### 50,000 THEATRE COSTLY WRECK OF TWO TRAINS

Proposed By Klaw & Erlanger on Certain Conditions.

John Dee Collins, of Henderson, representing Klaw & Erlanger, the great theatre firm, was in the city last night to discuss with prominent citizens the matter of building a \$50,000 Opera House on Main street. They agree to close the trade for the lot and build at once if 1,000 tickets to the first performance are sold at \$10 each. The lot in contemplation is the south side of the Hopson lot.

### Basket-Ball.

The Church Hill team and the McLean Reserves met in a basket ball contest Tuesday night. The country team put up a plucky game, but their eye for goals was not as accurate as their opponents, who by team work and fast playing succeeded in defeating them 22 to 11. The game was clean and fast throughout, and was not characterized by rough playing on either side.

The line up was as follows:

Church Hill.	McLean.
Stowe	Johnson
Johnson	Forwards
F. Caudle	Hart
D. Caudle	C
J. Van Cleve	Summerhill
	Gaurds
	Hurt
	Ashbey

### Freights Collide on Louisville and Nashville at Kelly, Monday.

A costly wreck occurred on the Louisville and Nashville, a few miles north of here, late Monday afternoon, when southbound freight No 31 headed into a switch engine. Both engines were reduced to scrap iron and the switch engine was landed in a field entirely off the right of way. Both train crews miraculously escaped serious injury. The cars were piled high and the track was torn up for a considerable distance. Wreckers, with full crews aboard, were rushed to the scene from Earlington and Nashville, but the track cleared and repaired before morning. All passenger trains Monday night were sent around via the Illinois Central by Nortonville, Central City and Russellville. The Elkton train came here from Guthrie and carried all the passengers to that point, so they might catch their trains, Guthrie being the point where the trains leave this division. The railroad officials gave out but little information regarding the wreck, and it is not known just where the blame lies. All trains were running as usual Tuesday.

The Rev. Wallace M. Stuckey was denied a new trial at Ottawa, Kan., and sentenced to from one to five years imprisonment. He was found guilty of abduction.

### Just to Fill the Race.

Just to fill out the race, Glens and Clements took the place, with their entries made good. They thought they would win if they could. They tugged and pulled with all their might. But Stanley let them clean out of sight; so the race is over and Stanley is in clover and Glens and Clements have their loss to mourn over. But both being game men, they say hurrah for Stanley. Amen.

A. J. Gregory,

Feb. 3rd, 1910
