

# THREE THINGS YOU NEED..

**First—**  
**"Kentuckian"**  
 A virile, newsy newspaper with the interest of the entire community at heart. Issues of the day are handled without fear or favor. You will find in this paper an up-to-date department for each member of the family. Clean, honest, straightforward—it is a paper your family should not be without.

**Second—**  
**Technical World Magazine**  
 is the one magazine that not only entertains in a fascinating manner, but which also instructs. It is the magazine for the busy business man, or for the person who wants to fill away a summer's afternoon, and be agreeably informed at the same time. It is profusely illustrated, and tells in a simple and interesting way of the discoveries of scientists, the achievements of inventors, the feats of explorers and explorers, and the opening of every new field of human endeavor. What *Forbes* London says—"I have just chanced upon my first copy of TECHNICAL WORLD MAGAZINE. There isn't anything like it. I want more, and I cannot wait for them to come, so I am sending you herewith check for which please enter my subscription and send me immediately the last two years' back numbers."

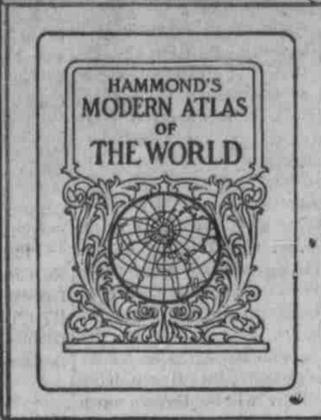

**Third—**  
**A Fine Atlas**

This one is just off the presses. This is the year to obtain a new atlas. The 1910 Census has just been completed, this atlas contains the official figures, 128 pages of 3 color maps brought right down to date—every map giving the results of the most recent surveys. All railroads are shown and named and maps of all large cities are included. There are 21 double page maps showing in detail portions of the U. S. and Canada. Dimensions 10 1/4 x 13 1/4. Bound in stiff linen—Silver Leaf Title—printed on heavy plate paper. Sells regularly for \$3.00. A splendid gift.

**ALL THREE Only \$3.80**

Special arrangement with Technical World Magazine and the publishers of this Atlas make this offer possible. But it is very strictly limited. You must act immediately.

## RULES FOR RIGHT LIVING

Frederic Harrison, Who is Alive at Eighty, Gives His Views on Subject.

Frederic Harrison, barrister, historian, philosopher, publicist, positivist and anti-woman's suffragette, celebrated his eightieth birthday recently in London. In spite of his great age, Mr. Harrison is still hale and hearty, and his intellectual activity is occasionally evidenced in acutely reasoned letters to the press. A self-disciplinarian, he attributes his physical and mental fitness to the rigid observance of his own Spartan "rules of life." Here they are: "Touch not tobacco, spirit, nor any unclean thing. Rise from every meal with an appetite. Walk daily two hours. Sleep nightly seven hours. Be content with what you have."

Playing cards and tobacco are Mr. Harrison's aversions. "Men and women," he says, "who are too dull to take pleasure in talk, too ignorant to read, too lazy to dance, deaf to music, blind to art, unable to keep themselves awake, betake themselves to cards." As for his Lady Nicotine, he cannot find words strong enough to denounce her with. Smoking is "a beastly disease," to be shunned on grounds medical, moral, social and esthetic.

Mr. Harrison, however, is better known as the greatest living disciple of Auguste Comte than as a social Don Quixote. His presidential addresses to the Positivist society are said by good judges to contain some of the finest "high thinking" in the English language. In view of these and other virtues, people here are proud to hail him a grand old Londoner, born and educated within the sound of the bells of Bow.

**Had Been in Training.**  
 A man who had undergone a court examination by a lawyer in Chicago without faltering for a second was complimented by the lawyer later for his accurate manner of recalling early and minor episodes of his life. "I was well rehearsed for it," said the witness. "Only yesterday I had to fill out an application for a telephone."

## ONLY ONE 'BEST'

Hopkinsville People Give Credit Where Credit Is Due.

People of Hopkinsville who suffer with sick kidneys and bad backs want a kidney remedy that can be depended upon. The best endorsed is Doan's Kidney Pills, a medicine for the kidneys only, and one that is backed by winning people of this locality. Here's a case:

Clifton Hammond, Cadiz, Ky., says: "For two years I was afflicted with kidney complaint and I am pleased to say that Doan's Kidney Pills cured me permanently. I had a severe pain in the small of my back and whenever I stooped or lifted, sharp twinges caused me great misery. My back ached at night and in the morning was very lame and sore. I was easily tired, often felt dull and languid and at times became very nervous. Headaches were also common and these were occasionally accompanied by dizzy spells. The kidney secretions contained sediment and were too frequent in passage, causing me to rise several times at night. If I caught cold it settled in my kidneys and greatly aggravated my trouble. When Doan's Kidney Pills were brought to my attention, I procured a box and began their use. Since that time I have felt like a different man, my kidneys were strengthened so that I do not have to rise at night and I feel better in every way. I can recommend Doan's Kidney Pills as a good kidney remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

## H. C. MOORE

Livery, Feed and Board Stable

THE AMERICAN REVIEW OF REVIEWS

is a necessity to the busy man or woman who values being up to date. In a hundred ways its editorials, its character sketches and its timely articles will help you make your choice. It gives you the best, clearest and most accurate, non-partisan and unprejudiced news that money can buy. It is the great monthly newspaper on which intelligent people everywhere rely for their news, and you get this news almost as promptly as it is given in the great daily newspapers of the country.

Senator La Follette says: "The most timely, accurate, and impartial review of the age, I long have utilized the magazine in its current form as a valuable means of information."

Never will the Review of Reviews be more necessary than next year.
