FOR STATEWIDE PROHIBITION.

Beckham And O'Rear To Stump The State For State-Wide Prohibition.

Hon. E. C. O'Rear, Frankfort, Ky.
My dear Sir:

It has become evident to all intelligent observers of political conditions in Kentucky in the last few months, that the combined liquor interests of the State are exerting their utmost power to influence and control the policies of both political parties, with a view to preventing the next General Assembly from submitting to the people of the State a Constitutional amendment for State-wide prohibition. As you know the liquor interests are non-partizan, or rather bi-partizan, in their work, and are utterly indifferent to the success of either party, so long as their purposes may be accomplished. They are, therefore, seeking in the coming campaign to control the two parties, both in the August primary and in the November election.

As one of the leaders in your party who has always upheld the temperance cause and helped in its work, we are writing you to earnestly request that you join with Senator Beckham in a series of addresses, to place before the people of the State these questions in their proper light. We believe that the people of Kentucky are entitled to a vote upon this important question, and that no political party should submit to the domination of the liquor interests and refuse to grant the people this just privilege.

We are writing a similar letter to Senator Beckham, and we earnestly hope for an early and favorable response from both of you.

Sincerely yours,
N. A. Palmer,
State Superintendent.

Frankfort, Ky., Apr. 3, 1915.

Dear Sir:

Wedding announcement.

Mr. and Mrs. R. B. Redmon announce the engagement of their daughter, Miss Luella Redmon, to Mr. N. Gray Rochester, of Marion, Ky. The wedding will take place in the early part of May.

They are to be married at the Methodist temple by Rev. Forte, pastor. Miss Nannie Rochester, sister of the groom, to be maid honor.

Mr. Rochester is a young man of sterling qualities, and the Press extends congratulations to him and his bony bride.

A Preacher Severely Boxed.

Recently Pastor R. A. LaRue moved to Salem, that he might efficiently serve the churches there and at Pinckneyville. He had scarcely arranged things and begun to feel at home, when boxes began to come in filled with the good things a preacher and family need most:--meat, beans, peas, parsnips, turnips, corn, oats, flakes, sour and sweet pickles, pepper, sugar, coffee, chickens, eggs, milk, butter, apples, peaches, pears, plums, gooseberries, damsons, preserves, jelly, jam, tomatoes, onions, nuts, toilet soap, enamel-ware, book, table-scarf and many tokens of esteem, welcome, good-will and the pastor feels such a people deserve a great ministry of the gospel, and humbled by his unworthiness, covets their highest development in the Divine Life. So "as much as in me is," I am ready to preach the gospel to them that are in Salem.

"Blest be tie that binds,
Our hearts in Christian love,
The fellowship of kindred minds,
Is like that from above.
Before our Father's throne,
We pour our ardent prayers;
Our fears, our hopes, our aims
are one,
Our comforts and our cares.
We share our mutual woes,
Our mutual burdens bear;
And often for each other flows,
The sympathizing tear."
R. A. LaRue and family.

Tolu Farmers' Club.

The Tolu Farmers' Club met March 31st, 1915, at the school building. We had Mr. Bird with us, and he certainly gave us a very interesting and instructive talk on the subject of "Corn Growing," and as that is our principal crop, he had no trouble in maintaining order.

The two last dry seasons have put the farmers in a frame of mind to try a change; hence we think Mr. Bird will have no trouble in getting the ear of all the farmers in this section.

MISS LALA

WATSON DEAD.

One Of The County's Most Popular Young Ladies The Victim Of A Horrible Accident

Sunday afternoon at 1:15, the Grim Reaper, Death, again visited our county and claimed as his own the life of Miss Lala Watson--one of the sweetest and most popular girls in West Crittenden, the second daughter of Mr. and Mrs. Frank Watson of the Tolu vicinity.

Miss Watson had been attending school at Tolu and last Sunday evening, March 28th, she was riding into town on a spirited race mare, which although perfectly gentle, had been trained to go against the bits. Miss Watson was aware of this fact and slackened her reins to check the horse. The animal continued to go faster than her rider thought she should and it is thought that perhaps Miss Watson became frightened and lost her stirrup. Near the Methodist Parsonage the horse, still going rapidly, made a sudden turn up the alley toward the barn where she was kept, and Miss Watson, not expecting the horse to leave the road was thrown suddenly, bruising her face and head considerably.

She was taken to her boarding place in Tolu where she stayed until Wednesday, when she thought she was able to go home. She seemed to be improving and thought she would be able to enter school again Monday. Saturday morning she became worse. Physicians were hastily summoned and all that medical skill could do, was done, but at 1:15 Sunday evening--no doubt the very saddest Easter Day to that home and community--her soul winged its way to that Eternal home to be with Him, who made a joyous, eternal life possible; to be with Him from whose tomb the Angels rolled the stone away, so many, many years ago on that Day of all days.

A Few Reasons Why You Should Buy a "Louisville" Silo

- 1 Because it is easy to erect.
- 2 Because we guarantee every part of it.
- 3 Because our silo is second to none on the market.
- 4 Because it is a silo on which each and every feature has been tested and is not an experiment.
- 5 Because all our doors are made of California red-wood, which shrinks and swells less than any wood on the market.
- 6 Because our doors are easy to remove and replace, and cannot stick or bind.
- 7 Because we own our own patents, and do not have to pay any royalty, thus saving the farmer from \$15.00 to \$25.00 on his silo.
- 8 Because the hoops can be adjusted from the ladder front door frame without the necessity of climbing all around the silo on a ladder.
- 9 Because we are not in the silo Trust.
- 10 Because it is HOME INDUSTRY.
