PLANS FOR GREATER LOUISVILLE EXPOSITION OPENING MAR. 18.

BASE-BALL GAMES SPECIAL DAYS.

Louisville Extends a Most Cordial Invitation To All To Visit Louisville at This Time.

As the time for the opening of the Greater Louisville Exposition draws near, the interest in that great event in this and all other sections of the State of Kentucky, as well as throughout the South, is greatly increasing. The visitors to Louisville will return home and give expressions of deep interest in the exposition and pride in the enterprise and public spirit of the exposition officials working so hard in the interest of their state and city without prospect or wish for any pecuniary gain.

FRED LEVY, President of the Louisville Commercial Club, and Vice President of the Greater Louisville Exposition Company.

one fare for the round trip, with three selling dates each week, the tickets good returning until April 1. Besides these splendid rates, many single-day excursions will be run, and it is said by the railroad officials composing the Southeastern Passenger Association, that the rates for these excursions will be the best ever offered for a similar enterprise.

The Division of Programme of the exposition is now busily engaged in preparing the plans for various special days. Interesting programmes will be arranged for these special days, and the music by the great Creators' band will be an added attraction to the exposition twice daily. This band of sixty renowned soloists is recognized everywhere as being absolutely the foremost organization of its kind, and the twice-daily concerts will be included in the extraordinarily low price of admission, which will be twenty-five cents for adults and fifteen cents for children. For special days, Big Creators has very graciously consented to make his programme typical of the occasion. The following days have been decided upon, and plans are in train to make each one a unique success: Dedication Day, Edison Day, Children's Day, Greater Louisville Falls City Day, All Kentucky Day, Fraternal Day, Transportation Day, Woman's Day, University Day, Music Day, Newspaper Day and Get-away Day.

It will be of interest to lovers of the national game to know that the Louisville Baseball team will contest with two major league teams during the exposition period, playing five games in all. It can be seen that the people of Kentucky will have a splendid opportunity of seeing the Greater Louisville Exposition, hear Creators' famous band, and see such magnificent baseball organizations as the Chicago National League team and the Boston Americans. Boston will play three games, March 23, 24 and 25, while Chicago will play two games, March 28 and 29. Louisville will certainly hold vast interest for Kentuckians during the period of March 18-30.

Displayed upon the walls of the Exposition Building in Louisville will be seen the trademarks and labels of Louisville merchants and manufacturers. This riot of color will be spread in a broad band around the building, and will add much to the general decorative scheme. These labels and trademarks will be very attractively framed, and it will be possible to gather a very plain idea of what Louisville can do by looking at these frames. This opportunity to be represented in the great exposition had been very eagerly grasped by many who are not eligible to show a manufactured product. It has been estimated that at least one-half of the manufacturers of Louisville will be represented in the trademark and label display.

A sum of money estimated at about \$175,000 has disappeared from the sub-treasury in Chicago, and Government officials are making an investigation.

JOHN ROBINS The new Secretary of the Rockcastle County Fair Association.

I bought a fifty cent bottle of Kodol, and the benefit I received from that bottle all the gold in Georgia could not buy.
