Paid Political Matter.

The Massachusetts law "to prohibit the publication of unsigned political advertising and the making by certain corporations of political contributions" has gone into effect. It provides that no newspaper or other periodical shall publish any paid matter designed to aid or injure a candidate for public office, unless the name of the chairman or secretary or the names of two other officers of the organization inserting the matter or the name of the voter responsible for it are signed. All such matter in the reading columns shall be preceded or followed by the word "advertising," in type not smaller than the body type of the publication. The second section of the law forbids the payment to any person connected with the newspaper of money as the price of editorial support.

Woman at The Pools.

Louisville, Ky., Oct. 22.—At a mass-meeting of women today, resolutions were adopted to have workers at every polling place on election day to work against Tyler for Mayor. The meeting was addressed by Thomas W. Bullitt and others.

BIBLE CONFERENCE

Thursday there were four strong sermons in the Bible Conference. The afternoon address was made by Dr. W. A. Nelson to the old people especially and it was a discourse that made a profound impression upon all his hearers. At night Dr. J. C. Massee continued his discussion of the Holy Spirit. Dr. Massee is a pulpit orator of great power, eloquence and graces of speech. His several sermons on this subject have been masterpieces of pulpit oratory.

Yesterday morning at 10 o'clock Dr. W. L. Walker preached his last sermon and left for his home in Georgia last night. Following him Dr. W. A. Nelson preached at 11 a. m.

Dr. J. S. Rodgers gave another of his sermons on prophecy at 3 o'clock. Dr. Massee preached again at 4 o'clock. Last night Dr. W. H. Smith, of Richmond, Va., who arrived during the day, preached on Foreign Missions. He will be heard again to-day at one of the meetings and then will leave for Nashville for Sunday.

The services tomorrow will be conducted by Drs. Nelson, Rodgers and Massee and Monday Dr. Lloyd T. Wilson, of Louisville, who is carrying on a meeting at Pembroke will come for a day or two.

REV. MILLARD A. JENKINS, Pastor of The First Baptist Church.

The pastor of the church, Dr. Jenkins, is assisting in all of the services and is sparing no effort to make the Bible Conference a complete success. He made all of the arrangements for the meeting and succeeded in bringing together a company of the most distinguished divines in the South. The young pastor will celebrate the first anniversary of his coming to Hopkinsville on Nov. 16 and the church is already planning to give a general reception at the church in his honor, on that date.

TO TEST ORDINANCE.

Cumberland Telephone Company Files Bill Against City of Clarksville.

Clarksville, Tenn. Oct. 22.—The bill of complaint of the Cumberland Telephone and Telegraph Company against the Board of Mayor and Aldermen of the city of Clarksville, Mayor M. C. Northington, to test the validity of the ordinance requiring the company to place its wires underground, was filed in the Chancery Court here today. The bill is a lengthy one, and goes into the case fully. The complainant avers that the said ordinance was, and is, in its application and in excepting the wires of the Clarksville railway & Light Company, which were and are the only wires on said streets, unreasonably, arbitrary, partial and discriminatory, and, on this account void and of no effect, and that said ordinance is not "the law of the land" and is not "due process of law."

GREAT CROWDS

Witness Performances of the Kennedy Players.

The Kennedy Players are playing to good houses this week, and all the performances are far above the average. Many specialties are introduced each night and all of unusual merit. The trained dogs are especially interesting, and Miller, the Handcuff King, continues to mystify the audience by his power of freeing himself from handcuffs, chains and manacles, while the moving pictures are quite a feature and are enjoyed by every one. The company is an excellent one and scores a success at every performance. On tomorrow afternoon at 2:30 there will be a matinee, when "My Dixie Girl" will be presented, and it is safe to say that the Opera House will be packed on the occasion. On tomorrow night the company closes the week's engagement here.
