the right of way over his lands for the large trunk lines of the American Telephone & Telegraph Co., which involved the question of the maintenance of a public telephone station at Sadlersville. This the company violated and hence the suit. The jury returned a verdict of \$40 as six months' damages, and as under the rulings of Judge Bell, Bradley can bring a multiplicity of suits. Leland Hume, General Manager of the company, who was present when the case was heard, immediately sent an agent to Sadlersville to open an office and the people of that vicinity will not longer suffer the disadvantage of not having public telephone service.

REV. J. A. KIRTLEY

Preaches a Trial Sermon at Locust Grove Sunday.

Rev. Jas. A. Kirtley, Jr., a young Baptist preacher, a son of the distinguished minister of the same name, preached at Locust Grove church Sunday and made a fine impression on a large congregation. He will remain in the county for a week and will on next Sunday preach a trial sermon at South Union church. A vacancy in the pastorates of these two churches was recently caused by the resignation of Rev. A. F. O'Kelly, and Mr. Kirtley may be called to succeed him. The two churches employ a pastor together, who preaches twice a month to each church and makes his home in this city. Mr. Kirtley comes well recommended and is one of the rising young men of his denomination.
