## GONE TO HER REWARD.

**After a Long Illness, Mrs. Laura Allen, this City, Meets the Inevitable.**

## BORN AND REARED NEAR GRADYVILLE.

Last Wednesday evening about 7:30 o'clock, Mrs. Laura Allen, a highly respected lady of this place, after a long illness, succumbed to the inevitable, and peacefully passed beyond the veil. The deceased was sixty-nine years old, a daughter of Hop and Emily Stone Cheatham, and was born and reared near Gradyville, this county.

When quite a young woman she was happily married to Dewitt Clinton Allen, who was a prominent farmer of Cumberland county, removing thither and where she resided until after the death of her husband which occurred many years ago. Soon after the demise of her companion, she and her children, Eva, Emily and Lula became residents of Columbia, and where the deceased constantly made her home until the final dissolution. Two of her daughters are married, Eva, to Mr. J. M. Frazier, who now lives at Oakdale, Tenn., and Emily to Mr. L. L. Eubank, of this place, at whose home the end came.

Her youngest daughter, Miss Lula, was in Mississippi when her mother was stricken, but she reached her bedside and was a constant attendant until the very close came. Mrs. Frazier is in a very low state of health and could not reach here.

In early girlhood the deceased made a profession of her faith in Christ, united with the Christian Church, living close to God until her life work ended. In health, she was punctual, always filling her seat upon the Church ordinances, and was ever ready to work for her Master's cause.

From girlhood to old age she was a lady of most excellent Christian character, and her noble traits were instilled into the minds of her three devoted daughters, who have the sympathy of this entire community. Their best friend is gone, to which statement every person who has lost a mother could testify to its correctness. It seems hard to give up the one who cared for the young, and whose headed admonitions have led to strong character and most respected lives, but to those who are now in deepest sorrow we would say take the words of the Master and be comforted. There will be another meeting.

The funeral services were held in the Christian church Thursday afternoon at 4 o'clock, conducted by Eld Z. T. Williams, her pastor.

A large circle of relatives and sympathizing friends were present. The interment was in the city cemetery. There were many flowers.

## Death of F. E. Christie.

Last Saturday morning about 2 o'clock, Cane Valley lost one of her best and most useful citizens in the person of Mr. F. E. Christie, who was a miller by profession, a part owner of the roller mill in that town, and was also Police Judge of the town of Cane Valley. He was fifty years old and was a victim of typhoid fever. The deceased was born and reared in Casey county, near Clementsville, and had been a citizen of Cane Valley about twelve years. He was a man who stood for the right and was ever ready to denounce lawlessness. During his citizenship of Cane Valley he made many warm, personal friends. He was enterprising and used his influence to advance the moral uplift of the community in which he lived. The passing of this good man spread a gloom over Cane Valley, bringing great sorrow, not only to his devoted wife and two small children, but to all hearts who knew him.

The funeral and interment took place late in the afternoon Saturday, many relatives and friends attending.

Mr. and Mrs. Virgil Henry who lost an infant child last week, wish to extend their grateful thanks to all those who stood by them in their sorrow and distress, ending in death.

## Those Pies of Boyhood.

How delicious were the pies of boyhood. No pies now ever taste so good, what's changed? the pies? No. Its you. You've lost the strong, healthy stomach, the vigorous liver, the active kidneys, the regular bowels of boyhood. Your digestion is poor and you blame the food. What's needed? A complete toning up by Electric Bitters of all organs of digestion—stomach, Liver, Kidneys, Bowels. Try them. They'll restore your boyhood appetite and appreciation of food and fairly saturate your body with new health, strength and vigor. 50c at Paull Drug Co.

The Columbia Fair is a drawing card. Each year since it was established the attendance has been large. If nothing interferes to retard the growing crop prospects, there will be more people in attendance this year than in any year in the past. Bear in mind that the directory proposes to entertain, and has secured the services of a Louisville professional band for the lovers of music. Keep the date before you, August 23rd, four days.

Wanted:—White Oak Logs, write us for prices. Will also buy standing timber and white and red oak lumber.

Louisville Planing Mill & Hardware Co., Louisville, Ky.

Mr. Jo Barlow, an old business man of Louisville, died last week. He was well-known to a great many citizens of Adair county. He was a native of Barren county and was an ex-Confederate soldier and belonged to Morgan's command. When his life went out Louisville lost a fine citizen and the Baptist Church a most zealous and worthy member.

Dr. Woodruff James Flowers, of this place, graduated from the University of Louisville last week. He is now at Memorial Hospital, Cincinnati, where he will remain for the next year. He will return to Louisville in a few days and take the State Board Examination. Being appointed an intern is quite an honor, as we stated a few weeks ago.

The wheat harvest is over and much of it in the stack but still reports come to this office of the fine quality and wonderful meshes crowded with big plump grains. Ordinarily from two to four fills the average mesh but, this time reports started full four and has steadily increased in number until thirteen has been reached. We are informed that Mr. J. C. Bault, of Cane Valley produced heads with thirteen grains to the mesh and the straw strong enough to support such mammoth heads. Here's to Mr. Bault and his section of the county—ahead of all wheat reports. Mr. Bault states that he produced it.

The dwelling house of Mr. X. W. Scott, of Ruby, this county, was consumed by fire a few weeks ago. It was insured to the amount of six hundred dollars in the Continental. Judge T. A. Murrell, adjusted the loss a few days ago.

Mary, a little daughter of Rev. and Mrs. B. M. Currie, fell from a fence last Friday afternoon, and at first it was feared that the fall broke an arm, but the physician decided that it was only bruised, and announced that she would get over the hurt in a day or two.

## State Board Examination.

Editor News:—

The examination will include every sect who desire to practice the healing art in any of its branches, and is designed to protect the people from ignorance and incompetency in the treatment of disease.

This Board will appreciate your calling attention to it, as no one can be a legal practitioner without this certificate, and no unregistered practitioner can legally collect any fees.

Thanking you for your co-operation in our work, I am, Very truly yours,

## Resolutions of Respect.

Breeding Lodge No. 516, F. & A. M., Whereas, it has pleased the Supreme Architect of the Universe, in his almighty wisdom, to remove from our midst our true and beloved brother, John R. Roysce, who departed this life June 25, 1910, Therefore, be it,

Resolved, That in his death the Lodge has lost a loving brother. The community an affectionate husband and father.

Further we hereby extend to his bereaved family, near relatives and friends who mourn his loss, our heartfelt sympathy, and while realizing that nothing can fill the aching void of such an irreparable loss, yet we ask them to seek comfort from him who doeth all things well.

Further, That a copy of these resolutions be spread on our record, a copy be sent to his family and a copy sent to the Adair County News for publication.

Dr. H. B. Simpson,

Wm. Pierce, who was charged with being accessory to the killing of Taylor Sullivan, was given a trial at Jamestown last week, the jury failing to agree. He was defendant by Messrs. Rollin Hurt and James Garnett, of Columbia bar. The State was represented by Mr. A. A. Huddleston and Mr. O. B. Bertram.

We notice in our exchanges that some people are sprinkling cabbage with parish green. It is a great mistake to use this poison on vegetables that grow above the ground. There is scarcely a day but we notice where persons have been poisoned by eating cabbage sprinkled with parish green.

At this season of the year the farmers of Adair county were never in better spirits. A fine wheat crop has been harvested, you can almost see the corn growing, vegetables in abundance, and a large acreage of tobacco out, the stand all over the county good. With seasonable weather from now on an abundance of every thing will be garnered.

## Take Notice.

All persons with claims against the estate of Daniel Brown, deceased, will present them to me, properly, verified and proven on or before August 1, 1910.

Our Dirigo correspondent gives an account of the death of Mr. John R. Roysce, who died on the 24th of June, and who was well-known to a great many people of Columbia. He was a first cousin to Mr. S. W. Roysce, of Roy, this county.

Mr. J. T. Goodman, who was over from Rowena last week, stated that there was a good tide in Cumberland river, lumber and staves about all shipped. Crops of all kinds looking fine, and the people generally in a happy state of mind.

## THE BIG FIGHT.

**Johnson, the Negro, Given the Decision in the Pugilistic Meet at Reno, Nev.**

## THOUSANDS OF PEOPLE WITNESS THE FIGHT

The decision in the fight between Johnson and Jeffries, the two big sluggers, was given to Johnson, who is a colored man. The fight took place at Reno, Nev., last Monday the 4th, and was witnessed by thousands of people. The first news of the contest was received here after ten rounds had been fought, and it stated that Jeffries was getting the best of the fight and would whip his antagonist. Later, at the close of the fifteenth round, a message came, stating that Johnson had been victorious, and had been given the decision on a foul. It is reported that Jeffries struck a foul blow, and not stopping when the gong was sounded, lost the fight. The winner is to receive \$125,000, the loser, \$75,000.

## Notice.

All property owners on each of the four principal streets in the town of Columbia will do well to look at the sidewalk ordinance recently passed, requiring all sidewalks and private driveway constructed with concrete and to have same completed by Aug. 1, 1910.

All walks and crossings not constructed by that date will be let by contract. Read the ordinance that you may know because it will be carried out in full. Board of Trustees of Town of Columbia.

## A Pleasant Outing.

One of the most enjoyable events of the season was the annual Sunday School picnic held by the Methodist School last Thursday at the Fair Grounds.

At an early hour the children and many of the older members gathered at the church where large hay wagons conveyed them to the scene of the picnic, and from early morning until late in the afternoon pleasure ruled the day. During the morning many interesting games were enjoyed by the children in the grove, while the older ones were participating in tennis, baseball, etc.

From twelve to one o'clock proved to be the most interesting hour of the day for bountiful and delicious were the good things spread before the crowd of merry makers. The afternoon was devoted to various contests, an appropriate prize being awarded to the winner of each contest. One of the most spirited ones was for the ugliest man upon the grounds, which was finally won by Bro. Currie, the prize being a hand mirror.

The committee on amusements is to be heartily congratulated and thanked for making the day so enjoyable to all present.

## Base Ball at Lebanon.

Last Monday the Columbia baseball team played its first game in a series of meets at the Lebanon Chautauqua. Their first contest was with Campbellsville and they lost, the score standing 4 to 1. The News is informed that the Columbia Club threw the game away in the first inning. One of our boys made two wild throws and another one let a ball pass him, Campbellsville making three scores. The remainder of the game is reported to have been faultless and spirited, the two clubs making one score each up to the closing. The pitching was almost perfect on both sides. Woodrum for Columbia struck out eleven men and allowed three hits; Wilson for Campbellsville, struck out nine men and allowed three hits.

Columbia is billed to play Springfield this (Tuesday) afternoon, and the boys phone that they feel like winners.

After a long illness, the subject of this notice died at her late home, near Columbia, last Sunday night. She was about forty-five years old and was a daughter of Rice Pike. Her husband, Jo Ellison, died about one year ago. Mrs. Ellison was a good, Christian woman and had many friends.

## Married in Jeffersonville.

Mr. Ezra M. Pickett, son of W. S. Pickett, this county, a cigar maker, located at Greensburg, and Miss Bettie B. Lewis, daughter of Dr. A. S. Lewis, also of Greensburg, were married in Jeffersonville last Thursday. They were accompanied to Jeffersonville by H. A. Moss and J. V. Spaulding. The father of the young lady is on a business trip to Birmingham, Ala. She is 18 years old.

Mr. Walker Bryant exhibited at this office some heads of wheat, oats and barley, received from his farm in Oklahoma. Each variety of grain shows that it was grown where every thing combine to reach perfection. The oats will yield eighty bushel per acre and the wheat, a half stand, will measure up twenty. We were not advised as to the yield of barley but the heads were fine specimens of that kind of grain. Mr. Bryant's brother is managing the farm and is highly pleased with the country and bountiful yield of grain. He reports corn unusually fine and figures to average twenty barrels on seventy acres. He will make 1000 bushel wheat and 2000 bushel oats. The entire crop was made without hired help except harvesting. It's a good report from a good man in a good country.

Do not forget that Rev. J. R. Crawford will preach on the lawn of Judge H. C. Baker next Sunday afternoon, beginning at 6 o'clock.

Remember that the Burkesville Fair will open August 16. This Association invariably entertains.

A little daughter of Mr. and Mrs. C. R. Payne, who is at the home of her grandparents, Judge J. J. Simpson and wife, fell down a flight of steps last Friday, dislocating her collar bone. She is getting along all right.

The Baptist Sunday School will have a picnic at the Fair Grounds from 4 and 9 o'clock Saturday evening, July 16th.

The Paull Drug Co., offers a ten dollar gold bracelet to the best lady rider. No one is barred. The ring comes the third on the program after the noon hour, third day.

A tobacco barn, which was the property of Mr. Wm. Patton, Breeding, was consumed by fire and eight hundred pounds of tobacco, lost Sunday night. Origin of the fire has not been reported.

It is impossible to compile all the names of the men and boys who went to Lebanon Monday. They went by the hundreds.
