CHINESE GODS

To Be Shown In The Baptist
Sunday Schools of This As-
sociation on March 26.

The Baptist Sunday school superintendents in the Association, and throughout the South, have each received from the Baptist Sunday School Board of Nashville, Tennessee, a real Chinese idol, brought from Shanghai, China, and a real hand-painted Ancestral Tablet from Japan.

In addition to the above, the real money which is burned in China as an offering to their gods has been sent to all superintendents who have applied for the same.

A most interesting poster which sets forth American idolatry under its popular forms of the worship of money and the worship of pleasure has been provided.

It has required six months for a special committee to gather this and other material from China, Japan and elsewhere to prepare a suitable program and distribute the same to 18,000 Sunday schools for use on Missionary Day in the Sunday schools March 26, 1916.

This material for idolatrous worship has been placed in the hands of the Sunday school superintendents, not that they may teach the Baptists of the South to worship idols, but that they may show clearly and forcibly to all who are present at their Sunday schools on March 26 the utter failure of idolatrous worship to accomplish the salvation of a human soul.

An attractive program has been prepared in which different forms of heathen worship which is used in China and Japan before these gods and tablets will be acted out before the Sunday schools.

Wherever this program is featured it is expected that an unusually large attendance will be present. Fully 1,500,000 will attend the Baptist Sunday schools of the South on March 26. To give unity to the entire day many pastors will preach upon the same theme as that set forth in the program for the Sunday school. The educational value of such an occasion can hardly be estimated.

It is confidently expected that Southern Baptists will contribute for the current support of Home and Foreign Missions on March 26 not less than \$150,000. On a similar occasion last year individual schools gave from a few dollars to over \$2,000.

The Baptist Sunday schools of this Association and throughout the South will make this the greatest day for mission education, prayer and giving ever known among them.

For Your Child's Cough.

If your child has a cold, nose runs or coughs much get a small bottle of Dr. Bell's Pine-Tar-Honey. Its pleasant Pine-Tar-Honey syrup, just what children like and just the medicine to both the cough and check the cold. After taking, children stop sneezing, sleep good and are soon entirely well. Insist on Dr. Bell's Pine-Tar-Honey. 25c. at your Druggist.—Advertisement.

Little Bedtime Story.

Peter Rabbit watched in considerable amazement the antics of Titus Tumblebug, who was rolling his ball along a rut, clinging on and going over with it, and then letting it roll over him. "Are you doing that for fun?" questioned Peter, "or have you the hallucination that you are a joy-riding motorist, compelled to turn turtle every time you get a chance?"—Kansas City Star.

NOTICE!

Notice is hereby given that a petition has been filed in the Christian County Court to open a road, 30 feet wide and about one and one-half miles long, beginning at the Howell pike and passing over what is now a 30 foot road belonging to Luther Wolfe and thence over the land of Luther Wolfe to the Dover road, near Herndon. The Court will on Saturday, the first day of April, take some action in the matter.

Poetic Name for Rainbow.
The ancient Greeks called the rainbow "The Scarf of Iris." Iris, in their mythology, was the attendant of Jupiter, always represented as being exceedingly beautiful.

Colds Quickly Relieved.

Many people cough and cough—through the beginning of Fall right through to Spring. Others get cold after cold. Take Dr. King's New Discovery and you will get almost immediate relief. It checks your cold, stops the sneezing, rasping, tissue-tearing cough, heals the inflammation, soothes the raw tubes. Easy to take, safe and healthy. Get a bottle of Dr. King's New Discovery and keep it in the house. It is certainly a great medicine and I keep a bottle of it continually on hand. writes W. C. Jessemann, Francis N. H. Money back if not satisfied but it nearly always helps.—Advertisement.

Voice of Envy.

When you've been walking all day and your feet hurt, some people in automobiles can look and do look deviously, arrogantly comfortable.—Chicago Journal.

THE THRICE-A-WEEK EDITION OF THE NEW YORK WORLD

Practically a Daily at the Price of a Weekly. No other Newspaper in the world gives so much at so low a price.

There never has been a time when a newspaper was more needed in the household. The great war in Europe has now entered its second year, with no promise of an end for a long time. These are world-shaking events, in which the United States, willing or unwilling, has been compelled to take a part. No intelligent person can ignore such issues. The Presidential contest also will soon be at hand. Already candidates for the nomination are in the field, and the campaign owing to the extraordinary character of the times will be of supreme interest. No other newspaper will inform you with the promptness and cheapness of the Thrice-A-Week edition of the New York World.

THE THRICE-A-WEEK WORLD'S regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and the Hopkinsville Kentuckian together one year for \$2.65. The regular subscription price of the two papers is \$3.00.

China Book Ends.

Book ends are always interesting, and unusual ones are sought after as gifts for all occasions. There is a new set in china which is particularly pretty. The design shows one book lying flat, its covers of dark gray, with yellow edged leaves, and another book standing upright on the lower book, is partly open. The ends are quite heavy enough for all purposes, and the coloring of the china is particularly attractive.

WALTER KELLY & CO.

A Missionary at Home.
I never have any time now except in the afternoon, when my energies run rather low from the exertions of the morning. In the evenings my room will be full of people—women and the schoolboys—who come to talk with me or to sit quietly in the pleasant lighted room. I sit and sew in my steamer chair, and all the time, my dears, there is the effort to pass the barriers of kind. We were talking so last night—about the common uses of life—when a certain young fellow who had been listening with a sad attention, leaned his head on his hand with a kind of sad weariness and said directly to me, across the heads of the others and the current of our talk—across my effort and his effort—"How we differ!" I cannot tell you how much there was of balked endeavor and of relinquishment in his eyes; because, you see—and he saw, better than you can—the difference is so much to his disadvantage.—Baltimore American.
