GROVER CLEVELAND ANSWERS LAST SUMMONS

The Only Ex-President Succumbs
To a Long Period of Failing Health.

FATAL RELAPSE CAME
WITHOUT WARNING.

Princeton, N. J., 24.—Ex-President Grover Cleveland died this morning, at 8:40 o'clock.

He had never fully recovered from the recent spell of illness and in fact his general health had been very poor for a year or more. While his death was unexpected, it does not occasion surprise. Mr. Cleveland was 71 years old last March.

Grover Cleveland was born in Caldwell, N. J., March 18, 1837, of English ancestry. His father was Rev. Richard F. Cleveland, a Presbyterian preacher. He was named for Rev. Stephen Grover, pastor of the church at Caldwell, but dropped the first name when a boy. The family removed to Oneida county, N. Y., and in 1855 Grover Cleveland went to Buffalo in search of employment. Here he did clerical work and studied law, receiving \$4 a week. He was admitted to the bar in 1859 but for four years was copyist for a law firm at \$600 a year, a part of which he used to support his mother. He was appointed district attorney of Erie county in 1863, for three years. Two of his brothers were in the army and he supported his mother and sisters. Unable to enlist himself, he borrowed money and sent a substitute, paying the loan after the war was over.

He practiced law successfully until 1870, when he was elected Sheriff for one term. In 1881 he was elected Mayor of Buffalo by 3530 majority, the rest of the Democrats on the ticket being defeated by 1,600 votes.

He gained note as a "Veto Mayor" and attracted such attention that he was nominated for Governor in 1882 and was elected by nearly 200,000 votes. He was nominated for President with Thos. A. Hendricks for Vice President in 1884 and the ticket was elected. He was renominated in 1888 with Allen G. Thurman and while the ticket received a majority of 400,000 of the popular votes, he received 168 votes to 233 for Harrison and Morton.

In 1892 Cleveland and Stevenson ran against Harrison and Reid and the Democrats swept the country in a landslide, Cleveland and Stevenson receiving 277 electoral votes to 145 for Harrison and 22 for Weaver. Cleveland's popular plurality was 367,000. During his first term, June 2, 1886, he was married to Miss Frances Folsom, a beautiful young woman 30 years his junior, who survives him with three daughters and one son. During his second term he adopted a policy at variance with his party on financial matters and in 1896 bolted his ticket and aided in the defeat of Bryan and Sewall. He has not been recognized since as a Democrat, though time has vindicated the wisdom of some of his political views. He took up his residence at Princeton, N. J., upon retiring from the Presidency in 1897, and has lived in a manner becoming one of the statesmen of his day. For several years he had been in failing health and his death was not a surprise.

FARMERS' UNION

New Organization To Control All the Farmers' Crops.

Different From Either Of Association of Society of Equity.

A new farmers organization is being pushed vigorously in the Purchase counties, different from either the Association or the Society of Equity. It is called the Farmers' Union and is intended to control not only tobacco crops, which may be sold loose by the union, but all other crops as well. A Paducah dispatch says:

At a meeting of the county managers of the Farmers' Union, held in Paducah Tuesday, it was decided to establish a large stock yard at some point in the State, the location to be selected at the State meeting to be held here in August. At this time the union will also select the location for the central warehouse. Paducah will make a fight for both.

It was the sense of the managers that the farmer hold his wheat because the crop is short this year, but if any farmers are compelled to sell they are advised to first confer with their county manager.

LITTLE DONE

At the Meeting of the City Council On Monday Night.

One Pavement Ordinance Passed, Relative to Fourth St.

The City Council held an unimportant meeting Monday night, but owing to the sweltering heat but little was done. The Corporations Committee was not ready to report a franchise to be offered for sale to the Cumberland Telephone Co. and the matter went over till July 3.

The City Attorney was directed to correspond with other cities and get a copy of a dog ordinance not in conflict with the new Dog Law. Several orders were made for street repairs of minor importance.

A pavement ordinance was passed ordering down a pavement, brick or concrete, on Fourth street, east of the L. & N. Railroad, north side. The Council adjourned until Friday night.

Hale Cottage.

The Hale cottage on South Main Street, vacated this week by Dr. G. E. Medley, will be occupied by Mrs. Ben Rawlins. Her son-in-law, Mr. Will Wash, and family board with Mrs. Rawlins.

NOT THIS YEAR BUT IN 1909

Will the Fair Company Be Organized and a Fair Given.

NOT TIME ENOUGH.

Plan Is to Buy the Grove and Improve It By Another Season.

There was no meeting held Monday night looking to the organization of a fair company and it has become evident that the project for lack of time cannot be put on foot for the present season. The option period on the Campbell grove has been extended sixty days and it is proposed to organize before that time elapses and buy the grove at \$2,500 and then do the cleaning and preparation by another season. It is believed that enough money will be subscribed at once to buy the grounds, which are worth the price asked whether the fair is organized or not. Dr. M. W. Williams, one of the principal promoters, gives as another reason for postponement that he finds it necessary to carry over more horses than usual this year and will need all of his pastures this fall, including the paddock he proposed to lease track privileges in. It is a disappointment to have the fair project go over for this year, but by another season it must be made a "sure go."

Sossell-Gaither.

Charles Sossell and Miss Zola Gaither, of Princeton, Ky., were married in Jeffersonville, Sunday, by Magistrate James S. Keigwin. The groom is a native of France and an engineer for the Illinois Central road. The bride is a daughter of David Gaither, of Princeton, Kentucky.

Lieutenant Frank L. Ripy, of Lawrenceburg, has been appointed Captain and Quartermaster of the Second regiment by Adjt. Gen. P. P. Johnston.

Mr. Renshaw has been occupying an office across the street from the court house. The formal transfer of the office was made Tuesday afternoon. Under the decision of the court, he was compelled to yield the office pending the litigation that is not yet settled.

WALTER GILLILAND

Critically Ill at the Home of Relatives.

Walter W. Gilliland is very ill at the home of his brother-in-law, Mr. G. C. Bowles, at Crofton. He is suffering from lung trouble and his death is expected at any moment. His parents, Mr. and Mrs. Alex. Gilliland, of this city, are at his bedside.

For the past seven years Mr. Gilliland has been in business at Denver, Col., having gone there from Louisville shortly after the death of his wife. His health failed and he came to Crofton several weeks ago, accompanied by his two children.

Jas. A. Murray, of Paducah, has announced that he was secretly married September 28, 1907, to Miss Christine Peterson, of Minden, Neb., while doing construction work in Chicago. He has gone to Chicago to bring his bride home.
