SIMPLE HOME RECIPE

Mix This Simple, Helpful Recipe at Home and try it Anyway.

Get from any prescription phar-
 macy the following:
 Fluid Extract Dandelion, one-half
 ounce; Compound Kargon, one ounce
 Compound Syrup Sarsaparilla, three
 ounces.

Shake well in a bottle and take a
 teaspoonful dose after each meal and
 at bedtime.

The above is considered by an emi-
 nent authority, who writes in a New
 York daily paper, as the finest pre-
 scription ever written to relieve Back-
 ache, Kidney Trouble, Weak bladder
 and all forms of Urinary difficulties.

Some persons who suffer with the
 afflictions may not feel inclined to
 place much confidence in this simple
 mixture, yet those who have tried it
 say the results are simply surprising,
 the relief being effected without the
 slightest injury to the stomach or
 other organs.

Mix some and give it a trial. It
 certainly comes highly recommended.
 It is the prescription of an eminent
 authority, whose entire reputation, it
 is said, was established by it.

A druggist here at home, when
 asked, stated that he could either supply
 the ingredients or mix the prescrip-
 tion for our readers, also recom-
 mends it as harmless.

Tobacco Tidings.

Election For County Committeemen.
 See page five of the Constitution
 and By-laws of the Stemming Dis-
 trict Tobacco Association. Article
 VII., Section covers the case. Here
 is that portion of the section that
 governs:

"And hereafter all meeting, by
 magisterial districts, for the election
 of representatives on the county
 boards shall be held at such times and
 places as may be determined by
 said county boards."

That is the law directing how elec-
 tions shall be provided whereat shall
 be chosen the committeemen in each
 county. And the law applies to
 every county in the district. But
 the several county boards are not re-
 quired to hold elections for the magis-
 trical committeemen on the same day
 Crittenden county might for instance
 hold her election in June, while Hen-
 derson county might wait until July.

And so with other counties—each
 county is the sole judge of the time
 for holding its election for magisterial
 committeemen. Provided—said elec-
 tion in every county be held prior
 to the first Saturday in August, an-
 nually, for on that day the newly-
 elected committeemen must, as pro-
 vided by the constitution, meet to or-
 ganize a County Board.

Last year the County Board of
 Henderson county met in the city of
 Henderson on the 11th day of May
 and named the fourth Saturday, the
 27th day of July following, whereon
 to elect county committeemen, and
 named the place in each district
 whereat the ballots were to be cast.

I trust the County Boards in each
 county will see the necessity for the
 prompt action in the premises.
 For with the members of the Asso-
 ciation is lodged all authority and
 the will of the members is registered
 thru the magisterial committeemen.

Here in Henderson county there
 seems to be a desire on the part of
 members with whom I have talked
 that the election should be held ear-
 lier than last year—say on the 1st
 Saturday in July. However that is
 a matter for the County Board to de-
 cide.

Chairman George Campbell will is-
 sue a call in a few days for the meet-
 ing of the County Board of Hender-
 son county to take action in naming
 time and places for holding said elec-
 tion.

THE LIVERPOOL END OF IT.

I learn that no announcement was
 made, as had been promised, in Eng-
 land, selling the import duty on to-
 bacco for the current. The publica-
 tion was, it seems, postponed until
 this week. After the publication
 it is in order to expect good news
 from Manager Elliott. It will be re-
 membered he was confident he would
 be able to close out the remaining
 four factories of the 1906 tobacco af-
 ter the publication of the budget en-
 suing twelve months. From the
 best information obtainable I have
 very serious doubts if any reduction
 will be made in the present duties.
 Nevertheless a decision one way or
 the other will bring things to a head
 —and that decision cannot be post-
 poned longer than a few days now.

Tired nerves, with that no ambition
 feeling that is commonly felt in the
 spring or early summer, can be easily
 and quickly altered by taking what is
 known to druggists everywhere as Dr.
 Shoop's Restorative. One will abso-
 lutely note a changed feeling within
 48 hours after beginning to take the Re-
 storative. The bowels get sluggish in
 the winter-time, the circulation often
 slows up, the kidneys are enactive, and
 even the heart in many cases grow de-
 cidedly weaker. Dr. Shoop's Restora-
 tive is recognized everywhere as a genu-
 ine tonic to these vital organs. It
 builds up and strengthens the worn-out
 weakened nerves; it sharpens the fail-
 ing appetite, and universally aids diges-
 tion. It always quickly brings renewed
 strength, life, vigor, and ambition.
 Try it and be convinced. Sold by Jas.

A New Preparation.

Chamberlain's Liriment is a new pre-
 paration and a good one. It is espe-
 cially valuable as a cure for chronic and
 muscular rheumatism, and for the re-
 lief from pain which it affords in acute
 inflammatory rheumatism. Those who
 have used it have invariably spoken of
 it in the highest terms of praise.
 Lame back, lame shoulder, and stiff
 neck are due to rheumatism of the
 muscles, usually brought on by expos-
 ure to cold or damp, and are quickly
 cured by applying this liniment freely
 and massaging the affected parts.
 Soreness of the muscles, whether in-
 duced by violent exercise or injury, is
 allayed by this liniment. For sale by
 J. H. Orme.
