OUR SERVICE FLAG

WOOL NOT SCARCE.

Dr. S. W. McClure, of Salt Lake, the Secretary of the National Wool Growers Association says there is a potential supply of 1,155,000,000 pounds of wool to meet an expected consumption of 700,000,000 pounds during 1918.

Naturally wool is high in price and it must remain so during the war. The cost of producing wool has increased by leaps and bounds in the past two years, so that wool growers are in no better position than before the war.

Taking wool at the present price, an all-wool suit of clothing would contain only from \$4 to \$6 worth of wool. Taking a suit retailing at from \$30 to \$35, and if it is made of all new wool, the wool in it would only cost from \$4 to \$6.

NOW FOR WILSON.

Uphur Woodruff quotes one of the colored hands as saying: "I ain't no Democrat, Mr. Woodruff, but if President Wilson runs agin I'm gwine to vote for him."

Further details of the fighting around Selcheprey show that the American troops were outnumbered in some instances eight to one. More of the American wounded were found than of those who were killed.

TERRIBLY SWOLLEN

Suffering Described As Torture Relieved by Black-Draught.

Rossville, Ga.—Mrs. Kate Lee Able, of this place, writes: "My husband is an engineer, and once while lifting, he injured himself with a piece of heavy machinery, across the abdomen. He was so sore he could not bear to press on himself at all, on chest or abdomen. He weighed 165 lbs., and fell off until he weighed 110 lbs., in two weeks."

He became constipated and it looked like he would die. We had three different doctors, yet with all their medicine, his bowels failed to act. He would turn up a ten-cent bottle of castor oil, and drink it two or three days in succession. He did this yet without result.

I sent and bought Theford's Black-Draught. I made him take a big dose, and when it began to act he fainted, and was in such misery, but he got relief and began to mend at once. He got well, and we both feel he owes his life to Theford's Black-Draught."

Theford's Black-Draught will help you to keep fit, ready for the day's work. Try it! NC-131

Fifty American soldiers, most of whom have been wounded or gassed, have been brought to this country from France by order of President Wilson to take part in the Liberty Loan campaign, according to an announcement made by the military authorities. The party, comprising enlisted men representing all branches of the army and commanded by regimental color Sergeant John J. Hefferman, arrived here on a transport Monday night.

Sunday brought no material change in the situation along the entire front over that of Saturday and it is not evident that the Germans are prepared for the present to resume the offensive, which has cost them so dearly in men killed, wounded or made prisoners.

The Germans have been stripping the bodies of dead French soldiers in other sectors and wearing these clothes, have come over at that point where the French and American lines join. This method of attack was used during the attack on the Americans at Apremont forest two weeks ago.

Nothing new had come through yesterday either in the way of confirmation or denial of the reports in circulation Saturday that a counter-revolution had broken out in Petrograd and that Grand Duke Alexis Nikolaievitch had been proclaimed emperor of Russia.

The Evansville Democrat, which suspended as a German paper Sunday, intimated that it will soon appear as an English daily.

WORK WEARS ON THE KIDNEYS

Doan's Kidney Pills Have Done Great Service for People Who Work in Hopkinsville.

Many Hopkinsville people work every day in some strained, unnatural position—bending constantly over a desk—riding on jolting wagons or cars—doing laborious housework; lifting, reaching or pulling, or trying the back in a hundred and one other ways. All these strains tend to wear, weaken and injure the kidneys until they fall behind in their work of filtering the poisons from the blood. Doan's Kidney Pills are for weak kidneys and bad backs. Their effective work in Hopkinsville is convincing proof.

O. J. Willis, 223 Neal Ave., Hopkinsville, says: "Overstraining at my work caused my kidneys to become weak. My back ached dreadfully and I was so sore and lame, I could hardly lift anything or do any stooping over. My kidneys acted too freely and annoyed me day and night. I used Doan's Kidney Pills as directed and they went right to the spot, ridding me of the backaches and putting my kidneys in good order." 60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N.
