### Life of Savage More Sensible Than Moderns

Illments Almost Unknown by Aborigines Are Common Now.

The theory that most of the ailments of today are caused at most entirely by those who distinguish the white man from his long ago brother, the savage, is more readily discussed every day.

The savage, in many ways was a more sensible being than the man who made war on him and seized his birthright. It has been said by medical authorities, that nine out of ten cases of sickness can be traced to a disordered stomach, and that the ailments are due, in a large measure to excessive eating and drinking and little healthful outdoor exercise.

Common sense should be used in our mode of living. It was with this end in view that Joseph Von Trimbach, the noted chemist and originator of so many health aids, gathered herbs, roots, barks and flowers from the most remote parts of the world and spent years of his life in experimenting and study before he arrived at the solution of the problem of relieving stomach troubles. He named his discovery Tanlac. Tanlac has met with instant favor wherever it has been introduced. It has created a romance in the business world. Hundreds of thousands of sufferers have realized the benefits of this great reconstructive tonic.

Tanlac is believed to act more favorably, because of the nature of its ingredients, on ailments of the stomach, liver and kidneys, and on catarrhal affections of the mucous membranes, which, when neglected, are so often communicated to the vital organs themselves than any other known preparation. This ideal reconstructive tonic, appetizer, invigorant and builder of tissues has been lauded by men and women in all walks of life. It has proved a boon for sufferers from those all too common ailments.

Tanlac, the ideal reconstructive tonic, is being especially introduced in Mt. Vernon at Drug Store of Chas. C. Davis, also at Central Drug Co., Livingston, and John Robins' Drug Store, Brodhead, W. M. Owens store, Burr, Love Bros., Crab Orchard, S. E. Welch Berea.

### ATTENTION DRUGGISTS—STORE KEEPERS

Rev. J. G. Soward preached a very interesting sermon Sunday, from the beautiful and appropriate text: "He is not here, He is risen." The debate which was reported to take place here last Friday between J. L. Davis and J. G. Soward was postponed—J. L. Davis has been preaching here since Friday.—A two days' tent meeting was held here last week. We enjoy having visiting preachers come into the neighborhood, especially those who are trying to preach the gospel in its purity and promote the cause of Christianity, and we believe, too, that the people of every community should give the pastor all of the encouragement and support possible, for if any class of people need the sympathy and support of the people, it is preachers and school teachers—Miss Lena McCall is home from Richmond, where she has been attending the State Normal.—Hobart Burnett, of Berea, visited his sister, Mrs. Sarah Wallen, from Saturday until Monday.—John Chaney is very sick at the home of his son, Cy Chaney, of

### SAFE MEDICINE FOR CHILDREN

"Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic, and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. This remedy is most effectual in relieving coughs, colds and croup. Obtainable everywhere.
