Spring and Summer HATS

As usual we are showing the New SPRING and SUMMER HATS first. Don't fail to drop in and see what the boys will be wearing this year.

SEE OUR LINE OF John B. Stetson HATS

A WORD TO PROGRESSIVES.

It is being said of us, for political effect that we voted, the Progressive ticket last fall to show our admiration for Theodore Roosevelt.

While this is true in a sense, we voted as we did, for far more cogent reasons, than mere admiration for a man. Admiration for Roosevelt is born of appreciation for his fearless leadership wherever he has appeared in a public capacity. As Moses, who was chosen of God to lead his people out of bondage and as Washington, and Lincoln were raised up and put forward as leaders in a National crisis so the progressive spirit in National politics recognize in Theodore Roosevelt the ideal champion of people who believe in a "Square Deal" for the man Lower down as well as Higher up. A champion of the masses and not the tool of the protected, and privileged classes.

We voted the Progressive ticket because we believe in a true democracy, which means a "Government of the people, by the people, for the people" We give up nothing in our adherence to the fundamental principles, that were dominant and adopted, and won, by the republican party, in the civil war.

We claim these as common property, achieved at the cost of the best blood of the Nation shed by those on both sides of the conflict.

We assume to go a step many steps further in National affairs, and assert that the toiling millions male, and female do not receive a just recompense as reward, for producing the wealth of the Nation wherein the favored classes protected by discrimination in legislation and administration revel. My fellow citizens who stand identified as you and I stand, this is the one reason why we voted as we did. You and I can give a reason for the hope that is in us, good substantial reasons why we voted the progressive ticket, and why we shall continue to vote it at every opportunity offered to us.

One among the chief reasons why we vote as we do, is because of the "Steam Roller" adopted in the district, State and National Convention that nominated president Taft. In contrast with that convention we point with pride to that orderly body with proceedings said to have been more like a "prayer meeting than a convention" that nominated Theodore Roosevelt.

Finally we feel proud of our achievement in smashing the political machine that directed and propelled the steam roller here and elsewhere, but we feel specially honored in being identified with over four millions of voters in the great republican States of the union who glory in the appellation of "Bull Moosers".

In conclusion let us assure those who want office that these times were not dictated, suggested nor authorized by any, secretary or chairman of any political party not written by an aspirant for any office but simply our answer to those who suggest that we voted just because, we wanted to, or as though we had no special reasons for so doing. We suggest that none of us commit ourselves to any man of any organization till we know what we are driving at.

J. W. VANWINKLE,

METHODIST MINISTER RECOMMENDS CHAMBERLAIN'S COUGH REMEDY.

Rev. James A. Lewis, Milaca, Minn., writes: "Chamberlain's Cough Remedy has been a deeded and welcome guests in our home for many years. I highly recommend it to my fellows as being a medicine worthy of trial in cases of colds, coughs and croup." Give Chamberlain's Cough Remedy and we are confident you will find it very effectual and continue to use it as occasion requires for years to come, as many others have done. For sale by All Dealers.

More Bargains More Business

3 Weeks more to rake in the Most Wonderful Bargains that have been offered in Mt. Vernon

We Sell It for Less

We are getting ready for the greatest Spring business in our history, and, as a result of these preparations, we must clean out all winter goods. It is our rule not to permit goods to remain from season to season. At the close of the season the goods must go. Prices we are making now will quickly reduce our stock. You cannot afford to miss this sale.

TO THE MEN:—It you don't know Bargains when you see them, send your wife. She is smarter than you are anyway. If you don't believe it, ask her.

BRODHEAD.

Mr. and Mrs. Dave Roberts were up from Maywood and spent a few days with their grandparents, Mr. and Mrs. J. W. Owens, last week.—Miss Florence Pennington, of Livingston, is spending a few days with her sister, Mrs. O. A. Frith, this week. Edd Owens is over from Lexington for a few days.—Mr. and Mrs. Frank Brooks, of Harlan, spent a few days with home folks here last week.—Mrs. Belle Henderson, of Paintlick, is spending a few days with her daughter, Mrs. Edd Newland.—Cleve Wilcott was down from Knoxville, Sunday.—Homer Wallin was over from Danville, Sunday and Monday.—Rals Wilcott and Frank Ward were in Mareburg calling Sunday afternoon.—Miss Minnie Gentry spent Sunday in Mt. Vernon with Mr. and Mrs. Edd Gentry.—Mrs. R. H. Hamlin has been very sick for the past week, but is able to be out again.—Arthur Anderson was over from Paris, Sunday.—Miss Lela Albright was down from Mt. Vernon from Friday until Monday.—W. J. Owens has completed his new house in the Henry addition and has moved his family into it.—Mrs. Susie Sharp is visiting her sister, Mrs. J. E. Wallin, at Junction City, this week.—J. Thos. Cherry was in town Tuesday on business.—Mrs. L. D. Ross died at her home near Gum Sulpher, Wednesday of last week, and was buried in the Christian church cemetery the following afternoon. She leaves her husband and several children to mourn her loss.—Mrs. Mattie Payne and daughter, Miss Darling, of Lebanon Junction, were visiting Mr. and Mrs. E. A. Yaden and other relatives here the first part of the week.—W. P. Rigby, of the Preachersville section, bought a young horse from W. S. Haggard a few days ago for \$90.—Mrs. Lyda Whyland, of Berea, who has been teaching instrumental music here for the last three months, gave a recital

at the Graded school building last Saturday evening, which was largely attended and greatly enjoyed. From the manner in which the pupils carried out the program, it showed that they had the best of instruction, and certainly speaks well for Mrs. Whyland.—Frank Messer, who was reported last week as being very ill with typhoid fever died at his home on Silver street early Tuesday morning, and was buried in the Methodist cemetery, Wednesday afternoon; at 2:00 p. m. He is survived by his wife and two small children. Short funeral services were held by the Rev. A. J. Pike.—The most destructive fire that ever visited Brodhead was early Sunday morning when the big store house and its entire contents of B. C. Anderson & Son, and the store building of Dr. W. E. Gravely, went up in flames. The fire originated in the Anderson store, and had gained such a headway when discovered that it was impossible to save anything from it. The large stock of general merchandise of Gravely & Elder was soon carried out, and the building which stood within a few feet of Anderson's store was left to its fate. The bucket brigade by hard work saved the Citizens Bank building and the Telephone Exchange. The loss to B. C. Anderson & Son is estimated at least \$7,000, partly covered by insurance. The loss sustained by Dr. W. E. Gravely will probably reach \$2,000 with no insurance. The damage to the bank building will reach close to \$300, which is fully covered by insurance. The Post Office was damaged slightly, that is, the glass in the front windows was broken by the intense heat.—John Singleton, who lives near here was seriously injured by a falling tree a few days ago. He was cutting saw logs and had cut two trees that had lodged on another, and when he cut the third tree, he was struck by one of the lodged trees, and barely escaped with his life. He is in a

critical condition and his recovery is doubtful.—Mrs. Margaret Cook, sister of the Rev. A. J. Pike, is visiting relatives and friends in Pine Hill, Livingston and Taylorsville, this week. Her home is in Seattle, Washington. She has been with relatives in Kentucky since the Pike reunion last fall, and will return to her home in the next few days.—Gravely & Elder moved their stock of general merchandise to the R. S. Martin building, east of the railroad Sunday, and are now ready for business, and judging from the neat appearance of their stock, they are none the worse off for their trying experience of last Sunday's fire.—W. P. Rigby bought a tract of woodland from George W. Hasty, three miles west of town. He will move to the W. H. Lynch property, on Main street in the next few days.—Bob Roberts, section foreman from Maywood, has been transferred to the Pine Hill Section, and has moved his family there.—We understand from a reliable source that Brodhead is soon to have a new five-room depot, but just where this much needed improvement will be erected is a question that is causing considerable comment. The Brodhead people are very anxious that it be built near where the old one now stands, but a great many are of the opinion that it will be built about one quarter mile north of the old one. The old one has become such an eye sore that most of us will be glad to have a new one no matter where it is built.

BLAMED A GOOD WORKER.

"I blamed my heart for severe distress in my left side for two years", writes W. Evans, Danville, Va., "but I know now it was indigestion, as Dr. King's New Life Pills completely cured me". Best for stomach, liver and kidney troubles, constipation headache or debility. 25 cents at Chas. C. Davis.

Mt. Vernon Graded School.

The fifth month of our school has just closed with our enrollment of over three hundred pupils. New ones are still coming. We have set our mark for three hundred twenty-five. Parents, are you still helping us in this battle? Are you still sending your children every day and asking your neighbor to send his? Let's do not give up the fight until all are in. If you are not in the army for better schools, join now. It is never too late to do some good.

Agriculture and domestic science have been added to our school. These certainly are needed in every school. All of our best schools have them. Each year let us make our schools a little better by adding something.

The first lesson in domestic science was given this week. Miss Wanzer, of the Langdon Dormitory, is our teacher. She comes to us each Friday. We will be glad to have the parents visit these new classes and see what we are doing. We are greatly indebted to the Woman's Club for the addition of domestic science. We wish to thank it for its aid to us and for the good things it is doing for our town and people. It certainly is doing splendid work.

Our talks in chapel on Monday mornings by our towns-people are growing better each week. We would be glad to have the parents come out and hear these talks. Mr. C. C. Williams is the speaker for Monday.

The honor roll for the past month is as follows: Calvin Murry, Karl Davis, Taylor Duke, Burdett Brown, Orville Laswell, Carrie Bradley, Christine Davis, Gennie Duke, Edith Laswell, Alice Bradley, Stella Baker, Nora Orton and Fay McClure.
