

BABY'S AWFUL ITCHING ECZEMA

Sores All Over Face and Body — Could Not Tell What She Looked Like — Unable to Sleep — Grew Worse Under Doctors.

CURED BY CUTICURA IN ONE MONTH

A grateful mother, in the following letter, tells of another of those marvelous cures by Cuticura: "When my baby was four months old her skin broke out with a humor. I took her to a doctor, who said it was eczema. He gave me medicine to give her, but she kept getting worse all the time. Her little face and body were so covered with sores and large scales you could not tell what she looked like. No child ever had a worse case. Her face was being eaten away, and even her finger nails fell off. Then it itched so she could not sleep, and for many weary nights we could get no rest. At last we got Cuticura Soap and Ointment, first bathing her in warm water with the Soap, and then spreading on the Ointment with soft cloths. I saw a change in a week. The sores began to heal, and she could sleep at night, and in one month she had not one sore on her face or body. Any mother having children with eczema or humors will find a friend in Cuticura Soap and Ointment. (signed) Mrs. Mary Sanders, 709 Spring St., Camden, N. J., Aug. 14, 1904."

The foregoing statement justifies the oft-repeated assertion that Cuticura Soap and Ointment afford instant relief, and permit sleep for baby and rest for tired mothers, and points to a speedy, permanent, and economical cure, when all else fails, in the most torturing, disfiguring, itching, burning, bleeding, scaly, crusted, and pimply skin, and scalp humors.

Cuticura Soap, Ointment, and Pills are sold throughout the world. Potter Drug & Chem. Corp., Boston, Sole Importers for "How to Cure Baby Humors."

CUTS LOOSE

From Kitty League and Goes to New York.

Percy Wilder, the popular baseball twirler, who pitched for the Cairo team last season, has gone to New York to accept a position with a wholesale house. Wilder says he will not return to Cairo to play with that team if the K. I. T. league is formed again next year. That club still has a claim on his services and unless he secures his release from Cairo he will play independent ball in the future in and around New York City.

Terrific Race With Death.

"Death was fast approaching," writes Ralph F. Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and all interest in life. I had tried many different doctors and several medicines, but got no benefit until I began to use Electric Bitters. So wonderful was their effect that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at R. C. Hardwick's drug store. Price 50c.

POSTOFFICE RECEIPTS.

Hopkinsville Reports an Aggregate of \$14,430.

Washington Nov. 27.—The eighty-six presidential postoffices in Kentucky show gross receipts amounting to \$1,522,883 for the fiscal year ending June 30. Of this amount Louisville is accredited with \$742,579, or nearly one-half.

The expenses of the city free delivery service amounted to \$223,478, of which \$124,623 was paid out for the Louisville service. HALDEMAN

Is Formally in the Kentucky Senatorial Race.

Louisville, Ky., Nov. 25.—The Courier-Journal this morning printed the formal announcement of the entry of W. B. Haldeman, editor of the Louisville Times, into the race for the seat in the United States Senate, now held by Hon. J. C. S. Blackburn. The announcement is in the form of a letter addressed to the Democratic members of the Legislature from the Fifth Congressional District, in response to their request that he become a candidate. In the letter Mr. Haldeman says in part:

"I represent no faction in the Democratic party. I have good friends among the followers both of Senator Blackburn and Judge Paynter, and the warring interest of these two candidates, which threatens to disrupt the Democratic party in Kentucky, cannot meet with the approval of any Democrat who is truly a good wisher of the best interest of his party.

"If the Democrats of the General Assembly believe this war of interest should cease, I come to them with the united support of my home district, as a messenger of peace and good will, of harmony and unity in the party."

The Legislature will elect Mr. Blackburn's successor early in January.

St. Louis Automobile.

A man advertising a St. Louis house was in the city yesterday with a regular roadster automobile. It is a 10 1/2 horsepower and travels on any kind of a rough and hilly road with ease. It is predicted that automobiles will not only be greatly reduced in price but come into general use in a few years.

Be Sure to Use Only Cream of Tartar Baking Powder

Food made with alum baking powder carries alum to the stomach unchanged. Scientists have positively demonstrated this and that such food is partly indigestible and unhealthful.

IS FOR PAYNTER.

Representative Head, of Paducah.

Paducah, Ky., Nov. 26.—Representative-elect Lewis P. Head, of McCracken county, to-day definitely committed himself in favor of Judge Paynter for United States Senator from Kentucky.

"I promised during my campaign," said Mr. Head, "to vote for the man for United States Senator whom I believed would be the best man to represent the State of Kentucky. I believe Judge Paynter to be the man, and I am for him first, last and all the time. I shall vote for Henry Lawrence for Speaker of the House."

A number of prominent politicians of Western Kentucky were in Paducah to-day discussing the political situation, among the number being Hon. Henry Lawrence, of Cadiz, candidate for Speaker of the House; Dr. Milton Board, Superintendent of the Western Asylum at Hopkinsville; Senator Conn Linn and Representative Zeb A. Stewart, of Murray; Judge Bunk Gardner, of Mayfield; Felix Grasty, of Cadiz; Senator Wheeler Campbell and Representative Head, of Paducah.

Alvin Joslin

Manager Ennis of the opera houses has informed us that he has secured for an attraction, Chas. L. Davis' old favorite rural comedy drama, "Alvin Joslin" which is to appear at an early date. This is another feather in our popular Manager's cap, for the reason that this attraction is very much in demand, owing to the fact that it is away from three to four years in getting into this section of the country, and usually takes its pick of the better theatrical towns. Aside from this fact, the story of the play is such that it will keep it before the public almost for ever. This is its twenty-sixth year and we understand that it is drawing the largest houses on record. Such a success must mean a meritorious attraction, for there is nothing that travels faster than the reputation of a worthy production. The part created and made famous by the late Mr. Davis is now portrayed by Andrew Waldron, who has been in the profession for forty-six years, and has starred for years, all over country. It is said by many that Mr. Waldron's conception of the old Vermont farmer is the best ever seen, and we hope Manager Ennis' effort to please those who appreciate good performances will meet with a large house. Night prices 25, 35, 50 and 75c, matinee prices 15 and 25c. matinee opens at 2:30 p. m.

DRAGGING

down pains are a symptom of the most serious trouble which can attack a woman, viz: falling of the womb. With this, generally, come irregular, painful, scanty or profuse periods, wasteful, weakening drains, dreadful backache, headache, nervousness, dizziness, irritability, tired feeling, inability to walk, loss of appetite, color and beauty. The cure is

WINE OF CARDUI

THE FEMALE REGULATOR,

that marvelous, curative extract, or natural wine, of herbs, which exerts such a wonderful, strengthening influence on all female organs. Cardui relieves pain, regulates the menses, stops drains and stimulates the womb muscles to pull the womb up into place.

It is a sure and permanent cure for all female complaints.

WRITE US A LETTER

Put aside all timidity and write us freely and frankly, in strictest confidence, telling us all your symptoms and troubles. We will send free advice (in plain, sealed envelope), how to cure them. Address: Ladies' Advisor, Dept., The Chattanooga Medicine Co., Chattanooga, Tenn.

"I SUFFERED AWFUL PAIN

In my womb and ovaries," writes Mrs. Naomi Bake, of Webster Groves, Mo., "also in my right and left sides, and my menses were very painful and irregular. Since taking Cardui, I feel like a new woman, and do not suffer as I did. It is the best medicine I ever had in my house."

"Resurrection"

Ever since Count Tolstoi's famous novel, "Resurrection," was first presented in book form, people have been clamoring for the dramatic version. Theatre-goers are at last promised the desired treat; as a large company of metropolitan favorites, headed by America's greatest emotional actress, Effie Leah Francis, will be seen at Holland's Opera House next Wednesday night, Nov. 29th.

Miss Francis is an actress of long and varied experience, who has been starring in this country and England for several years. She is supported by a company of twenty-five distinguished players, making it one of the strongest traveling organizations extant.

Two car loads of scenery and mechanical effects are carried, in fact the organization is a most complete one. During the famous Moscow Music Hall scene in the 3rd act—a strong line of imported European acts are introduced, prominent among which is the famous champion troop of acrobats, Tray's dog circus, consisting of twenty clever dogs, Madame Jessica, contortionist, and numerous other strong acts.

This is positively the strongest attraction booked this season and it deserves heavy patronage. The Nashville press recently was very enthusiastic about the company and a return date has been arranged. The company is direct from a run of 165 nights in New York City. A packed house is looked for by Manager Ennis.

A Creeping Death.

Blood poison creeps up toward the heart, causing death. J. E. Stearns, Belle Plaine, Miss., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound and saved his life. Best in the world for burns and sores, 25c at R. C. Hardwick's drug store.

Saved by Dynamite.

Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes a cough hangs on so long you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep and finally cured her." Strictly scientific cure for bronchitis and la grippe. At R. C. Hardwick's drug store; price 50c and \$1.00; guarantee. Trial bottle free.
