"The champion negro cotton picker of Texas, who can pull a bale of cotton from the bolls in two days, must be a good singer," said a man who spent his early life on the farm, to a New Orleans Times-Democrat reporter, "else he could not pick that much cotton in so short a time."

A report from the Waxahachie district says his best day's work this year was 844 pounds. That's pretty good cotton picking. I dare say he sung a few lines while he was reaching for this record. No negro can pick cotton without singing. Whenever you see a negro pulling his sack up and down cotton rows in silence you can bet he is not doing much picking. He may get out of the field with 175, or maybe 200 pounds, but he will not set the world on fire as a picker of the staple.

"Singing is a part of the game, and when you find a negro who begins to sing and holler as soon as he bends over the row you may know thereby that you have a good hand. The negro, as a rule, works by music. In no other line of activity is this fact so noticeable as in the cotton patch. Here is where the negro must sing if he would meet with any satisfactory measure of success. It is no loud, discordant howling, either. It is music, the like of which you cannot hear at any other place, or under any other circumstances, a low, soft hum, delicately intoned, rhythmic, mellow, soothing, and all the while the negro's body swings to and fro over the cotton row as with his nimble fingers he pulls the long white locks from the boll.

"I have known a great many cotton planters who would not hire a negro cotton picker unless he was satisfied that the negro sang as he worked. It is a curious thing that pickers of this type have more time for the humorous bantering and jawing so common among this class, than the men who work in silence. The singing negro does not work as hard, as a matter of fact, as the silent negro. This is because he works more rapidly. The song he sings seems to make the machinery run more smoothly, and so he accomplishes more in the end than the quiet fellow, and has some time for the foolish talk of the cotton patch besides."

**BIG NOTE "QUEERS" THREE**  
One of Thousand Franc Caliber Proves Undoing of Trio of Paris Frenchmen.

A thousand-franc note proved the undoing of three Frenchmen not long ago. The note belonged to a lady who had the misfortune to lose it while walking along the streets of Paris. It was picked up by a chair mender named Renaud, who lived at Montreaux; and he placed it very carefully in his pocket and proceeded home. It is not often that a chair mender has occasion to change a note for that amount, and Renaud, recognizing the impossibility of turning it into gold without detection, agreed with a friend to do the business for the consideration of 100 francs. Lucien Mathern, also a chair mender, was in his turn filled with apprehension. The difficulty was solved by the aid of a horticulturist, named Simonnet, who kindly consented to buy himself a horse for 300 francs and return the change. Renaud thus became richer by 600 francs. All might then have gone well if, two days later, it had not been discovered that the horse had been stolen from a dealer at Meaux. This led to the arrest of the trio, and later in the day the police put their hands on the horse thieves.

**Boston Man's Dream.**  
A well-known instructor in mathematics in a Boston preparatory school awoke himself and his wife the other night with a fearful groan. When asked what the trouble was he said:  
"I dreamed that our little Tommy was a minus quantity under a radical sign and I couldn't get him out."

of griffins. I was for several years troubled with severe stomach trouble, sick headache and nervousness. Could not eat anything without experiencing the most agonizing pain. Had little appetite and was frequently nauseated. My stomach was most violent and I could not rest night or day. I became emaciated and thoroughly despondent, and no medicine that I could take seemed to help me at all. It was my father who suggested that I try your medicine and I am grateful to say that I had been making "Golden Medical Discovery" less than five months when I was entirely cured, and can now eat anything without distress.

Nothing will more speedily or permanently invigorate and tone into action, liver and bowels than Dr. Pierce's Golden Medical Discovery. It is compounded from the active medicinal principles extracted from native medicinal plants, without the use of alcohol, not a drop of which enters into its composition. The benefit felt from its use is not, therefore, due to alcoholic exhilaration, and consequently of short duration, but is enduring and permanent.  
The great majority of diseases have their inception in a bad stomach, indigestion, biliousness and impure blood. Among these diseases are deadly consumption, nerve-racking, brain-wrecking nervous prostration and exhaustion, body-torturing rheumatism, insanitary-breeding neuralgia, emaciating malaria and all manner of disgusting blood and skin diseases. Dr. Pierce's Golden Medical Discovery is a cure for all these diseases, if taken in anything like reasonable time. It is not a cure-all, but cures the diseases mentioned for the reason that they are caused and aggravated by the same disorders. It makes the appetite keen, the digestion perfect, the liver active, the blood pure and builds firm flesh and healthy nerve fiber. Don't be wheedled by a penny-grabbing dealer into taking something else said to be "just as good," only that he may make a greater profit. There's nothing "just as good" as "Golden Medical Discovery," with its record of cures extending over a third of a century.

**A Great Sufferer Cured.**  
Dr. R. V. Pierce, Buffalo, N. Y.:  
"Dear Sir—My health is better now than it has been before for many years, and I owe to Dr. Pierce's Golden Medical Discovery a debt of gratitude."

**Dr. Pierce's** "Golden Medical Discovery" is a most efficacious remedy for stomach trouble. For many years I could scarcely eat anything without being dreadfully distressed at once, and was apt to vomit the food. I used various medicines without good effect. Later I bought a bottle of Dr. Pierce's Golden Medical Discovery, and it proved so satisfactory that I bought several more bottles of the medicine and used it until I was entirely well. That was about four months ago. You may count on me for a staunch friend to "Golden Medical Discovery," also to your sanitarium, which I know to be one of the best in the country.
