

## EDITORIAL COMMENT.

Champ Clark spoke at Greenville Monday.

Welcome to the Pearl City of the Pennyroyal.

Good morning, doctor. If you don't see what you want, ask for it.

The new boosters who made good were J. T. Wall, L. K. Wood and John Stites.

If you don't know him, call him doctor. You'll make no mistake. They are all here.

Bread by the pound is the next move. Louisville has made a city contract at \$3.85 per 100 pounds.

Two or three school houses were passed where the children were lined up on the roadside to see the boosters go by.

Lucian H. Davis was yesterday elected Grand Chancellor of the K. P. Grand Lodge in session at Bowling Green.

Democratic women at Denver met the "skirt special" touring the West for Hughes with a counter demonstration for Wilson.

"Native Sons" did a good deal of the boosting Tuesday—C. R. Clark and Chas. M. Meacham at Gracey, J. T. Wall at Wallonia, L. K. Wood at Hopson's, M. E. Bacon and others at Cadiz and Morgan Boyd at Canton.

## HUGHES IS DESPERATE

### Repudiates the Support of the Hyphenates and Proclaims His Loyalty.

New York, Oct. 25.—Charles E. Hughes last night told an audience that crowded Schutzen park hall in Queensborough, that he did not want the support of "any one who has any interest superior to that of the United States who would not instantly champion the right and interest of America against any country whatever, who wants immunity for foreign aggression or who would have the power of this nation held captive to any foreign influence or swerved by alien machinations."

## PREACHING

### At First Presbyterian Church Next Sunday.

Dr. Cheek is a preacher of more than ordinary ability and those who go to hear him will be well repaid. Everybody is most cordially invited.

## SOCIALIST SPOKE IN NASHVILLE.

Tefteller, of Hopkinsville, Ky., once representative of the populist party in the Texas legislature, and candidate for state senator on the socialist ticket from Memphis, and now candidate for Congress from the Second district on the socialist ticket, will speak tonight at Myrtle hall, 407 1/2 Union street.

Mr. Tefteller was a minister of the Presbyterian church. He is a splendid orator. His physiognomy and personality are said to give great resemblance to Abraham Lincoln. The lecture is free and the public is invited.—Tennessean.

## Public Invited.

F. C. Brown, of Owensboro, will deliver an address at the Church Hill Grange hall tomorrow (Friday) afternoon at 1:30 o'clock. Everybody is invited and members of the grange are especially urged to attend.

## BOOSTERS' THIRD TRIP BIG SUCCESS

### Visit Towns In Trigg and Caldwell Counties With Sixty in Party.

### BIG GREETING AT CADIZ

### More Than 1,200 People Attended The Various Meeting Held.

#### THE ATTENDANCE.

Gracey	100
Cerulean	350
Wallonia	100
Cobb	75
Otter Pond	25
Hopson's Store	150
Cadiz	400
Canton	50
Total	1,250

With perfect weather conditions prevailing, the Boosters made their Western trip Tuesday, 60 strong, in 17 automobiles. The start was somewhat delayed, as hasty provision had to be made for some additional cars.

The party got away shortly after 7:30 via the Julien pike and passed Julian too early for the people to meet the Boosters. The stop here was cut out and 15 minutes gained. Gracey was reached only a little late and a good meeting was held here, with music by the orchestra and speeches by the two "natives"—Claude R. Clark and Chas. M. Meacham.

Cerulean Springs was reached almost on time, as the roads were found in good condition. A fine crowd was on hand and speeches were made by H. H. Abernathy, R. E. Cooper, L. E. Foster and Chas. M. Meacham. The whole party then partook of the hospitality of Mr. and Mrs. W. N. Stice, who assisted by a committee of ladies served hot coffee and tea cakes to the guests. Songs were sung and cheers given for the hosts, and the good people of Cerulean and a reluctant leave was taken a half hour behind the schedule time.

Wallonia was next reached and here there was a cordial reception. The school near by turned out, as had been done at Gracey and Cerulean.

Master of Ceremonies Clark introduced J. T. Wall as the man who put Wall in Wallonia, that being his native town, and the popular merchant made his debut as a booster orator in fine style. He was followed by James West, R. E. Cooper and L. E. Foster.

Cobb had a smaller crowd including a group of ladies, and a respectful hearing was given to the tobacco men who did the speaking there, Messrs. Cooper, Abernathy and West.

The delay of nearly an hour spoiled the meeting at Otter Pond. A crowd had been there at 10:55 but most of the people had gone to Harmony church near by, where a protracted meeting was in progress and nearly everybody in the neighborhood was at church. The only speech was made by Chas. M. Meacham, who expressed regret that the boosters had conflicted with a religious service and recalled the fact that his father had for many years been pastor of the Harmony church and that as a boy he had visited the neighborhood many times. It was a pleasure to be once more among his father's friends and traveling in the same car with L. K. Wood, a son of Chas. W. Wood, for a long time the clerk of the church and at whose house he had often been as a child.

Hopson Store, the next point in Caldwell county, gave a most cordial greeting. An address of welcome was given by W. O. Childress, a local orator, who proved to be an eloquent speaker. James West and L. K.

A committee composed of James West, R. E. Cooper and Frank K. ## CRUSHING OF RUMANIA IN DOBRUDJA

### Now The Object of The Teutonic Forces on Eastern Front.

### LOST GROUND AT VERDUN

### Rumanians Hard Pressed and 6,700 Prisoners Taken In Dobrudja.

London, Oct. 25.—Switching their offensive from the Somme region in France—possibly as a counter to the advance of the Teutonic allies in the Dobrudja region of Rumania—the French smashed the German line north and northeast of Verdun over a front of four and one-third miles, penetrating it along its entire length in the center gaining a distance of nearly two miles.

Preceded by a violent bombardment, such as marked the great attacks and counter-attacks during the days when Verdun was the focal point in world interest, the offensive was delivered approximately from the eastern banks of the Meuse river near Brest eastward of the Damloup battery.

When night fell, the village and fort of Douaumont in the center, were in the hands of the French while on their left wing the Frenchmen had pushed beyond Thiaumont and captured Haudromont quarry, and taken up position along the Bras-Douaumont to Damloup. More than 3,600 prisoners and quantities of war material were captured by the French.

In the Dobrudja region of Rumania, the Germans, Bulgarians and Turks are giving no rest to the Russians and Rumanians, who continue in retreat along the entire front from the Black sea to the Danube river, although at some points they are vigorously opposing the advance of the invaders.

Rachova on the river a short distance below Tchernavoda and Medjidie, on the railway midway between Tchernavoda and Constanza have fallen into the hands of the Teutonic allies. In the latter region cavalry is pursuing the retreating Russo-Rumanian forces well to the north of the railway line. More than 6,700 prisoners have been taken by Field Marshal von Mackensen.

Constantinople reports the operations of Turkish submarines in the Black sea off the Rumanian coast in the sinking of a 3,000 ton Rumanian transport and sailing supply ships bound for Constanza with provisions.

Predeal, to the southward of Kronstadt on the Transylvanian front has been captured by the Austro-Germans according to Berlin and the resistance of the Rumanians in the Rothenthurm pass south of Hermannstadt has been broken. Bucharest announces that in an attack along the entire Oltuz region the Rumanians captured several hundred prisoners and guns.

From the Baltic sea to the Carpathian mountains, a period of comparative calm has again set in.

Four British and four Norwegian steamers have been sunk by submarines or mines. The tonnage of the British steamers sank aggregated 12,291.
