

WITHOUT WARNING

Came the Death Summons to Mr. John Fulcher.

Was Sitting in a Chair When the Vital Chord Was Suddenly Snapped.

John Fulcher, an old and wealthy citizen, of near Fairview, died very suddenly yesterday at his home in the country. He was sitting in a chair when without warning he fell over and expired without a struggle. Death came so suddenly that it may be said that he literally dropped dead.

Mr. Fulcher was a very old man, not far from 80 years of age. He was wealthy and owned some fine farms in the vicinity of Fairview and also much other valuable property.

He was a married man but without children and his only heirs will be his aged wife, his brother Mr. Alex Fulcher, and other relatives. Several years ago he set apart one fine farm to become the property of his brother at his death and deeded it to him upon that condition.
