TRADE AT HOME

Spend money at home and profit by it. Time is money and saving of time is buying at home instead of sending to the mail order houses in Chicago and New York, tying up your money for this unnecessary length of time and the difference in the parcel post charges assures you an additional saving.

Our Guarantee: Advertisers who have announced in this page will give full and complete satisfaction when you purchase from them. Get the "Phone habit" and save time, steps and labor.
