

THREE CURES OF SEVERE ECZEMA

Michigan Woman Tells of Her Brother's Terrible Suffering with the Disease—Grandchild and Another Baby also Permanently Cured.

CUTICURA REMEDIES PROVED INVALUABLE

"My brother had eczema three different summers. About the same time each summer it came out between his shoulders and down his back, and he said his suffering was terrible. He used different kinds of medicines that were said to be good for that disease, but nothing seemed to do him much good. When it came on the third summer, he bought a box of Cuticura Ointment and gave it a faithful trial. Soon he began to feel better and he cured himself entirely with Cuticura and has never been bothered with eczema since. He also used Cuticura to cure a bunch over his eye and a terrible corn which was so bad that he could not wear his shoe. A lady in Indiana heard of how my daughter, Mrs. Miller, had cured her little son of terrible eczema by the Cuticura Remedies. This lady's little one had the eczema so badly that they thought they would lose it. She used Cuticura Soap and Cuticura Ointment and it cured her child entirely, and the disease never came back. Mrs. Sarah E. Lusk, 67 Peckham St., Coldwater, Mich., Aug. 15 and Sept. 2, 1907."

SENRAE.

NO SORGHUM THIS FALL Seems to be Resolution of Night Riders.

Princeton, Ky., Sept. 12.—Night riders apparently made a mistake last night when they blew up the sorghum mill of James McGregor on Tradewater river, near here, for McGregor is a strong association man. Thursday night the riders threatened James McDowell, an association farmer, with peril if he grew his sorghum crop, and their dealing in this community seems to have taken on some of the hues of their tobacco men. McGregor says that he does not suspect anybody.

PARDON GRANTED

By Governor Patterson to Dawson Boy.

Gov. Patterson, of Tennessee, has granted a pardon to Chester O'Bryan, a native of Kentucky, who was sentenced to the penitentiary from Mauray County, Tennessee. O'Bryan was convicted in November, 1903, of assault and housebreaking and was sentenced to sixteen years. O'Bryan is a son of Rev. John O'Bryan of Dawson Springs. When he was a boy about 14 years of age he was accidentally shot in the spine and became irrational at times and was generally regarded as weak-minded. He ran away from home and his people knew nothing of his whereabouts for several years. Finally his father learned that he was in the Tennessee penitentiary under the name of Frank Joyce and since that time has been pleading for pardon. The old man is 81 years old and has been going to Nashville to see the Governor for a long time. He promises to take the boy home with him and care for him.

IMPROVEMENT IN LOCAL SALES

LUGS AND LOW LEAF.

Growing Crop Ripening Rapidly and is Being Cut and Cured.

Sales of tobacco by the Planters' Association here last week amounted to 112 hogsheads. Nearly all of the weed disposed of was lugs and low leaf and prices ranged from \$7 to \$12. While the local market has been dull for several weeks, there has been a decided improvement in the past two weeks.

Business with the Society of Equity also shows considerable improvement, although no detailed report was given out for last week. Tobacco cutting continues steadily and probably 70 per cent. of the growing crop has been placed in the barn. The quality of that already in the house is good, being free from worms or field fire. The tobacco on the hill is ripening rapidly and in a few days more about all of the early setting will have been put in the house, ready for curing.

RECOVERS HIS STOLEN HORSE

Found in Possession of Claude Mabry at Lebanon, Tenn.

Mabry at Lebanon, Tenn.

BOY OF 14 YEARS.

A Youthful Criminal Who Has a Long Police Record.

Mr. E. D. Jones, accompanied by Special Officer Booth Morris, apprehended Claude Mabry, of this city, Sunday, at Lebanon, Tenn., having in his possession the horse stolen from Mr. Jones in this city Sept. 7. The boy was found at a country store near Lebanon and was riding the horse. He admitted that he took the horse and buggy. He said he exchanged the new buggy at Greenbriar, Tenn., for an old one and \$5 and subsequently sold the old buggy for \$1.50. Mr. Jones remained behind to bring the horse and try to recover the buggy, and Morris returned home.

Mabry refused to return without a requisition and was left at liberty. The boy is but 14 years old and is an incorrigible offender. He admitted that he stole C. L. Daniel's bicycle recently and sold it to a negro near J. H. Pyle's. He said he also stole two watches and a case from S. G. Lamb, a jeweler here. The case and one watch have been recovered and the boy told who had the other watch.

Mabry has frequently been in police court and was taken in charge by the juvenile court last year and sent to the School of Reform, from which he escaped or was released. Suspicion at once pointed to him and officer Morris was put on the case and caught the boy, and recovered the property before the week was out.

Mr. Jones is expected to bring the horse through the country and get the buggy if he can locate it where the boy said he left it.
