

Pain in Heart

For two years I had pain in my heart, back and left side. Could not draw a deep breath on left side, and any little exertion would cause palpitation. Under advice I took Dr. Miles' Heart Remedy and Nervine. I took about thirteen bottles, am in better health than I ever was, and have gained 14 pounds."

MRS. LILLIE THOMAS, Upper Sandusky, Ohio.

For many years Dr. Miles' Heart Remedy has been very successful in the treatment of heart troubles, because of its tonic effect upon the heart nerves and muscles. Even in severe cases of long standing it has frequently prolonged life for many years after doctors had given up all hope, as proven by thousands of letters we have received from grateful people.

Dr. Miles' Heart Remedy is sold by all druggists. If the first bottle fails to benefit, your druggist will return your money.

HOW TO TELL A FRESH EGG

Dr. Wiley Communicates the Secret to Congressmen.

Washington, Jan. 27.—It is easily possible to tell the difference between a fresh egg and a cold storage egg without breaking the shell, and dealers in the district of Columbia who sell stored eggs for "strictly fresh" ones may be prosecuted and convicted, according to statements today of Dr. Harvey W. Wiley, the government's chief chemist, at the "high cost of living" hearing being conducted by a house sub-committee.

Dr. Wiley brought with him a large number of fresh and also some of the cold storage variety. Dropping them into a large vessel of water containing 10 per cent salt solution, the fresh eggs immediately sank to the bottom and the refrigerated ones floated on the surface. When asked how he knew the eggs were fresh, Dr. Wiley replied that one of his inspectors had watched the hens lay them yesterday.

WANTED TO SELL.—I have for sale 2 mare mule colts, 6 and 18 months old. Address, J. B. Young, Route 2, Fredonia, Ky.

Why does Great Britain buy its oatmeal of us?

Certainly it seems like carrying coals to Newcastle to speak of exporting oatmeal to Scotland and yet, every year the Quaker Oats Company sends hundreds of thousands of cases of Quaker Oats to Great Britain and Europe.

The reason is simple; while the English and Scotch have for centuries eaten oatmeal in quantities and with a regularity that has made them the most rugged physically, and active mentally of all people, the American has been eating oatmeal and trying all the time to improve the methods of manufacture so that he might get that desirable foreign trade.

How well he has succeeded would be seen at a glance at the export reports on Quaker Oats. This brand is without a rival; it is packed in regular 10c packages, and in hermetically sealed tins for hot climates.

A LETTER FROM A SOLEIER.

Editor Record-Press:—With your permission I would like to say a few words.

I subscribed for your paper some time ago. I got my first copy to-day and it was like getting a letter from home to lay my eyes on your paper, as it was the first one I had seen in a long time. I was pleased to hear that everything was moving along so nice in old Kentucky. I have been in the U. S. cavalry a little over eighteen months. I like the army all O. K. But I had rather be in Old Kentucky than to be in Kansas.

They call Kansas the sunflower state, but I have another name for it I call it the big foot state for the people have feet like shoe boxes. If any of you boys ever does take on in the army, don't enlist for any post in Kansas.

Editor, I see you have made quite a mistake in my name, you have it Stallions instead of Shadowens, I would be pleased to have it changed. I see that the A. S. E. is still doing good, let us hope that she will keep up her good work in the future.

There is four troops of the 15th cavalry here and there is one hundred men to the troop and we all know each other like school mates. We have some good old times, but it is not as funny as some people might think ride post in a foot of snow these cold nights. Well as it is time for us to go and tie in our horses I will close and if this is published I will come again sometime in the future. Wishing you all good luck.

Yours truly, Erwin Shadowens.

Liver Trouble Remedy Free

Any intelligent person can be his own doctor in the ordinary case of liver trouble, for the symptoms cannot be mistaken. If the white of the eye becomes yellowish, if the skin becomes sallow, if pimples and blotches appear, if the bowels do not move, if you have sick headache, if you are bilious, you may be sure that your liver is torpid or inactive.

The quickest and surest remedy yet found for the cure of liver trouble or any of its symptoms is Dr. Caldwell's Syrup Pepsin, the great cathartic compound. This wonderful remedy is not only a laxative, but a tonic as well. It will start the flow of gastric juices, thereby soon enabling the liver to do its work naturally. A bottle of this great liver remedy can be bought at any druggist for 50 cents or \$1, and in many cases a single bottle has cured a chronic case.

For example, John W. Lee, 619 S. Pennsylvania Ave., Indianapolis, Ind., had a stubborn and very long-standing case of liver trouble, with pimples, blotches, jaundice, etc., and it cured him. Mrs. B. Finesham, Jackson, Ky., says the name of it. Thousands of families keep it in the house against just such an emergency, as you can never tell when some member of the family will need a good laxative.

In order to have you or any other sufferer from the liver make a test of Dr. Caldwell's Syrup Pepsin without personal expense, Dr. Caldwell will send you a free test bottle if you will send your name and address. The sample will show you how pleasantly it is taken, and how it works. It will start you on the cure of your trouble and convince you that you have found a cure. That is the object of the sample, and the doctor urges you to send for it today.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell Bldg., Monticello, Ill.
