Ruskin said, "Make for yourself nests of pleasant thoughts." Read pleasant books, and hunt up pleasant friends and be pleasant yourself.

**Mind Your Business!**

If you don't nobody will. It is your business to keep out of all the trouble you can and you can and will keep out of liver and bowel trouble if you take Dr. King's New Life Pills. They keep biliousness, malaria and jaundice out of your system. 25c. at R. C. Hardwick's drug store.

**Pays to Get the Best.**

When buying fruit trees, shrubs or vines it is always safest to get first grade stock. There is not much difference in price, but a big difference in quality of first and second grade stock.

Dyspepsia is our national ailment. Burdock Blood Bitters is the national cure for it. It strengthens stomach membranes, promotes flow of digestive juices, purifies the blood, builds you up.

**Egotistical John Bull.**

John Bull figures out that his country has been successful in 82 per cent. of the battles in which it has engaged.

Any skin itching is a temper-tester. The more you scratch the worse it itches. Doan's Ointment cures piles, eczema—any skin itching. At all drug stores.

**Dishonesty in New York.**

A statistician, fond of odd figures, says that there is a daily loss of not less than \$300,000 in New York city through thefts and cheating.

**Effect of Arctic Climate.**

No Arctic explorers ever have colds until they return to civilization. Then, one and all, they are prostrated by severe influenza.

**Hopkinsville People Have Good Reason For Complete Reliance.**

Do you know how—  
To find quick relief for backache;  
To correct distressing urinary ills;  
To surely cure sick kidneys.  
Just one way—your neighbors know—

Have used Doan's Kidney pills;  
Have proved their worth in many tests.

Here's Hopkinsville testimony. Mrs. W. C. Davis, 829 West Seventh Street, Hopkinsville, Ky., says: "Mr. Davis has never had an occasion to use Doan's Kidney Pills or any other kidney medicine since he recommended them in the summer of 1903. For years prior to that time he had been an almost constant sufferer from kidney trouble. He had intense pains in his back which extended to his shoulders and annoyed him all day. They prevented him from sleeping during the night. The relief he obtained from the use of Doan's Kidney Pills which he got at L. A. Johnson & Co's. drug store was surprising. They acted differently from any remedy he ever tried and he has never had a recurrence of the trouble since using this valuable remedy four years ago. It speaks pretty strongly for Doan's Kidney Pills that cured him." For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

**TUNNELS FINISHED.**

Blast Clears Away the Last Obstacle Under 6th Ave.

New York, Jan. 12.—After three years of continuous work, day and night, the Pennsylvania railroad's tunnels under Manhattan have been completed. It was learned to-day that the final blast was fired at 5 p. m. Saturday, sixty feet under Sixth avenue and Thirty-second street. It cleared the last obstacle in the Thirty-second street tube, enabling two gangs of men, who had been operating from opposite directions, to greet each other through the wide aperture. The Thirty-third street tube had been blasted entirely through some weeks before.

Much work remains to be done in the tunnels under the East river, the Long Island City yards and approaches, and on the Jersey approaches to the Hudson tubes.

**DEATH FROM DROPSY.**

**Robt. S. Eastin Was County Surveyor of Henderson County.**

Henderson, Ky., Jan. 12.—Robert S. Eastin, aged seventy-one years, died this morning of dropsy. He was surveyor for the county and had held many important positions of trust. He was water commissioner for the circuit court during the incumbency of the late Judge M. G. Givens. He was born in Bourbon county and came here in 1850. Mrs. Eastin and three children survive him.

**ONE METHOD**

Solution Proposed to Settle Our Kentucky Tobacco Troubles.

**A SQUARE DEAL TO ALL**

(Communicated.)

1. Let every one in Kentucky who raises tobacco, join one or all of the tobacco associations for tobacco growers of this State, register in the association books, paying an annual fee of \$1.00 per year and for this fee receive an "Association Card" giving him all the rights and privileges of this tobacco association for one year, beginning on Nov. 1, running 12 months. Let the books of the association remain open perpetually for the reception of members to the association.

2. Have a State law passed at once, requiring the Tobacco Planters' Association of the State to provide suitable sales houses all over the State, open markets there for the sale of association tobacco at any time of the year, when tobacco is being sold. Let the association fix the prices on all grades of tobacco, have it sampled, graded and ready for sale, on the order of the grower who owns the tobacco, said tobacco to be sold either loose or prized, as the grower may demand. Require the association to fix the prices, on or before the first day of November, of each year, and the market open on that day to all who may wish to sell or buy.

3. Have another State Law passed at once, requiring all tobacco buyers who buy tobacco in Kentucky to register with the Auditor of Kentucky at Frankfort, and pay him for the State, \$10.00, whether he buys all the year or a part of the year, and the time to extend from Nov. 1, of each year twelve months, and the buyer receive from the Auditor an "Annual Card" with all the rights and privileges to buy this tobacco for the year represented in the Card, and none but registered buyers, carrying Cards from the State Auditor be permitted to buy this tobacco in Kentucky, and no one be permitted to buy or sell unmanufactured tobacco in Kentucky, only through legally authorized Association Tobacco Sales Houses.

4. Fix a fine of \$100.00 as a penalty on either tobacco growers, or buyers, who violate the above laws, punishable by imprisonment of 3 to 9 months in the county jail, for each offense.

5. Let all the people, men, women and children, white and black, rise up as one person, or body, speak out, and join Governor Willson and the State officials, in restoring law and order in Kentucky, and urge the prosecution and punishment of all "Tobacco Trusts" and other "Trusts" who violate the laws of the State, together with the "Night Riders," "Agitators," "Peace Armies" and all other violators of the laws of Kentucky, and everybody assist in the protection of life, Liberty and Property, from one end of the State to the other.

6. The above proposed laws are similar to the whiskey laws of the State, and if passed at once by our legislature, now in session at Frankfort, peace and prosperity will prevail, and Kentucky bloom and blossom like a summer rose.

All Kentucky papers are requested to copy.

Smiles as She Settles Suit For Divorce.

Lawrenceburg, Ind., Jan. 12.—When the divorce case of Mrs. Rella Grimsley vs. William G. Grimsley, of Sparta township, was called in the Dearborn Circuit Court the plaintiff and defendant met in court, smiles were exchanged, and after a consultation she paid the costs, asked the Judge to dismiss the case, and the reunited couple left the court room arm in arm amid the plaudits of the spectators. Mrs. Grimsley had charged her husband with cruel and inhuman treatment.

Booker Washington thinks it is too easy for persons of his race without proper equipment, mental or spiritual, to enter the ministry. He suggests the establishment of a central training school.

Here are True Guides to Success

In justice to yourself and to your family write for these folders. They're free. Learn of the wonderful opportunities these states now offer. Wealth and happiness await you in the Southwest. No section of the United States has ever offered greater possibilities, in no other section are there so many conditions favorable for success.

**Glide With the Current In Arkansas and Texas.**

The climate is mild and healthful. You can work out of doors the year round. There are good schools and churches. Live stock has good range nearly all year. No costly barns are needed for winter housing.

There is a long growing season—this means bigger and more profitable crops. You can raise and market some crop nearly every month in the year.

There is an abundant supply of good, pure water. The rainfall is plentiful and evenly distributed.

The soil is rich—it's not worked out. You can buy a farm now for about one-third its actual value and pay for it in a few years, from the crops, and live comfortably while you are doing it.

Don't miss this southwest appeal to you? Just consider whether it's better to take advantage of the wonderful opportunities this territory now offers, or continue where you are, struggling along under adverse conditions, wasting your time and energy trying to make a high-priced farm which is "all worked out" pay. Act at once before land values take another jump. You can't make a mistake. Delay may mean disappointment. Seeing is believing. Make a trip of investigation now. It will pay you.
