FLYING MEN FALL

victims to stomach, liver and kidney troubles just like other people, with like results in loss of appetite, backache, nervousness, headache, and tired, listless, run-down feeling. But there's no need to feel like that as T. D. Peebles, Henry, Tenn., proved "Six bottles of Electric Bitters" he writes, "did more to give me new strength and good appetite than all other stomach remedies I used" So they help everybody. Its folly to suffer when this great remedy will help you from the first dose. Try it. Only 50 cents at Chas. C. Davis.

ROCKCASTLE COUNTY FAIR GREATEST SUCCESS YET

The seventeenth annual exhibition of the Rockcastle County Fair association, pulled off at Brodhead last week, was the greatest success in the history of the association. The crowd for the three days was a third more than ever passed through the gates, during any three days exhibition. Secretary, A. M. Hiatt, has certainly worked and he worked hard to accomplish this, and his friends rejoice that he was not disappointed in his effort. Besides the usual number of liberal premiums there were a number of good attractions which proved splendid drawing cards. Mr. Hiatt informs us that the association will likely sell their present grounds and buy a more desirable location, closer to town just on the East side of the River, which matter will be decided at an early meeting of the board of directors. Secretary Hiatt also requests us to announce that the Eighteenth annual exhibition will take place in Brodhead the third week in August, 1913. Following is the premium awards for the three days:

REMINGTON UMC
Scatter Load SHOT SHELLS

When they're apt to get up close, slip in a Remington-UMC Scatterload—and make your cloke bore gun good in brush or thicket.

Arrow and Nitro Club steel lined scatterload shot shells open up your pattern so evenly that your bird can neither get too much nor too little.

A special system of wadding gives at 25 yds. a spread equal to that of a standard shell at 40 yds. and with greater penetration.

The steel lining gives the speed plus perfect pattern. Get a box to-day. Your local dealer has them. Try them on a paper target with your old duck gun.
