LETTER FROM NAMPA IDAHO

Nampa, Idaho, Aug. 30, '15. Mr. S. M. Jenkins, Marion, Ky. Dear Editor: You will find enclosed P. O. money order for \$1.00 to pay my subscription for the dear old Record-Press another year. We are always glad to get the old home paper and read with interest what is going on in old Crittenden county. I think the people of Crittenden county are very lucky in selecting Mr. Bird as their county agent. I think he is the right man in the right place. I see in the paper that crops are fine. The crops here are fine, some barley making 85 bushels per acre, wheat from 40 to 50 bushels per acre. Third cutting of hay ready to cut. We have had a long dry spell. It hasn't rained any since the last of May. Will bring my remarks to a close. Yours Resp't, Clyde McConnell.

730 times every year you use a separator

IF IT RUNS HARD OR ISN'T EASY TO WASH OR DOESN'T skim clean, it is a constant annoyance and bother.

NO OTHER MACHINE OR IMPLEMENT ON THE FARM receives such constant use, and there is no other machine on the farm where quality of work means so much and first cost means so little.

A LITTLE LOSS OF CREAM WITH A CREAM SEPARATOR, multiplied 730 times soon runs into money. It's too big a handicap for any cow owner to try to work with.

CREAMERYMEN ALL OVER THE WORLD LONG AGO CAME to the conclusion that the De Laval was the only machine they could afford to use. That's why 98 per cent of the cream separators used in creameries the world over are De Laval. You will find the biggest and best dairymen almost invariably using a De Laval. Experience has taught them that it is the most economical.

YOU CAN'T AFFORD TO TAKE ANY chances with your cream separator and we know that if you come to us and let us put in a De Laval for you 730 times a year you will say to yourself, "I made a good move when I bought that

Twenty-Fifth Jubilee Year. Now what is termed their twenty-fifth Jubilee Year and Tour, the Sun Brothers' World's Progressive Shows are coming back to Marion and will give two performances on Friday, Sept. 24. It is hardly necessary to state here that this tented show is all right, for the reason that our citizens know it is all right, and besides it is simon pure, all clean and respectable. The advance printing matter

states that the programme for presentation is absolutely all new for this season, not one old feature being retained. The success of this noted tented aggregation has been realized by presenting the American people a tented show entirely free from every form of graft; by keeping every promise made in the matter of exhibitions, and by treating those who visit these exhibitions with the utmost courtesy and respect. It is this matter of treatment which often causes one to feel more guest than patron when he visits the Sun Brothers' Shows. Many of their rival showmen who countenanced the old time confidence man, the shell-worker, the fortune teller, the short-changer and other forms of graft, made the assertion, that the show could not live without adjuncts of that kind, and also sneeringly referred to the Sun Brothers' Shows as "that Sunday School Show."

Ever since its inception twenty

five years ago, the Sun Brothers have been deadly foes to anything of a demoralizing character and have kept their shows intact and free from it, and today it is the only show of its size in America that can successfully "repeat" each season town for town. The amusement going people have confidence in the show because of the new and original performances each succeeding season, and always of the very best. Its great cleanliness and the honest courtesy and fair treatment given to all who visit their shows or do business with them.

The show will arrive in Marion Friday, Sept. 24, by special train service early in the morning. At noon time preceding the afternoon performance, a number of highly original free outside shows will be presented to the public, all taking place on the show grounds and absolutely free to the public.

Rexall Dyspepsia Tablets will relieve your indigestion. Many people in this town have used them and we have yet to hear of a case where they have failed. We know the formula. Sold only by us--25c a box. Raynes & Taylor.

Circus Day, Friday, Sept. 24th.

A big holiday event is in store for the citizens of Marion on Friday, Sept. 24. On this day and date the famous Sun Brothers' Quarter of a Century old Tented Exhibition and Big Trained Wild Animal Tourney will pitch its tents and give two of their splendid performances. This is the same show that has always maintained an opposition of any semblance of graft about their shows or to trail in the wake of it. Always conducted in the highest manner and on the most respectable plane, it is always a welcome visitor on each succeeding visit to the various towns and cities. In plain words it can invariably always "come back." This season the show offers many new attractions, notably among them being Herr Klotz's wonderful tango and pantomime elephants in the greatest trained animal act ever offered for review in America. 5 Women Avoid Operations

For years we have been stating in the newspapers of the country that a great many women have escaped serious operations by taking Lydia E. Pinkham's Vegetable Compound, and it is true.

We are permitted to publish in this announcement extracts from the letters of five women. All have been recently received unsolicited. Could any evidence be more convincing?

- 1. HODGSON, Pa. ... both sides and such a soreness I could scarcely straighten up. My back ached and I was so nervous I could not sleep. I never would be any better until I submitted to an operation. I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman. - Mrs. HAYWARD SOWERS, Hodgson, Pa.
2. SHELBYVILLE, Ky. - I suffered from a severe female trouble. My right side hurt me badly - it was finally decided that I must be operated upon. When my husband learned this he got a bottle of Lydia E. Pinkham's Vegetable Compound for me, and after taking it a few days I got better and continued to improve until I am now well. - Mrs. MOLLIE SMITH, R.F.D., Shelbyville, Ky.
3. HANOVER, Pa. - The doctor advised a severe operation, but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it. - Mrs. ADA WILT, 303 Walnut St., Hanover, Pa.
4. DECATUR, Ill. - I was sick in bed and three of the best physicians said I would have to be taken to the hospital for an operation as I had something growing in my left side. I refused to submit to the operation and took Lydia E. Pinkham's Vegetable Compound - and it worked a miracle in my case, and I tell other women what it has done for me. - Mrs. LAURA A. GRISWOLD, 2437 East William Street, Decatur, Ill.
5. CLEVELAND, Ohio. - I was very irregular and for several years my side pained me so that I expected to have to undergo an operation. Doctors said they knew of nothing that would help me. I took Lydia E. Pinkham's Vegetable Compound and I became regular and free from pain. I am thankful for such a good medicine and will always give it the highest praise. - Mrs. C. H. GRIFFITH, 1588 Constant St., Cleveland, O.
