

THE RECEPTION

Given our distilled water was beyond our expectation, but it only shows that the people of Hopkinsville are wide awake and quickly recognize a good thing when they see it. They realize that the satisfaction of knowing their water is ABSOLUTELY PURE is worth a great deal more than the small cost of the water. The very first order we received was from one of the leading physicians of our city and a number of other physicians have also ordered it, showing how highly they regard it. Isn't their opinion and example worthy of your consideration?

Our Prices are, One gallon 10c. Three gallons, Crate, 25c. Five gallons, Crate or bottle, 35c.

Order a bottle today and see how much better it is than the water you are now using.

Climate and Speech.
It is a curious suggestion that a country's speech may be dependent on the average of the temperature in that country. Yet such a suggestion has been seriously offered by a distinguished British scientist who has been engaged in research in Tibet. He ascribes the excessive use of consonants in the speech of Tibet to the intense cold that prevails in that land. A peculiarity of the language of the Tibetans, in common with that of the Russians and most arctic regions, is the existence of remarkably few vowels in their words and an extraordinary large number of consonants. Indeed, this authority points out, so full of consonants are the Tibetan words, that most of them could be articulated with almost semiclosed mouth, a circumstance that evidently proceeds from the enforced necessity in that region of keeping one's lips closed as far as possible against the cutting cold when speaking.

What Simplified Spelling Does.
The simplified spelling board has headquarters at 1 Madison avenue, New York city. The board has for its object the promotion of the gradual and progressive simplification of English spelling by omitting silent letters, and following the simpler rather than the more complex of the present analogies.

Unchangeable.

Not a Biblical Term.
The terms "major and minor prophecies" do not occur in the Bible but have been used for convenience in classifying them. According to this classification the major prophecies are those of Isaiah, Jeremiah, Ezekiel and Daniel, and the minor ones are Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zachariah and Malachi. The distinction between major and minor relates to the size of the books.

New Use for Peanuts.
Here is a new use for peanuts. Says a doctor: "Eat a handful of peanuts before retiring—they quiet the nerves of the stomach." What do you think about that? Isn't that a rather interesting sleeping potion? Then we are also to eat them after each meal as an aid to digestion, provided they are fresh roasted. "Bought salted peanuts are good, but home-made ones are better. So easily prepared, it is a wonder more people do not try them."

Clear Skin Comes From Within
It is foolish to think you can gain a good clear complexion by the use of face powder. Get at the root of the trouble and thoroughly cleanse the system with a treatment of Dr. King's New Life Pills. Gentle and mild in action, do not gripe, yet they relieve the liver by their action on the bowels. Good for young, adults and aged. Go after a clear complexion to-day. 25c. at your druggist.—Advertisement.

WAR! What Is It All About?

HAS the whole world gone stark mad over a very foolish and trivial question? Are swords rattling, cannon rumbling, mailed armour glistening just because Russia wanted to show her love for the little brother—Serbia? Tear aside the curtain of Europe's politics and see the grim and sinister game of chess that is being played. See upon what a slim, yet desperate, excuse the sacred lives of millions are being sacrificed. Read the history of the past one hundred years, as written by some of the greatest authorities the world has ever known, and learn the naked, shameful truth. Just to get you started as a Review of Reviews subscriber, we make you this extraordinary offer. We will give to you

FREE—"Europe at War"

A big book and over 300 pages, size 10 x 7 inches, handsomely and durably bound in cloth, containing the dramatic history of the great events leading up to the present time; over 50 important and timely special articles by experts on the different phases of the conflict; hundreds of graphic pictures, portraits, photographs, diagrams, specially drawn war maps, illuminating statistical records, copies of official documents and diplomatic messages exchanged between the powers—a clear, vivid, accurate, permanent, interesting and valuable record—a record which once seen you will not willingly be without. Europe's past and present are here dramatically pictured and presented. Hundreds of illustrations graphically tell their own stories. More fascinating than any romance, here is a history so vivid, so dramatic, so stirring, so fascinating, so realistic, so wonderfully presented, so thrillingly told that it leaves an ineffaceable impression.
