Letter From Oklahoma.

Oklmulgee, Okla., Jan. 10, 1911.
Editor, Record-Press:—Enclosed please find postoffice money order for one dollar for the Record-Press, for the year 1911.

Moving and having public sales is the order of the day here, some are selling just to dispose of their surplus stock; others are leaving here; and there is always someone not satisfied anywhere. We have nine months free school. I live two miles from school, and pay our teacher \$60.00 per month. I see from the census report old Crittenden county has lost 1895 population in the last ten years. This county has gained over seven thousand population in the last three years.

Oklmulgee has about seven thousand inhabitants. Sixth and Main streets are paved with brick for one mile besides some paving on Fifth and Seventh, considerable paving has been done on Adams street.

Oklmulgee has one wholesale grocery house, two oil refineries, one foundry, door and sash factory, planing mills and glass factory.

This county has perhaps the finest poorhouse in the state. The county has bought from the government, the "Creeks Orphans Home" containing forty acres and a large brick house, one mile east of this place. Price paid \$7500.

There was generally when school was going on, from sixty to eighty scholars wishing all old friends the best of best wishes.

WHY HESITATE?

An Offer That Involves No Risk For Those Who Accept It

We are so positive our remedy will so completely relieve constipation, no matter how chronic it may be, that we offer to furnish it free of all cost if it fails.

Constipation is caused by weakness of the nerves and muscles of the large intestines or descending colon. To expect a cure you must therefore tone up and strengthen those organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our guarantee. They are eaten like candy, and are particularly ideal for children. They act directly on the nerves and muscles of the bowels. They have a neutral action on the other organs or glands.

They do not purge or cause any inconvenience whatever. They will positively overcome chronic or habitual constipation and the myriads of associate or dependent chronic ailments. Try Rexall Orderlies at our risk. Two sizes, 10c. and 5c. Sold only at our store—The Rexall Store. Haynes & Taylor, Marion, Ky.

Our store will close at 6 p. m. during January and February.

Letter From Washington.

Naches, Wash. Jan. 7th, 1911.
Hon. S. M. Jenkins,
Marion, Ky.

Dear Sir:—It seems the good Lord has blessed the Record-Press patrons by putting you back into the editorial room again. I will tell you our patiences were getting much worn by lack of that animating spirit that is so essential to good newspapers and I think we did not fully appreciate your good service, until Mr. Calmes began to editing it. Now I am not condemning Mr. Calmes, because I do not think he intended to deaden the spirit of the paper but simply was not familiar with county newspaper work and desires of its patrons, and I hope and believe he will learn as he is energetic, and intelligent. He is a splendid advertising agent, and I praise him for it for there is nothing that brings about such flourishing results as good truthful advertising. But it seems to me if it required the space of two sheets for the advertising of country's resources and enterprises (which is great) I would enlarge by adding two more sheets for good pleasant news, and which I know Mr. Jenkins you are thoroughly familiar with and will do. I am not trying to act as an adviser, far from it, but just giving you my view of the Calmes regime, and I hope you will make the Record-Press the same cheerful, newsy paper that characterized its career when you formerly had control.

Enclosed find one dollar for my subscription.
Wishing you a glorious success for the coming year.
Yours Very Respectfully,
MRS. RUBY DEBOE ROWLAND.

IT GROWS HAIR

Here Are Facts We Want You to Prove At Our Risk

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course, in none of these cases were the hair roots dead, nor had the scalp taken on a glazed, shiny appearance.

Rexall "93" Hair Tonic acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet necessity, is delicately perfumed, and will not gum or permanently stain the hair.

We want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote an increased growth of hair, and in every way give entire satisfaction, simply come back and tell us, and with out question or formality we will hand back to you every penny you paid us for it. Two sizes, 50c. and \$1.00. Sold only at our store—The Rexall Store. Haynes & Taylor, Marion, Ky.

Letter From Porto Rico

Mr. S. M. Jenkins,
Marion, Ky.

My dear Sir:—Your favor of Nov. 19th. has been forwarded me at San Juan, Port Rico.

Upon leaving Kentucky, I sent out my announcement and appreciate the notices the papers have been kind enough to forward me. Upon my return in March, I shall be very glad to take up an active campaign for the nomination of Commissioner of Agriculture, and will then communicate with you. In the meantime, I am here putting on the First Insular Fair of Porto Rico and endeavoring to open up a trade for our Kentucky breeders of pure bred live stock in this island.

The opportunity cannot be neglected to get Kentucky stock in as foundation stock in this island. They very badly need our horses, cattle, sheep and hogs and it is my purpose, as Secretary of the Kentucky State Fair and at the same time manager of the First Insular Fair of Porto Rico, to bring Kentucky breeders in close touch

with the breeders of this island. Any assistance rendered me by my friends in Kentucky during my absence will be very much appreciated.

I hope to be able to materially penit our breeders and farmers while on this trip and I do not believe they will let my political interests suffer while I am endeavoring to help them. You will hear from me on my return to the United States, the latter part of Msrch. Very truly yours,
J. W. Neuman

GOOD NEWS

Every Sufferer From Catarrh Coughs Colds And Sore Throat Should Read It.

So many hundreds of catarrh victims who have taken the HYOMEI treatment, have written us letters thanking us for publishing our method of taking the HYOMEI vapor treatment in connection with the inhaler that we gladly publish it again.

The vapor treatment is especially recommended in stubborn cases of chronic catarrh of long standing, but remember that the inhaler should be used daily as usual.

This is the simple vapor treatment and only takes five minutes of your time before going to bed. Pour a teaspoonful of HYOMEI into a bowl of boiling water, cover head and bowl with towel and breathe for several minutes the vapor that arises.

You will be surprised at the result of this treatment; it makes the head feel fine and clear; you will sleep better, and that stuffed up feeling in the head will gradually disappear.

This same method will break up the worst cold in the head or chest in one night.

A bottle of HYOMEI costs 50 cents at HAYNES & TAYLOR'S who guarantee it. If you want the complete outfit, which includes the little hard rubber pocket inhaler, the price is \$1.00.

No stomach dosing; just breathe HYOMEI and cure catarrh and all diseases of the breathing organs. J5-19

In Memory of Mrs.

Wm. H. Heiges.

Mrs. Lou Raley Heriges was born in Davidson county, Tenn., Jan. 28th 1853. Was married to W. H. Heriges July 20th, 1874, and died at her home in Crittenden county, Ky., Nov. 18th 1910. How much gladness and sorrow is summed up in the brief facts above. Gladness of a young girl full of joy and gladness coming into full maturity and taking on herself the marriage vows.

How well she kept them, husband and children can testify. Sorrow came later into her life, for she gave father up mother and four children. She was often bowed beneath the burden of it, but her faith in God never faulted—always cheerful, she made home a haven for her family. She was a devoted wife and an affectionate mother, a true friend and a kind neighbor.

Her illness was short, pneumonia doing its fatal work in a few days.

A good woman has gone to her reward.

Kind friends and neighbors did all they could for her and her children's attention were unceasing, (her husband being very ill also,) but all could not keep her from answering the Father's call.

When the sun goes down, and shadows lengthen, we will think of our loved ones who have reached the golden gate of the celestial City.

May we all live nearer the cross and meet sister Lou after awhile.

REAPING BENEFIT.

From The Experience of Marion People.

We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Marion residents on the following subject will interest and benefit thousands of our readers. Read this statement. No better proof can be had.

Mrs. Emma Weldon, Salem St., Marion, Ky., says: "Kidney trouble annoyed me for five years and greatly affected my health. My back was lame and pained me most of the time, I had frequent headaches and often could scarcely see. None of the remedies I tried gave me any benefit until I procured Doan's Kidney Pills at Haynes & Taylor's drug store. The effect of this remedy was truly marvelous, as in two months I was free from every symptom of kidney trouble. My only regret is that I did not hear of Doan's Kidney Pills sooner, as they would have saved me much expense and misery."

"Lame Leg Well"

"I wish to say that I have used Sloan's Liniment on a lame leg that has given me much trouble for six months. It was so bad that I couldn't walk sometimes for a week. I tried doctors' medicine and had a rubber bandage for my leg, and bought everything that I heard of, but they all did me no good, until at last I was persuaded to try Sloan's Liniment. The first application helped it, and in two weeks my leg was well."—A. L. HUNTER, of Hunter, Ala.
