

**MOTHER LOVE AIDS SON IN TRENCHES**

**It Brings Relief To Boy Standing His Watch Deep In Mud.**

Once upon a time, only a few months after this terrible world war had begun, Private Bailey, a soldier in the ranks had stood for days in the trenches "somewhere in France." The cold rains soaked him to the skin; the mud was deep. He had had no rest. Weary and aching with rheumatic pains, he recalled the faith his mother had in Sloan's Liniment. He asked for it in his next letter home. A large bottle was immediately sent him and a few applications killed the pain, once more he was able to stand the severe exposure. He shared this wonderful muscle-soother with his comrades, and they all agreed it was the greatest "reinforcement" that had ever come to their rescue. At your druggist, 25c., 50c. and \$1.00 a bottle.

Mrs. Mary Frances Short, of Missouri, died suddenly Sunday at the home of her sister, Mrs. Long, on O'Neal avenue. Valvular heart trouble was the cause of death. Mrs. Short came here just a week before, to visit her sister. She was 62 years old and leaves a husband.

Mr. Short was at once notified of the sudden taking off of his wife, but, on account of his enfeebled condition, he was unable to come to Hopkinsville to attend the burial, which took place in Riverside cemetery.

**"Vaporize" Croup or Cold Troubles**

Vapor treatments for cold troubles are better than internal medicines, as the vapors carry the medication direct to the lungs and air passages without disturbing the stomach. When Vick's "Vap-O-Rub" Salve is applied over the throat and chest, these vapors, released by the heat of the body, are inhaled with each breath. 25c. to \$1.00.
