

## Such tobacco enjoyment

as you never thought could be is yours to command quick as you buy some Prince Albert and fire-up a pipe or a home-made cigarette!

Prince Albert gives you every tobacco satisfaction your smoke-appetite ever hankered for. That's because it's made by a patented process that cuts out bite and parch! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

On the reverse side of this tidy red tin you will read: "Process Patented July 30th, 1907" which has made three men smoke pipes where one smoked before!

## PRINCE ALBERT

the national joy smoke

has a flavor as different as it is delightful. You never tasted the like of it! And that isn't strange, either.

Buy Prince Albert everywhere tobacco is sold in tippy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors—and that corking fine pound crystal-glass humidior with sponge-maintainer top that keeps the tobacco in such clever trim—always!

Men who think they can't smoke a pipe or roll a cigarette can smoke and will smoke if they use Prince Albert. And smokers who have not yet given P. A. a try-out certainly have a big surprise and a lot of enjoyment coming their way as soon as they invest in a supply. Prince Albert tobacco will tell its own story!

### LIVINGSTON

JUDGE H. WITT, who has been very sick for some time, is able to leave his room.—O. D. Bryant, of Mt. Vernon, is on the sick list but he came down to our city Tuesday.—Eugene Orndoff of Marietta, Ohio is with his mother this week. He has a position as engineer in that city.—Mr. and Mrs. D. M. Preston, of Cincinnati, Ohio, are visiting relatives here and at Quail this week.—Mrs. G. W. Brown, of the Freedom section, was here between trains Saturday.—W. H.

Cottongin went to Berea, Sunday, and brought his brother that had been in the infirmary home. He seems to be getting along nicely.—Mrs. C. A. Blanford and daughter, are visiting relatives in Louisville this week.—Mr. and Mrs. D. B. Rambo and children, Mrs. B. H. Griffin, Misses Letitia and Verga Sommers, were in Louisville, Monday, shopping.—Mrs. G. F. Griffin and children have returned from a weeks visit with relatives near Mt. Vernon.—Mr. and Mrs. Albert Griffin, of Pine Hill, were in our town Saturday shopping.—Mr.

kins, died Wednesday, August 2nd, of tuberculosis. She had been declining in health for three years and had been confined to her room mostly for eight months, but she was patient and hopeful to the end, talked of getting well and made plans for the future, yet she would say, if it is God's will for me to go I am ready. She was a member of the Christian church, having united with that church when she was a little girl. She is survived by husband and two little children, Hubert, age 12, and John, age 7, her parents, Mr. and Mrs. J. C. McGuire, with whom they were making their home at the time of her death. Besides those already mentioned she leaves two brothers and six sisters as follows: S. F. McGuire, of Irvine, Ky.; J. W. McGuire, of Stanford, Ky.; Mrs. J. M. Parsons, of Wildie, Ky.; Mrs. J. W. Sherer, of Paris, Ky.; Mrs. R. R. Harris, of Abingdon, Okla.; Mrs. E. E. Herrin, of Cincinnati, Ohio, and Mrs. Alvin Carico, of Livingston, Ky. The funeral services were conducted by the Rev. Young, of Mt. Vernon, and she was laid to rest in the family burying ground near Livingston.—We promised in our last letter that we were going to Mt. Vernon, Saturday, and you would hear from us on that subject. W. G. Niceley and the writer went on No. 22, Saturday evening, but you know that the train gets to that city about 5 o'clock, so our time was limited to see much of the town, but after arriving in that neat little city we went to the court house to deliver up the ballot boxes and there we met some of Mt. Vernon's good citizens, viz: Clerk S. F. Bowman, Sheriff Cam Mullins, Clerk T. J. Niceley and a lot of others with whom we were not so well acquainted, but we went up and grasped the hand of that progressive live merchant, J. Fish, and had a few words with his son, Bill, who met us with a smile. Then O. D. Bryant came for us with his auto and we traveled over a portion of the city and saw the new pike, which is something that Rockcastle county should be proud of, and we wish to say that Mt. Vernon far surpasses our expectations in beautiful dwellings and yards lovely flowers and everything that would make a people happy. We gave a glance at the editor as we passed him on the street but as we failed to get to speak to him, will say we hope by the next time we go to Mt. Vernon we will get that ride in his car. After visiting the home of O. D. Bryant and shaking hands with Mr. and Mrs. Bryant, whom we haven't seen since our childhood, we join our friend, W. G. Niceley and we set out for home at Livingston. As there were no freight coming this way and we decided not to wait for No. 21, we will not say how we got home, but our feet were mighty tired and sore the next day. We hope in the near future to visit the little city again and learn more of the town and its good people.

and Mrs. El Hansel are visiting relatives near Mt. Vernon, and will also take in the Fair while on this trip.—Mr. and Mrs. John Shearer, of Paris, attended the funeral here of Mrs. Hugh Jenkins last week.—Mrs. John Baker and her two pretty little daughters went to Mt. Vernon, Tuesday.—Miss Sally Cook, of Tennessee, who has been with her cousin, Miss Lyda Cook, has returned home.—The Primary last Saturday passed off quietly. A very light vote was polled and no excitement whatever, hardly a loud word spoken. Wish we could have just such a time in November.—A friend of ours at Brodhead has remembered us by sending us a complimentary to the Big Brodhead Fair. We wish to thank our friend and will say if it is in our power to do so we will attend the Fair, as it has been several years since we attended a fair at that place, but even back then we can boast of how well we were pleased and we are satisfied that the Fair has kept pace with time, and we often hear it said that Brodhead has a good Fair so everyone that can should go. We are satisfied you will be amply rewarded. We would be glad to visit the Fair and meet our old school mates and friends, and especially we would be glad to meet the Brodhead correspondent as he is a stranger to us only through the paper but we would be glad to meet him face to face, which we hope in the near future to do.—Mrs. Nannie Jenkins, age 29, wife of Hugh Jen-

### BRODHEAD

Homer Chestnut, of the Hiatt section, purchased Roberts-Wheelde laundry a few days ago, and will install the plant in the building recently vacated by D. B. Albright. Mr. Chestnut will move his family here and occupy the second floor of the building over the laundry. We welcome these good people, and hope that success will be theirs. W. O. Yadin gave his Sunday School class a motor trip to High Bridge one day recently.—Wm. Francisco was at home for a few days last week from Cincinnati, where he has a good position. Miss Anna Cass was a recent visitor to her sister, Mrs. L. B. Hilton at Stanford.—W. L. Roberts and J. H. Owens have opened a meat market in the Fifth stand next door to Citizens Bank.—Earl Leece went to Detroit a few days ago to accept a position with the other Brodhead boys.—P. F. Robbins sold to J. T. Riggsby, of Preachersville, sixty two head of sheep for \$400.00.—The Rev. A. B. Potori held services at the Christian church Sunday evening Mrs. Walter Adams, and little daughter, Inez, left the first of last week for Detroit to join her husband, who is now located in the northern city.—R. E. Albright, E. C. Watson, A. M. Hiatt, W. A. Robbins and John Robins attended the second day of the Berea Fair last week. Miss Alma Carson, who has been with her brother, W. A. Carson, for the past ten days left for Boone County where she will visit relatives before returning to her home in Oklahoma. Miss Carson taught school twenty five years in Guthrie, Okla. and two years in Bartlesville, Okla. since leaving Kentucky twenty seven years ago. She was principal of the school five years in Brodhead before she left for Oklahoma. Whim Adams and his two sons who have made their home in Indiana for the past two years are with relatives here for a few days. We often wonder if the property owners in our little town ever stop to think when they are cleaning their yards, and dumping all kinds of trash out in the streets in front of their property, that they are injuring the looks of their property, not improving it. We also wonder why it is that the Board of Trustees do not see that these property owners, or those who violate these laws, are not prosecuted? We are ashamed to have to call the attention of the public to these things, but when folks will clean out their back yard and carry all kinds of trash, chips, rocks, weeds and old cans and carefully place them on the streets it is time that they know other folks are looking at such cussedness.—Mr. and Mrs. A. M. Hiatt, Miss Ila Carson, Everett Watson and John Robins attended the Danville Fair last Friday. Joe Riddle went to Detroit one day last week, that is he started and made the finish about a day later, making the trip on his motorcycle. Joe returned Sunday but did not ride his motorcycle back.—J. B. Frith was in Louis-
