Austria Surrenders

Washington, Nov. 4.—Three hundred thousand Austrian soldiers and not less than 5,000 guns had been captured by the victorious Italian armies before the armistice went into effect at 3 o'clock this afternoon, said an official dispatch to day from Rome. This included all captured since the offensive began October 4.

The soldiers of the once powerful Austrian army, the dispatch said, continued to flee in disorder. Since the offensive started sixty-three Austro-Hungarian divisions were put out of combat by fifty-one Italian divisions, three British and two French divisions, with Czech-Slovak units and an American regiment.

"The war against Austria Hungary, which was commanded of his majesty, the King of Italy, with an army inferior in number and with still inferior means since the 4th of May, 1915, has come to an end," said the dispatch. "With unshakable faith and indomitable valor the Italian army waged a continuous and hard war for a period of forty one months and won the stupendous battle begun the 4th of October, and in which were engaged in their entirety all the resources of the enemy.

"So far the enemy has left in our hands 300,000 prisoners and not less than 5,000 guns. The soldiers of what used to be one of the most powerful armies in the world are now fleeing in disorder and without hope from the valleys which they had invaded with truculent confidence.

"On October 31, after having overcome on strongly fortified positions the resistance of powerful enemy rearguards, our troops consisting of fifty-one Italian divisions, three British and two French divisions, with Czech-

Slovak units and an American regiment, put out of combat sixty-three Austro-Hungarian divisions.

"The rapid and most daring advance of the 9th Army Corps to the city of Trento, precluding the retreat of the defeated enemy troops, pressed from the west by the 7th Army Corps and from the east by the 1st, 6th and 4th Army Corps, determined yesterday the complete crumbling of the Austrian front.

"From the River Brenta to the sea the irresistible impetus of the 12th, 10th and 8th Army Corps pressed inexorably the enemy retreating across the plain. The Duke of Aosta is advancing rapidly at the head of his invincible Third Army, anxious to return to the old position which he had once heroically conquered.

"The Austro-Hungarian army is destroyed. It has suffered heavy losses in the tenacious resistance during the first days of the offensive, and in the pursuit it lost an enormous quantity of material and artillery.

"In Albania our advance guards have occupied Scutari."

MASS MEETINGS IN CITIES AND TOWNS

Kentuckians Everywhere Will Listen to Speakers—Business Men's Clubs to Hear of War's Welfare Work.

On Friday, November 8, there will be a mass meeting in each of the largest cities and towns in Kentucky in furtherance of the interest in the United War Work Campaign.

These mass meetings will be addressed by prominent speakers who will not forth the activities of the Y. M. C. A., the Y. W. C. A., the National Catholic War Council, the Jewish Welfare Board, the War Camp Community Service, the American Library Association and the Salvation Army, the seven organizations which are providing physical, mental and moral help to our soldiers overseas and in the camps in this country as well as doing a noble work in providing food, clothing and shelter for the several millions of women and girl munition workers both in the United States and in France.

During the week of November 3 to 10 there will also be a series of business men's conferences held under the auspices of the Commercial, Rotary and Kiwanis Clubs of every city of 5,000 or more inhabitants in the state. These conferences will be addressed by prominent and successful business men who have acquainted themselves thoroughly with the work of the seven organizations and who appreciate the imperative necessity for continuing and increasing the activities.

Many of the men who will address the meetings are fathers or close relatives of boys who are serving in France and who have learned directly through letters from the boys at the front, of the incalculable help all the seven organizations is rendering their soldiers every day.

PARADES IN STATE FEATURE CAMPAIGN

United War Work Drive in Kentucky Will Be Splendidly Advertised on Saturday, November 9.

Parade Day in Kentucky will be Saturday, November 9, when fifty or more cities and towns in the state will hold patriotic parades in honor of the United War Work Campaign which starts November 11 and continues through the 18th.

Elaborate plans are being made in many of the towns to put the parade on in a manner befitting the importance of the seven organizations, the Y. M. C. A., the Y. W. C. A., the National Catholic War Council, the Jewish Welfare Board, the War Camp Community Service, the American Library Association and the Salvation Army, and the great welfare work they stand for.

Every city and town in the state will be decorated with the posters and banners of each of the seven agencies and countless banners, pennants and flags will be carried by the paraders.

In many of the towns plans are under way to have the United War Work Campaign parade held at night and some brilliant programs have been mapped out to make the parade a very spectacular event.

Owensboro and Hodgenville are going into their parade program on an elaborate scale and the citizens of all denominations and creeds will unite in carrying out the spirit of the joint drive.

The Louisville parade will be put on at night and thousands of participants will march. The colored people are working earnestly and enthusiastically to help put the United War Work Campaign over and they will have a large representation in the parades.

In addition to the seven organizations mentioned there will be sections of Victory Boys and Victory Girls, and one of the students, who are among the most enthusiastic workers in the United drive.

While the influenza epidemic has interfered somewhat with the general parade program in the state, inasmuch as many have been prevented from entering into the preliminary arrangements, the fact that crowds may gather out-of-doors, makes it possible for almost every community to put on a more or less elaborate program.

"PERSHING DAY" ON COUNTY COURT DAY

Speakers Will Talk of United War Work Campaign Drive in Rural Sections of Kentucky.

County Court Day in 39 counties in Kentucky falls on Monday, November 11, the first day of the United War Work Campaign drive, the day which will be called "Pershing Day," because the great American general has so heartily endorsed each and all of the seven organizations united in the campaign—the Y. M. C. A., the Y. W. C. A., the National Catholic War Council, the Jewish Welfare Board, the War Camp Community Service, the American Library Association and the Salvation Army.

County Court Day, even in times of peace, is an occasion for much activity in the gathering together of the farmers of the district, but on "Pershing Day," with the word of the war on the lips of everybody, great zest and patriotism will be added to the usual buzz and hum of Court Day by hundreds of speakers who will lift their voices in the interest of the United War Work Campaign while the rural residents are gathered together around the county court houses or in other sections of the towns.

It is a mighty opportunity to bring the importance of the work of the seven agencies before the farmers, to pass the endorsement of Gen. Pershing right along, and to bring home the imperative necessity for not only continuing the war welfare work, but of extending the scope of the activities of the seven organizations.

Speakers will be supplied for each of the thirty counties which hold court on "Pershing Day," no less than six speakers being assigned to each town.

No farmer who comes to town to trade will escape hearing the wonderful story of the deed being wrought by the war welfare agencies and so impressed that he will carry the word back to his own friends to share it with his family.

It is a marvelous story, growing in greatness all the time, and it bears the stamp of the white seal of truth and high ideals, splendidly carried out in the United States and Overseas.

"ALL FAITHS" DAY IN BIG WAR WORK DRIVE

On Sunday, November 10, Churches of Every Denomination in Kentucky Will Hold Special Services.

"All Faiths Day" will be observed in Kentucky Sunday, November 10, when Protestant and Catholic, Jew and Gentile will join in setting forth the aims and objects of the United War Work Campaign, the week of November 11 to 18.

The Y. M. C. A., the Y. W. C. A., the National Catholic War Council, the Jewish Welfare Board, the War Camp Community Service, the American Library Association and the Salvation Army, have at the request of President Wilson, united for one great drive. The appeal of these seven organizations is not to one element alone for they collectively represent all religious creeds and faiths united in a mighty work for the welfare of our soldiers at home and overseas.

There is no narrow dividing line in the great work, no religious differences but all are bound together in one sublime faith, one great belief that in unity there is strength and in unity there is also the real spirit of Christianity.

Just what each of the seven organizations is doing for the morale not only of the soldiers, but the several millions of women and girls who are working in munition plants in this country and in France and for other women workers in the industrial centers, will be set forth.

Ministers, priests, pastors, prelates, rabbis and other religious leaders of every sect and denomination will be represented on the platform on that day. The "Victory Boys" and "Victory Girls" will be reached through the Sunday Schools.

On the afternoon of the same day, Sunday, November 10, a rally will be held in every precinct in Kentucky at which the activities of the seven great organizations of the United War Work Campaign will be set forth by speakers who are qualified to tell the story of the work.

At night on the same day United War Work Campaign rallies will be held in every county in the state with two speakers at each rally who will tell of the far reaching effect of the work of the seven agencies.

These county rallies will be held in each county seat and in counties where there are towns of good size a rally will be held in each town.

Every man, woman and child in Kentucky will be made familiar with the wonderful story of the work of the seven organizations on "All Faiths Day."

In camps and cantonments in the United States and overseas there are 812 libraries and 1,547 branches containing more than 3,000,000 books and 5,000,000 copies of periodicals. There are 250 additional libraries on the ships of our fighting fleets and merchant marines, and the number should be vastly increased. The American Library Association is one of the seven organizations in the United War Work Campaign, and its quota will be devoted to supplying our soldier boys and munition workers with books and periodicals. A great work.
