

Resolutions of Respect.

We have again been reminded of the fact, "this world is not our abiding home," that life is uncertain, the middle-aged may die.

In the prime of life, Bro. J. B. Walker died March 13th, 1913. He had been a member of Church Hill Grange about thirty years and had filled the most important office of Grange very creditably and had been a very active and zealous member, seldom missing a meeting. He was one of the committee to select the first volumes in our library and took an active part in securing funds for paying for same.

We will not speak of his many traits of character, as the Hopkinsville papers in announcing his death gave a synopsis of them.

A useful and prominent member of our order has passed away.

Therefore resolved, That in the death of Bro. Walker, this grange has lost one of its most useful members, this community a good neighbor, his family a devoted husband and father.

Resolved, That these resolutions be spread on the records of the Grange and a copy be sent to the bereaved family.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Bible Class Banquet.

Dr. Calvin H. Thompson, pastor of the First Baptist church, is one of the hardest working ministers the congregation has ever had. He not only preaches two sermons regularly every week, attends to all his pastoral duties faithfully, but in addition does a great work among the young people of the church. Added to all these duties he has charge of a young mens' Bible class of 50 members. Last Friday night the class enjoyed a banquet. It was a grand evening with the class and none present enjoyed it more than Mr. Thompson, their faithful and ever busy teacher.

Kitty League.

The Louisville Times of Friday said that Guy Long and Lester Corneil, two Louisville boys, had signed to play with the Mogus during the coming season. They played in the Bluegrass league last year. Manager Kalkoff was here a few days since and from the way he expressed himself he knows enough about available material to select a team without having to place on the payroll a lot of men to be tried out. So far we have heard of but few of last year's men being considered.
