

DORMITORY FOR BETHEL

Movement Takes Definite Shape and Success Of Project Is Assured.

COMMITTEE MEETS TO-DAY.

First Baptist Church Endorsed The Project By Unanimous Vote.

Bethel Female College is to be enlarged by the addition of a new dormitory to cost \$20,000 and the purpose is to have it ready for the fall session.

More room is imperatively demanded to meet the requirements. The College is now full to overflowing and many girls are housed in a large residence rented out in town.

The church was crowded with friends of the institution when Dr. Thompson, who presided, stated that it had been made a special order.

Speeches were made by President H. G. Brownell, Trustees W. T. Tandy, Chas. M. Meacham, M. C. Forbes and G. H. Stowe and by Geo. E. Gary and L. H. Davis, all urging immediate action and the result was that the pastor was authorized to appoint a committee to raise the funds and erect the new dormitory, plans for which have already been prepared. By motion Dr. Thompson was added to the committee, which is as follows:

Dr. T. W. Blakey, chairman; M. C. Forbes, C. M. Meacham, J. B. Trice, George E. Gary, G. H. Stowe, W. T. Tandy, T. C. Underwood, E. C. Radford, L. H. Davis, Bailey Waller and C. M. Thompson.

Mr. Stowe is a member of South Union church and a trustee of the college. He was present and accepted a place on the committee.

A meeting of the Committee was held after prayer meeting adjourned and a sub-committee consisting of L. H. Davis, M. C. Forbes and Rev. C. M. Thompson was appointed to prepare subscription blanks for submission to another meeting this afternoon at 3:30 at the City Bank. It is planned to ask for 200 subscriptions of \$100 or more payable in five installments, one cash and the others in one, two, three and four years with interest bearing notes. This plan has been used in many places with great success. The committee's report will be submitted to the church tomorrow morning.

Other churches in the association will of course be asked to help, but the Hopkinsville First Baptist Church will take the lead. Outsiders also will be gladly received as contributors.

A Voter at Last.

Aunt Spinstery—I hope that your opinions uphold the dignity of our sex, Mamie, and that you believe that every woman should have a vote?

Mamie—I don't go quite so far as that, auntie; but I believe that every woman should have a voter!—McCall's Magazine.

Being Used For Putting In Big Sewer.

The Meacham Contracting Co., who are building the Tenth street sewer, are pushing the work rapidly now, using a concrete mixer for putting in the concrete. A section of 50 feet was put in yesterday and the block between Main and Water will be finished next week. The sewer is fourteen feet below the surface at the deepest place and but little stone has been struck so far.

Misses Louise Jones and Maggie Ellis will leave today for New York. Miss Ellis will sail for England next week, to visit friends at Oxford.

ANOTHER FIRE

At McLean College But This Time It Was Put Out.

A small fire Thursday night again caused slight damage to McLean College. It originated in the basement of the Boys' Dormitory on Seventh Street. This building is at the foot of College hill and the department quickly extinguished the fire, confining the damage to a hole in the floor above. The school was not interfered with yesterday.

Overlooked.

We wish to make some mark in life. We turn to the distant and far away, when, indeed, the things for us, the things to make our marks upon, the things to do with, grow by, to let us into the desired happiness are the little ones lying just here about our daily path—the overlooked things next to us.—J. F. Ware.

AVERAGE VALUE

Of Christian County Lands Less Than \$15 an Acre.

The total tax assessment for Christian county, in 1912, according to Assessor L. J. Harris' recapitulation, is \$11,704,505. There are 423,913 acres of land, valued at \$6,141,955 and 3,332 town lots, worth \$3,156,495. The county raises 9,031,751 pounds of tobacco, 731,252 bushels of corn, 580,106 bushels of wheat, 15,507 tons of hay, and 875 bushels of oats. There are 8,347 males over 21 years of age in the county, 2,161 dogs over four months old. There is an increase of about \$40,000 in the general assessment, but personality shows a considerable decrease. The tobacco assessment falls short nearly 4,000,000 pounds. The city of Hopkinsville pays about one third of the county's taxes.
