For Sprains

Sloan's Liniment is the best remedy for sprains and bruises. It quiets the pain at once, and can be applied to the tenderest part without hurting because it doesn't need to be rubbed—all you have to do is lay it on lightly. It is a powerful preparation and penetrates instantly—relieves any inflammation and congestion, and reduces the swelling.

Here's the Proof.
Mr. L. ROLAND, Bishop of Scranton, Pa. says:—"On the 7th of this present month, as I was leaving the building at noon for lunch, I slipped and fell, spraining my wrist. I returned in the afternoon, and at four o'clock I could not hold a pencil in my hand. I returned home later and purchased a bottle of

Sloan's Liniment

and used it five or six times before I went to bed, and the next day I was able to go to work and use my hand as usual."

Sloan's Liniment is an excellent anti-septic and germ killer—heals cuts, burns, wounds and contusions, and will draw the poison from sting of poisonous insects.

Facing death from shot and shell in the civil war was more agreeable to J. A. Stone, of Kemp, Tex., than facing it from what doctors said was consumption. Pain in Heart

"For two years I had pain in my heart, back and left side. Could not draw a deep breath or lie on left side, and any little exertion would cause palpitation. Under advice I took Dr. Miles' Heart Remedy and Nerveine. I took about thirteen bottles, am in better health than I ever was, and have gained 14 pounds."

MRS. LILLIE THOMAS,
Upper Sandusky, Ohio.

For many years Dr. Miles' Heart Remedy has been very successful in the treatment of heart troubles, because of its tonic effect upon the heart nerves and muscles. Even in severe cases of long standing it has frequently prolonged life for many years after doctors had given up all hope, as proven by thousands of letters we have received from grateful people.

Dr. Miles' Heart Remedy is sold by all druggists. If the first bottle fails to benefit, your druggist will return your money.

LETTER FROM MONTREAL QUEBEC.

Written by Roy Woody--Thank You Mr. Woody Write Us Again--Your Letters are Appreciated.

Montreal, Que., Feb. 21st, 1910.

Dear Editor:—
If I was a good writer, I might be able to write a very interesting letter for the paper I so often think of, nevertheless I shall exercise my best ability in doing so.

On the 12th day of January this year I boarded a fast train in New Orleans for Montreal, Que., being aware of the fact that it would be a great climatic change too, but I found it a much greater one than I expected however it was a pleasant trip, as I had provided for changes as the climate would require.

The first snow I saw to speak of was on the mountains of Eastern Kentucky, but since seeing some of this country I hardly know if it is to speak of or not. Anyway a person can travel over a great deal of North America and I doubt if they will see much prettier scenery than there is to be seen along the Queen and Crescent Route through Kentucky. Well speaking of snow, it did not interfere with speed traveling until we left Detroit, Mich., for Montreal, inspite of the great plows attached, we were blocked for some 2 or 3 hours, after successfully ploughing through this we ran on into Montreal.

Here I found it only 15 degrees below zero and they said it wasn't cold but I though different. I stayed one week in that great city visiting the sports

carried on there and I think one of the greatest games I ever saw was played there "namely Hockey." I'll not try to describe the game defintely, but it was played on ice in a building, some 3,000 people witnessing same.

After my week there I bound myself for the old city of St. John, N. B., which is one of the oldest points in North America, here the tide rises to a greater height than anywhere. Crossing the bay of Fundy on a steamer, I experienced some real rough weather at sea, every old seaman dreads the Bay of Fundy. We landed at Digby, N. S., here I boarded a train for Yarmouth, N. S., the most southern point of the province. I got out of the Hotel at 9:30 and it was 10 o'clock before I attempted to go far, as the fog must have been as bad as it was when Washington crossed the Delaware.

Leaving Yarmouth on the Halifax South Western, winding around among bluffs of granite we finally arrived here (Halifax.) This place must be a city of holly and as I haven't seen any one wide awake enough yet to understand your first question, after "Beg your pardon" then question them plainly how for it is to some Pulp mill, they will say 10 minutes walk sir, allowance is made for climbing one hill and sliding down, for you sure won't walk down.

This is as far as I have gotten, but next month I travel Prince

CONVINCING PROOF OF THE VIRTUE OF Lydia E. Pinkham's Vegetable Compound

What is the use of procrastinating in the face of such evidence as the following letters represent? If you are a sick woman or know one who is, what sensible reason have you for not giving Lydia E. Pinkham's Vegetable Compound a trial? For 30 years we have been publishing such testimonial letters as these—thousands of them—they are genuine and honest, too, every one of them.

Mrs. S. J. Barbet says: "I think Lydia E. Pinkham's Vegetable Compound is the best medicine in the world for women—and I feel it my duty to let others know the good it has done for me. Three years ago I had a tumor or which the doctor said would have to be removed by an operation or I could not live more than a year, or two, at most. I wrote Mrs. Pinkham at Lynn, Mass., for advice, and took 14 bottles of Lydia E. Pinkham's Vegetable Compound, and today the tumor is gone and I am a perfectly well woman. I hope my testimonial will be of benefit to others."—Mrs. S. J. BARBET, Scott, N. Y.

Mrs. E. F. Hayes says: "I was under the doctor's treatment for a fibroid tumor. I suffered with pain, soreness, bloating, and could not walk or stand on my feet any length of time. I wrote to Mrs. Pinkham for advice, followed her directions and took Lydia E. Pinkham's Vegetable Compound. Today I am a well woman, the tumor was expelled and my whole system strengthened. I advise all women who are afflicted with tumors or female troubles to try Lydia E. Pinkham's Vegetable Compound."—Mrs. E. F. HAYES, 1200 Washington St., Boston, Mass.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. George May says: "No one knows what I have suffered from female troubles, neuralgia pains, and backache. My doctor said he could not give me anything to cure it. Through the advice of a friend I began to use Lydia E. Pinkham's Vegetable Compound, and the pain soon disappeared. I continued its use and am now in perfect health. Lydia E. Pinkham's Vegetable Compound has been a God-send to me as I believe I should have been in my grave if it had not been for Mrs. Pinkham's advice and Lydia E. Pinkham's Vegetable Compound."—Mrs. GEORGE MAY, 86 4th Ave., Paterson, N. J.

Mrs. W. K. Housh says: "I have been completely cured of a severe female trouble by Lydia E. Pinkham's Vegetable Compound, and want to recommend it to all suffering women."—Mrs. W. K. HOUSH, 7 Eastview Ave., Cincinnati, Ohio.

Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has cured many cases of female ills, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, etc.

Good News
"I write to tell you the good news that Cardui has helped me so much and I think it is just worth its weight in gold," writes Mrs. Maryan Marshall, of Woodstock, Ga. "I do hope and trust that ladies who are suffering as I did, will take Cardui, for it has been a God's blessing to me, and will certainly help every lady who is suffering."

Take CARDUI

The Woman's Tonic
No matter if you suffer from headache, backache pains in arms, shoulders and legs, dragging-down feelings, etc., or if you feel tired, weary, worn-out and generally miserable—Cardui will help you. Edward Island and in July will give Newfoundland a trial but without the presence of Peary I shall not go further I would say Cook but I am afraid I couldn't find him. Hoping this will find all the readers feeling fine and to those who wish a saw I will kindly advise them to buy a Simond.

Respectfully,
Roy H. Woody.
