

AS TIME GOES ON

We are more thoroughly convinced than ever before that **FORBES' SIX BIG FREE CONTESTS** are going to be the closest finish of the year.

We don't believe there is any single person who has the right to lay claim to any one of these **SIX BIG FREE PRIZES**. Some may think they have things going their way, but just wait until Aug. 12th rolls around and the votes are counted and those who have failed to keep at work are going to be sorry they didn't hustle a little bit more.

Now Is The Time

to put in the good work. Keep right after the votes and don't let an opportunity go by without soliciting your friends to help you to win.

REMEMBER THE RACE

— OF THE —

SNAIL AND THE HARE

The hare had everything going his own way so he thought he would just lie down and take himself a nap, but the poor fellow slept too long. Mr. Snail kept plugging, passed the hare while he slept and won the race.

Now don't go to sleep and let the other fellow get ahead of you. Keep your eyes open, get up steam to the popping off point and keep your throttle wide open. That's the way Barney Oldfield wins his races.

Have You Seen YOUR FRIENDS?

Call them up on the phone; write them a letter, or better still, go to see them in person; tell them you are working to win one of **FORBES' SIX BIG FREE PRIZES** and ask them — TO —

HORSE SHOW

At Morganfield— Preparations Made to Entertain a Large Crowd.

Morganfield, Ky., May 31.—Indications are favorable for a big crowd at the second annual horse show to be held here today. Farmers are beginning to catch up with their work and it is expected there will be a large crowd here for the show, which will be held on Main street.

One of the features of the big show will be some fine music by the Concert band, of Henderson. This band with twenty pieces is recognized as one of the strongest and best musical organizations in this section of the state.

The first show held here last year was a success in every particular, and the indications are much more favorable for a larger crowd this year than last. Besides there will be more stock entered for the show this year.

Roads are fine and people can come in automobiles, buggies and wagons as well as by rail. In addition to a big barbecued dinner there will be dinners served by a number of the ladies' organizations.

TRICE LOTS

Will Be Sold at Ten O'clock This Morning.

The sale of 40 lots in the John B. Trice addition on South Main street has been well advertised and the lots are expected to bring fancy prices at 10 o'clock this morning. Free conveyances will be furnished from the business part of the city to the addition.

TUESDAY'S GAMES.

Madisonville 3-2; Clarksville 2-5.
Henderson 3-7; Dawson 1-1.
Owensboro 3; Hopkinsville 2.

Henderson begins a series of three games here to-day.

Several new players will join the local team to-day. Malone, a first baseman, arrived yesterday. Holland, a fielder, and two college boys from Georgetown will be here in time for the series of games this week.

AT OWENSBORO.

The Inquirer has these comments on the Monday game:

Hopkinsville failed to hit in the pinches yesterday and played a loose game on the bases. Several times they were caught flat footed off the bags. Means, in left field for the Hoppers, proved the real sensation of the day when he backed up against the fence and then jumped to catch Halliday's near home run.

Renniger, the Terre Haute boy, who tried out with the Owensboro club, has been signed by Manager Coleman of the Hopkinsville squad. Renniger is a lefthander and is a fair hitter. He will be given his initial try out with that club this afternoon in centerfield.

Garret, who tried out with Owensboro and released on account of a bad ankle, has recovered and has signed with Hopkinsville. He will probably be seen at third for the visitors in the rest of the games of the series here.

James fled out to Lostutter in the sixth with one down, and the man on first started running for all he was worth. Lostutter shot the ball to Halliday for a double. This was just one of the bone-headed base running stunts for the visitors.

For the fifth time in two years John Engelsberg proprietor of a cabaret in Panama City, has come to New York for more cabaret girls. Owing to the scarcity of girls on the isthmus and the attractiveness of the singers none of the four previous assortments have remained true to their art, and single for more than six months.

KNOWLEDGE

Of Carving and Plumbing Essential to Joyous Wedlock.

In the June Woman's Home Companion a writer thoroughly trained in a domestic way says:

"We hear all the time about homes being wrecked by the inability of women to keep house; just as many have been wrecked by the inability of the man. A young man at the mercy of his plumber, and who wields a carving knife as if it were a clam hoe isn't fit for marriage."

PURELY PERSONAL.

Rev. C. M. Thomson, pastor of the First Baptist Church, delivered the class address to the graduating class of the John B. Atkinson Memorial School at Earlington, Tuesday evening.

Robert Cooper has returned from New York, where he has been completing his violin studies.

James D. Russell, Jr., of Cushing, Okla., is visiting his father, James D. Russell, Sr.

Dr. G. P. Isbell went to Morganfield yesterday to judge the Union County Horse Show.

Henry H. Perkins has returned from Pensacola, Fla., where he spent about two months.

Judge W. T. Fowier has returned from a two weeks' visit to Florida.

Dr. Feirstein has returned from a four months' tour of the West.

Mrs. A. B. Anderson, of Nashville, is visiting her parents, Mr. and Mrs. Geo. E. Gary.

Mr. and Mrs. Jameson McPherson, of Louisville, are visiting Mr. and Mrs. J. E. McPherson.

Goat's Time Honored Calling.

In Farm and Fireside is an essay on the goat which says among other things:

"The goat is a great aid in keeping tin cans, brickbats, scrap iron and other such rubbish from accumulating around the farm, as he eats all of these things as fast as they appear, and he would be a great success in this way if he wasn't so ambitious. But the goat is ambitious, and he keeps branching out and increasing his capacity and diet until he takes in the harness and buggy cushions and machinery and carpets and the knobs off the door. He can strip a long line of clothes faster than the best laundryman in the business."

Auto Races.

Dario Resta, in a French car, won the 300-mile automobile race at Indianapolis Tuesday. His time was 3:36:10.82, an average of 83.26 miles an hour. William d'Alene, in an American machine, was second, and Ralph Mulford, in a French car, was third. Jack LeCain probably will die as a result of injuries received when his car turned over.
