THREATS MADE IN TRIGG COUNTY

The Association Should Come Out For Law and Order.

CLARK CO. FARMERS

Adopt Resolution Rebuking James Andrew Scott in His Presence.

The Tobacco Association of Trigg county should take immediate steps to repudiate the acts of the so called "night riders" who are making threats in the name of the Association against people who have sold their tobacco to independent buyers. We give below the form of a letter that was tied to the gates of many farmers in the vicinity of Cerulean Springs the Sunday night before Christmas. A piece of rope or grape vine was used to tie the notes to the gate posts:

"If you don't put that tobacco in organization and store it at Cobb or Cerulean we are going to give you hell. Cadiz agreement is no go, we are running this now.

NIGHT RIDER.

Some farmers who received these letters were scared into canceling contracts. Others will pay no attention to them.

The agreement referred to was that the parties who have sold be permitted to deliver their present crops and put the future crop in the Association.

We do not believe any considerable number of citizens of Trigg county endorse such methods as this, whether the motive be to injure or benefit the Association. Certain it is that the Association cannot afford to support such crimes committed in its name. The Association officers in this city and county are good citizens and do not hesitate to condemn such lawlessness.

In a tobacco meeting at Winchester this week to organize the Burley growers James Andrew Scott, of Frankfort, made a fire-eating speech advising an oath-bound society, with signs and grips, and among other things, mentioned a coat of tar and feathers for emissaries of the trust found among them.

Shortly after the close of his speech, E. R. Jouett, president of the Winchester commercial club, introduced the following resolutions:

CONDEMN VIOLENCE.
"Resolved, That this convention is unalterably opposed to any action or sentiment which in any way may be construed into an approval of the outrages recently committed in the dark tobacco district. That we are opposed to the violation of law to accomplish the defeat of the opponents of our organization, and that we stand now, as we have, for the fulfillment of the law in the spirit and the letter."

This resolution was seconded by a rousing speech by Hon. W. H. Elliston, of Grant county, and was passed unanimously and with shouts of approval.

All honor to the good people of Clark county. Kentucky has already suffered enough by following the leadership of man-killers. We commend the spirit of the above resolution to the "Night Riders" of Trigg county.

Breathitt Stock Rising.

Judge Breathitt, of Hopkinsville, will be the next Republican nominee for governor of Kentucky. This seems to be settled both because of his fitness for the place and also from the fact that the place seems to be going a-begging. The party has made repeated attempts to get some one of its good men to accept the nomination, but so far only Judge Breathitt seems any ways willing to accept the empty honor, for that is all it will be.—Paducah News-Democrat.

JAMESTOWN CONTEST.

Two New Entries and Heavy Vote Polled.

The vote in the Jamestown Contest has been heavy during the past week, as the figures below will show. There have been two new entries in district No. 4, Misses Ella Shadoin and Hallie Leavell. MORE HOUSES.

Wanted Almost Every Day.

Notwithstanding the fact that more residences were built last year than preceding years, yet the demand cannot be supplied to the many incoers. Here it is the first week of the year and there are many seekers after good cottages who want to become citizens. A building company or a large apartment house is one of the necessities of the year 1907. Which are we to have? Or shall we have both? It is up to men who have the means to act. It would be better to have both, but either first would be gladly welcomed and the second will surely come later. As before stated, Hopkinsville is not on a boom, but is just enjoying a natural, healthy growth. A collapse is an utter impossibility. We are what we are because our environments will not permit us to be anything else—"The Pearl of the Pennyrile," and the best inland city in the whole Commonwealth.

THE ATHENÆUM.

Three Excellent Papers On This Week's Program.

The Athenæum met at Hotel Latham Thursday night, with sixteen members present, and enjoyed the usual dinner in the ordinary. Then followed three excellent papers by the following gentlemen:

"The Old and New Court Parties of 1825," by Mr. J. W. Downer.

"Denatured Alcohol," by Judge W. T. Fowler.

"The Passing of the Log Fire," by Mr. Geo. E. Gary.

Mr. Gary discussed the decadence of our forestry resources in an interesting paper.

Senator Frank Rives was elected secretary to succeed J. G. Cooper, resigned.

NOTHING DOING.

In Circuit Court Clerk's Office for February Term.

No suits of interest to the public have been filed in the office of the Circuit Clerk for several days. Clerk Clark and his deputy, Feland Clark, have plenty of time to wait on callers now, having as far as practical done everything for the February term.

ANOTHER WRECK.

Railroad Horrors Follow Close to Each Other.

The wrecked trains run between El Paso and Chicago.

Mr. J. S. Ditto, late with the Wilson Hardware Co., at Pembroke, Ky., has accepted a position with the Planters' Hardware Co., and will move his family here shortly. Mr. Ditto has had several years experience in the buggy and harness business and will prove a good man in that department of the Planters'.

\$100 REWARD.

If the party who found my diamond in the washroom at Hotel Latham Thursday night will send it to the clerk of the Hotel, he is authorized to pay a reward of \$100 and ask no questions.

FIRE ALARM

Called Out the Department Thursday Night.

An alarm was turned in from the boarding house of Mrs. J. C. Williams Thursday night, a little before 12 o'clock.

This is the second call that has been turned in from that place in a short time. The department promptly replied to the call but when they got there the danger of a conflagration had passed as the boarders and others had pretty well put out the fire with buckets. The firemen gave what help they could to extinguish the flames and returned to their quarters in a short time, it not being necessary to turn on the water from from the hydrant.

The cause of the fire is not known. It was on the first floor in the rear. The damage done is insignificant.

Hord-Sumner.

Mr. David H. Hord and Miss Edna E. Sumner were married near Hopkinsville last week by Rev. J. A. Kirkley. Miss Sumner is the daughter of Mr. J. Ed. Sumner, who moved from here to Hopkinsville with his family about a year ago. She is a very industrious and attractive young lady, and has many relatives and friends in this town and county who extend hearty congratulations.—Cadiz Record.

Harris-Nabb.

Mr. Clay Harris, of Cerulean Springs, and Miss Hortense Nabb, of Wallonia, were married last Wednesday, at the bride's home. She is a daughter of Esq. N. E. Nabb.
