

Pain in Heart

For two years I had pain in my heart, back and left side. Could not draw a deep breath or lie on left side, and any little exertion would cause palpitation. Under advice I took Dr. Miles' Heart Remedy and Nervine. I took about thirteen bottles, am in better health than I ever was, and have gained 14 pounds."

MRS. LILLIE THOMAS, Upper Sandusky, Ohio.

For many years Dr. Miles' Heart Remedy has been very successful in the treatment of heart troubles, because of its tonic effect upon the heart nerves and muscles. Even in severe cases of long standing it has frequently prolonged life for many years after doctors had given up all hope, as proven by the records of letters we have received from grateful people.

Dr. Miles' Heart Remedy is sold by all druggists. If the first bottle fails to bring your druggist will return your money.

FAMOUS PEOPLE

FLORENCE NIGHTINGALE

The Angel of the Crimea

In her home in the West End of London, passing the days of the late Autumn of her life in an invalid chair, lives a white-haired, sweet-faced, kindly-voiced noble woman, whom the world knows as Florence Nightingale. Born in 1820 in Florence, Italy, the daughter of a wealthy Englishman, under his loving tutelage she mastered the classics and literature, became a good musician and learned several languages.

She had a genius for helpfulness, a consecration to humanity that found expression in sweet ministrations of love and care of the sick and suffering. In nursing she saw a noble career for women and in 1849 went to a Protestant school for nurses, on the Rhine. On her return to England she assumed management of a sanitarium for invalid governesses. In 1854 England was roused to a white heat of indignation by the revelations of the horrors of the hospital service of the Crimea. Government incompetency, imbecile red tape, rascally dishonest and criminal neglect in treating the sick and wounded soldiers made mere war itself a paradise of mercy by contrast. Dante's Inferno seemed a mild bit of imagination in the face of the real horrors at Scutari, with four miles of beds huddled in one three-story house.

Florence Nightingale volunteered to lead a band of women to transform the hospitals in the name of humanity, and in November, 1854, with thirty-eight nurses she reached Scutari. Her magic touch brought order out of chaos; the sunshine, sweetness and soothing peace of woman's work filled the rooms; the ghastly mortality was reduced to a minimum; soldiers wounded and dying kissed the shadow of the angel of the Crimea as it fell across their counterpanes or reverently touched the hem of her garment as she passed near them. Often for twenty hours at a stretch she stood giving her orders—the noble leader of her little army of peace; and her kindness, wisdom, sweetness, energy, influence and inspiration seemed inexhaustible.

For two years she kept up the fight and with health impaired returned to England, shunning all publicity. The 450,000 testimonial tendered her by the people, she refused, but finally accepted to found a training school for nurses. By penny subscriptions the soldiers secured enough to erect a statue to her memory, but this, too, she rejected. For nearly fifty years she has been an invalid, and yet this "Grand Old Woman of England," at the age of eighty-seven is still serene, sweet, helpful and contented, with a name that will be hallowed as long as the British army and the British nation shall endure.

Installed Officers.

Shady Grove, Ky., Jan. 13, 1910 Dear Editor of Record-Press:

Marion, Ky.

Dear Sir:—Please allow me a small space in your valuable paper to thank the good people of Shady Grove for the kindness shown us at our Woodman dinner January 7, 1910, was a great Banner Day at Shady Grove, Ky. Being Woodman day to install their officers amidst the deep snow, there was a large crowd present. We met at the hall in regular session at 10 o'clock a. m., attended to regular business and at 12 o'clock w. We marched to W. S. Birchfield's where Mrs. Birchfield had a sumptuous dinner waiting, where everything that heart could wish for was served.

The hostess is one of the best cooks that the country affords. Neighbor Birchfield is the Granddaddy of our lodge and he is the best M. W. A. in it. If we had more like him and his good wife we would have a better world. After partaking of all the good things we marched back to the hall, reopened our lodge and installed the officers for the ensuing year. They are:

After attending to some legal business we adjourned to meet Friday night Jan. 21, when we hope to have a large crowd of visiting neighbors. We enjoy a large crowd with us. We returned to Mr. Birchfield's with him for supper and departed for our homes wondering if 100 hundred more would meet next January at a like love feast. Wish ing all a Happy New Year I remain a neighbor of Shady Grove Camp No 12422.

SAVED AT DEATH'S DOOR.

The door of death seemed ready to open for Murray W. Ayers, of Transit Bridge N. Y., when his life was wonderfully saved. "I was in a dreadful condition," he writes, "my skin was almost yellow; eyes sunken; emaciated from losing 40 pounds, growing weaker daily. Virulent liver trouble pulling me down to death in spite of doctors. Then that matchless medicine Electric Bitters cured me. I regained the 40 pounds lost and now am well and strong."

For all stomach, liver and kidney troubles they're supreme. 50c at J. E. Orm's, Marion, Kp.

Liver Trouble Remedy Free

Any intelligent person can be his own doctor in the ordinary case of liver trouble, for the symptoms can not be mistaken. If the white of the eye becomes yellowish, if the skin becomes sallow, if pimples and blotches appear, if the bowels do not move, if you have sick headache, if you are bilious, you may be sure that your liver is torpid or inactive.

The quickest and surest remedy yet found for the cure of liver trouble or any of its symptoms is Dr. Caldwell's Syrup Pepsin, the great herb laxative compound. This wonderful remedy is not only a laxative, but a tonic as well. It will start the bowels of staid men, thereby soon enabling the liver to do its work naturally. A bottle of this great liver remedy can be bought of any druggist for 50 cents or \$1, and in many cases a single bottle has cured a chronic case.

For example, John W. Lee, 815 S. Pennsylvania ave., Indianapolis, Ind., had a stubborn and very long-standing case of liver trouble, with pimples, blotches, jaundice, etc., and it cured him. Mrs. B. Finchum, Jackson, Ky., says the same of it. Thousands of families keep it in the house against just such an emergency, as you can never tell when some member of the family will need a good laxative.

In order to have you or any other sufferer from the liver make a test of Dr. Caldwell's Syrup Pepsin without personal expense, Dr. Caldwell will send you a free test bottle if you will send your name and address. The sample will show you how pleasant it is to take, how gently it works. It will start you on the cure of your trouble and convince you that you have found a cure. That is the object of the sample, and the doctor urges you to send for it today.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell bldg., Monticello, Ill.
