## BOOSTERS TO ARRIVE THIS EVENING

Everything in Readiness to Welcome Them as Promoters of the Interests of Kentucky.

When the Booster train arrives this evening every citizen and business man of Marion will be at the depot to welcome them and so soon as the procession can be formed, will march up Depot street to Main, thence up Main street to the banquet hall on Salem street in Opera House block where a sumptuous spread has been prepared for them.

Rev. J. B. Adams will ask God to bless the occasion of their visit and Hon. Jno. W. Blue will be Master of Ceremonies.

The announced speakers for Marion on this occasion are: Mayor C. E. Weldon, Hon. W. A. Blackburn and Hon. John W. Blue. Mayor Weldon will deliver the welcome address, after which for a few hours he will turn the keys of the city over to the visitors.

Quite a number of short and interesting talks will be made by members of the Henderson Commercial Club. One of the most lengthy, on the great question of keeping our money within the bounds of our county and state. These gentlemen are not only out in the interest of Henderson, but ours as well, and from them we expect to learn the good and need of a well organized Commercial Club in every town. That it is the best means to go after trade and best of all hold it within the confines of county and state.

We do hope every citizen of Marion will avail himself of the opportunity to meet these, our friends and help in making their visit a truly pleasant one. It is to be remembered that both cities have furnished some of the greatest and most highly honored men of our great state and country and we mean for this to be a congenial meeting of men who are each proud of the high honors conferred on them by the greatest people in the world. Among the dead of Henderson's honored sons are Powells, Dixons, Brown, Cissell, Lockett, Clay, Burbanks and Soapers and many others who we cannot call to mind at present. While among the living, is the great Stanley, Henson, Dixon, Givens of the Gleaner, Harris of the Journal, Witt, Dallam, Elliott, Banks, Argue, Thompson, Star and a host of others. We are proud of the Henderson Boosters and mean to welcome them as best we know how.

The very latest in the treatment of old floors, dirt stained floors or soft wood floors, is Chi-Namel Parquet Floor Stencilling Process, by which any inexperienced person can produce the inlaid hard wood effect.

Makes a \$100 floor at a cost of only 2c per sq. foot.

Completely hides the old floor, stains, streaks and all other blemishes. See the lady demonstrator at our store on Monday May 9th and you will be able to go home and duplicate what she does.

## INTERESTING LETTER FROM CARTERVILLE

A Letter That Will Provoke Interest to a Great Many Crittenden County People.

Cartersville, Ill., April 29 1910.  
Crittenden Record-Press,  
Marion, Ky.

Dear Sir:—The last time that Bryan was defeated for the Presidency I paid my subscription to the Record-Press, and as it will soon be campaign again I guess I had better get on good terms with the good old Record-Press, so I enclose herewith Two Dollars (\$2.00) which I have been permitted to get ahead, notwithstanding the present high cost of living, and will ask that you kindly put the same to my credit and keep the paper coming.

As I have been away from my "Old Kentucky Home" for several years, and have never written anything for Record-Press that my friends should know where I was or what I was doing, will just ask that you allow me space in your good paper to say a few words to them, and I trust is not asking too much of you.

I am located in Cartersville, Ill., which is in the center of the great coal fields in the State. Cartersville coal has long since made its name famous throughout the United States, and its coal is used by all the leading Manufacturing establishments in Chicago and St. Louis, and it was Cartersville coal furnished by the company I am working for, that steamed Mr. Taft and his party down the Mississippi river last fall.

Cartersville has a population of about 7,000 people, and the principal occupation is coal mining, and its miners have the reputation of being the best throughout the State. It has two schools, churches of the following denomination: Missionary Baptist, Free Will Baptist, Christian, Presbyterian, Methodist and Catholic. Has business of every kind found in any small city, and has lodges as follows: Mason, I. O. O. F., K. of P., M. W. of A., Red Men, Royal Neighbors Pocahontas, Rhebeccas and Pythian Sisters. It has three Bands, one of which is the M. W. of A. band of thirty members, the picture of which was recently published in the paper, "Modern Woodman." Now that I have told you what she has, I will tell you of two things she has not, the first of which is saloons, and Cartersville town ship is the only dry one in this, Williamson, county. The second is there is not a negro in town, which is due to the fact that some twelve years ago they had a riot in Cartersville and all the negroes that were not killed were run out of town.

I have been in the employ of four different companies, since I came to Illinois, and for the past four years have been with the Madison Coal Corporation, and am at present Assistant District Superintendent with office at Dewmaine, Ill. Dewmaine is only a coal mining camp one mile out of Cartersville.

I suppose it is needless for me to say I am married for it would be impossible for me to live here seven years without finding one that strikes you hard, for there are about four girls, pretty ones, to every boy, ugly of course, so this accounts for me being mar-

## CHI-NAMEL IN THE PUBLIC EYE.

Demonstration Day Monday, May 9th at W. Tucker's Furniture Store, Salem Street.

There will be a Chi-Namel Demonstration at our store on Monday 9. Do not miss the opportunity to learn in five minutes how to secure a new hardwood floor for \$2.50, and how to have a Mission finish dining room, den, or sitting room without the expense of removing old paint or varnish.

Any old floor, oil cloth or linoleum made to look like new hard wood, any style of grain. Lesson free by special instructor.

W. O. TUCKER, FURNITURE CO.

We have arranged with the manufacturers of Chi-Namel and the Chi-Namel Graining, Staining, and Varnishing Processes to have one of their expert demonstrators spend a few days with us for the special purpose of teaching our trade to use the little training tool and furnish our patrons free of cost, expert instruction in the treatment of interior wood work. This will be a rare opportunity for the ladies to learn how to grain and varnish their own floors and wood work. Chi-Namel graining will outwear the ordinary floor varnish many times over.

I find quite a few Kentuckians here and as Bro. H. C. Gilliland said in his letter published Apr., 28th "There is a certain grip, a certain friendly twinkle in the eye" that enable me to recognize one even in the dark.

Well for fear this finds its way into the waste basket instead of the Record-Press I will close, and then I want to leave room for the interesting tobacco news of which I am very fond.

With best wishes to all, I am

## A STAND FOR REST ON THE SABBATH

Ministers of the Various Churches Ask Congregations for Aid in Sunday Observance

There is now before the people of Marion a movement, looking toward a better observance of Sunday as a day of rest and worship.

On last Sunday morning the congregations of the town expressed the sentiment of our community in the resolutions published as a part of this article. It is to be hoped that all the people will buy their groceries, and other necessities on Saturday and that Sunday hereafter may be a day of real rest and worship. Such a reformation will make our town ideal in every respect.

Resolutions adopted by all the congregations:

We, the undersigned, representing a large per cent of the population of the city of Marion, wish to publicly express our desire that all our business houses shall close their doors to all business on Sunday.

In this expression, we further desire to pledge to the city authorities our hearty co-operation in the enforcement of the Sunday Laws.

## AN EVEN BREAK AT MADISONVILLE.

In Last Game Both Sides Went up in the air Running the Score to 13 to 15.

Marion High school team went to Madisonville Friday to play two games with the High School at that place. The first game resulted in a victory for our boys the score of 5 to 2, but lost the second game by a score of 15 to 13.

While we failed to get a report of the games, the first, to judge from the score must have been a good game while the last must have been a poor one, and yet from reports was very much enjoyed.

Our boys were made to enjoy their trip, arriving home Sunday with not a word of complaint.

On Friday and Saturday of this week Madisonville will play our boys at our beautiful Maxwell Park, when, if the weather be favorable a big crowd is expected to greet them.

Mr. Eddie Brahe of Paducah was in Marion Wednesday and signed up for the season; he is one of the best amateur catchers in Western Kentucky.

Mr. Maxwell is very busy these pretty days getting the lawn tennis court in shape for the young ladies at the Park.

We received a card from our old Pitcher Cooperrider stating that he had won a victory from Springfield Ohio college, score being 4 to 0 in a 12 inning game.

We are making preparations to open our season about May 15th and will play any team not in the leagues.
