THE YEUELL REVIVAL

Is Growing In Interest as The Meeting Progresses

NEARLY 40 CONFESSIONS

Saturday Lecture Being Looked Forward to with Much Interest.

The Yeuell Bulletin.

DAILY.

3.30 p. m.—Sermon and Baptismal Service.
7.30 p. m.—Song Service and Sermon.

SATURDAY.

Two services as usual except that at 7.30 p. m. Mr. Yeuell will give his famous illustrated lecture on "Ship Wrecks."
No specific charge for admission but an offering expected from each attendant at the door.

Evangelist Yeuell is pacing his platform and speaking with a throbbing zeal that amazes his hearers after his short rest of one day. He becomes more earnest, more persuasive as the meetings progress and yet there is no undue pressure in his appeals such as often produces embarrassment of those who are not Christians. He is proving himself hourly a workman in his special department who has no cause for shame in his workmanship.

Prof. Faust is still leading his big chorus with skill and effect. Mrs. Yeuell has this week organized a chorus of children and christened it "The Smile Chorus."

Tuesday night there had been thirty-seven persons forward in two

days of invitation. On Tuesday afternoon eight of them were baptized others waiting until Wednesday to receive the great initial ordinance of the Christian career.

Visitors are coming in continually to attend the meetings. Rev. J. W. Mitchell, formerly pastor of the Second Avenue Church, is here rejoicing in the fellowship of his former parishioners.

Expectation is high concerning the lecture of Saturday night.

The lecture of last Saturday was so superb an intertainment in addition to its religious value that those who heard it are telling their friends what may be expected in its successors.

STRONGLY ENDORSED.

Two Popular Councilmen Given Universal Calls.

Mr. John B. Galbreath has been called upon by practically every Democratic voter and many Republicans to stand for re-election as councilman in the Second ward. The petition contains the names of 114 voters. Likewise in the Sixth ward Councilman Geo. E. Randle has been called upon by 145 voters, and many who did not sign the petition pledged their support. Both councilmen will be re-elected without opposition in the primary or the general election.

MEAT THIEF

Rounded Up and Given Three Months.

Upshaw O'Brien, col., stole two sides of meat from C. R. Clark & Co's store Saturday night, on Main street, and confessed when arrested by Policemen Hawkins and Denton, after some good detective work. The meat was recovered. O'Brien made a break for liberty while in the police office, but was pursued by Lieut. Wilkins and recaptured. He was turned over to the county court and given 90 days for petit larceny.

TWO NEGROES GET DAMAGES

Were Victims of the Birmingham Night Rider Raid.

31 MEN COMPROMISED.

Judgment Awarded in Federal Court at Paducah Tuesday.

Paducah, Ky., April 20.—No defense was offered in Federal Court today to the suits of Lee Baker and Nat Frizzell, negroes, for damages on account of the Birmingham night rider raid, and they were awarded the full amount, \$25,000 each. They were driven out of Birmingham by the raiders March 8, 1908, after being whipped until, according to the testimony of Dr. Robert Overby, the lash cut into the muscles of their legs. In his charge Judge Evans said the only evidence of shame for the deed manifested by the defendants was their failure to appear and deny the charge. He told the jurors it was their duty to bring a verdict not alone sufficient to cover the actual damages, but vindictive damages, but to any amount not exceeding \$25,000. He added that he would be surprised and chagrined if verdicts for flimsy amounts were returned.

Otis Blick, confessed night rider, on whose testimony Dr. E. Champion and John Jackson were convicted at Benton, told of the raid and identified the defendants. He was corroborated by Arthur Griffin, who said Dr. E. Champion, the leader, made him accompany him. Baker and Frizzell told their stories, and Dr. Robert Overby, who himself was warned out of Birmingham for dressing the negroes' wounds, also testified.

On this raid John Scruggs, an aged negro, and his daughter's infant child were killed by bullets. The Scruggs family, which also brought suit, is quarantined in Metropolis, Ill., with smallpox and their cases were continued.

The following thirty-one compromised for \$2,000 and were dismissed: J. F. Heath, Sam Collier, Amos Stringer, Wallace Stringer, Will Williams, Fred Holden, L. M. McCane, W. C. Holden, I. B. McFarland, Lon Chiles, B. Wyatt, W. Goheen, Sidney Allison, John Chambers, Joe Washburn, Schoder Locker, John Heath, John Hill, Bob Heath, Clarence Petway, Claud Culp, Charles Collins, Pet Prince, Roscoe Prince, John Ryan, Hugh Rogers, Ivan Rogers, Luther Wells, William Wells and John Whalen.

The verdict was against the following: Dr. E. Champion, Zeb Bloodworth, Jene Kelley, Courtney Champion, Jodie Lee, Billie Hill, Charles Pegram, Ted Murray, E. Hill, H. Eddington, Clove Kellie, Dock Culp, Stone Willson, Johnson Lady, John Fox, Dave Payne, Amos Fulk, John Bridges, Charles Hayden, J. K. POPULAR ENGINEER

Yields to a Fatal Kidney Malady.

Sam Hackney, engineer on the L. & N. accommodation train, and one of that railroad's trusted employes for many years, died at his home on Sixth avenue, east, Tuesday morning, of a kidney trouble. He became unable to pursue his business last fall and his health had constantly grown worse.

He was a member of the Brotherhood of Locomotive Engineers and also of one or more fraternal orders. He was a member of the Cumberland Presbyterian church and was a good citizen in all his relations.

His wife and one son survive him. The body was taken to Nashville for interment. Mrs. Hackney, who accompanied the body to Nashville, will probably make her home in that city.

KNOWLES--HANLEY.

Former Hopkinsville Marries in Chicago.

Charles R. Knowles, oldest son of Mr. Michael Knowles, formerly of this city, but now of Paducah, and Miss Katherine H. Hanley, of Chicago, were married last night at the home of the bride. The couple left at once for Florida on a several weeks' bridal trip. They will reside in Chicago after June 1. Mr. Knowles is assistant superintendent of the water supply for the I. C. railroad, with headquarters in Chicago. His bride is a daughter of Mrs. Helen Hanley and is a graduate of St. Joseph's academy, Bloomington, Ills.

In Seventh Ward.

Former Policeman Ivy P. Duke yesterday announced himself a candidate for Councilman in the seventh ward, subject to the action of the Democratic party. Councilman E. H. Armstrong has not yet decided whether or not he will stand for re-election. Harry A. Keach is also being mentioned for the place.
