

The Owingsville Outlook.

OWINGSVILLE, KENTUCKY, THURSDAY, MAY 19, 1898.

NO. 44.

Tobacco Hoes all sizes and prices at Jno. A. Ramsey & Co's.

The locust bloom is late and very light.

Born, May 5th, to Mr. and Mrs. Robt. Shields, of Flat Creek, a son. Celebrated Tiger Hay Rake, a full line. Jno. A. Ramsey & Co.

The only real bargains to be found in Owingsville are at Mrs. Estill's.

Three trains loaded with about 1,200 soldiers passed westward over the C. & O. early Tuesday morning on the way to Chickamauga.

You can rely on everything that you buy from Mrs. Estill being the latest style.

Have you seen the Walter A. Wood Tubular Steel Mower? It is a daisy.

Sam and Taylor Bradley caught in Licking river near Wyoming Monday night a 37-lb. catfish on a trot-line. They sent the fish here Tuesday.

Red, yellow and white Sweet Potato plants (good ones) at Brother & Goodpaster's. May 19, '98

The "genuine Brown" is at the head of the Double Shovel Plow family. Try one.

A powerful rain fell Monday evening, making a fine tobacco season, which the farmers took advantage of Tuesday, setting a good many plants.

Price a Walter A. Wood Tubular Steel Mower at Ramsey & Co's before you buy.

Dr. G. W. Conner tells us that he is doing a good business with his stock, at his barn on Prickly Ash.

The late Prof. Jesse Sommers, wife, mother of Mrs. L. C. Frederick, of Salt Lick, this county, died at the home of her daughter Mrs. W. E. Price, at Elizaville, Wednesday last week.

FOR SALE.—One hundred thousand Sweet Potato plants. Address BROTHER & GOODPASTER, May 18, '98. Owingsville, Ky.

Brown Double Shovel plows and five-tine Cultivators are the best. Jno. A. Ramsey & Co.

There will be a box supper at Jackson's school-house next Saturday night for the benefit of the Sunday-school. All are invited.

And you didn't know there was any difference in sweet potato plants? Oh, yes, there is a great difference. You can get the best ones at Brother & Goodpaster's.

I will sell you goods cheaper than anyone and give you a nice Gingham or Calico dress for every \$5 cash purchase. Mrs. ESTILL.

DECLARED DIVIDED.—The directors of the Owingsville & Wyoming Turnpike Co. last Saturday declared a dividend of \$2.40 per share of the capital stock. In a short time, they will be able to pay a larger dividend when they get some settlements made.

A full line of Walter A. Wood Tubular Steel Mowers. All sizes at Jno. A. Ramsey & Co's.

Do not forget that Mrs. Estill will sell you the prettiest hat for less money than any one in town.

PUBLIC SALE.—As administrator of the estate of J. S. Phelps I will sell on May 27th at 10 o'clock, at the residence of Mrs. Phelps, lot 28th at Olympian mill, lot of lumber, household goods and numerous other things. Terms made known on day of sale. R. T. GAULT, Adm'r.

HAD BIRDS.—The birds are misbehaving to an unprecedented extent this spring. The English sparrow, the robin and the blackbird, are all eating up certain sorts of tender garden vegetation as fast as it appears and even wantonly pulling up plants that they fail to eat. Peas, pepper and some other plants have suffered severely in that way.

The horse J. S. Brown shows for himself; a colt by him will be valuable to his owner.

All the new and desirable styles in Millinery at about 25 per cent. less than you can buy elsewhere. Mrs. D. S. ESTILL.

Buggy Dusters are not expensive this season. We have a full line bought direct from manufacturers at fair prices.

JOHN A. RAMSEY & CO.

TOPILES POTATOES.—John Dun can, of color, has found out that potatoes will grow and produce a fair crop sometimes without appearing above ground. He has experimented for years by marking the hills that sent up no stem and always at digging time found a good lot of potatoes there. He brought to this office Monday a potato that he had planted and it made no top, yet it had two young tubers as large as a pigeon's egg growing from it.

Ladies, you can go to Mrs. Estill's and get a complete outfit: from a kerchief to an elegant dress and hat. She keeps everything that ladies wear.

We offer you the BEST Saddles and Harness we CAN HAVE MADE, at fair prices. Come and examine our stock. Jno. A. Ramsey & Co.

Have you seen those new Woolen Dress Goods at Mrs. Estill's? They are beauties and the latest things out.

Somebody poisoned the big mastiff that was such a pet of Dr. Guggell's family, Wednesday night of last week. Doctor found a bone with Paris green on it in his yard.

Our stock of Saddles, Harness, Buggy Dusters, Whips, &c., &c., is full and we invite your inspection. JOHN A. RAMSEY & CO.

Louis H. Landman, M. D., of No. 503 W. 9th St., Cincinnati, O., will be at the Owings House Monday and Tuesday, 23d and 24th inst. Dr. Landman's practice is limited to the eye only. He has been visiting Mt. Sterling, Ky., every second Thursday of each month for several years, and is endorsed by the leading physicians of that city, as well as by the prominent citizens, as a physician and gentleman. You can procure glasses from him at popular prices.

Having decided to reduce my large stock of goods I will sell at cost for cash 60 days the entire stock, which is full and complete. NEWTON JOHNSON, Grange City, Ky.

C. D. KILLPATRICK'S DEATH.—Charles D. Killpatrick died Wednesday of last week, probably at the home of his father-in-law, John R. Carpenter, at Flemingsburg, where he had recently been living. Until a few months ago Mr. Killpatrick had resided at this town for some twelve to fifteen years previously, engaging in business as clerk, hotel-keeper, grocer and later life insurance soliciting. He became widely known and popular. A year or more ago he was stricken down with partial paralysis, and it was regarded by his physicians as a case hopeless of recovery. His disease will be lamented by many friends in this section. He leaves a wife, but no children. He was aged about 40 years.

COOK MILL.—I have bought Clark Crouch's corn mill in town. Regular grinding days are Friday and Saturday. Meal exchanged for corn at any time my customers bring it. S. P. ATCHISON.

WE WANT YOUR TRADE and will guarantee our goods and prices to be such that warrant you in giving it to us. Will take pleasure in showing you through our stock. JOHN A. RAMSEY & CO.

REUNION AT NORTH MIDDLETOWN.—There will be a Reunion of all who have ever attended any school at North Middletown, Ky., held in the College Park at North Middletown, Ky., on Wednesday, June 1, 1898. The Carlisle Military Band will be in attendance. Basket dinner on the ground. Songs sung at College Commencements 40 years ago will be rendered, and many other interesting features to bring back "The Days of Auld Lang Syne." All former scholars, teachers and patrons cordially invited.

Those from a distance who expect to stay over will please be sure to notify J. M. Collins, Secretary, North Middletown, Ky., in order that suitable entertainment may be provided. An immense crowd is expected. Already many homes have been provided with all they can possibly entertain.

JOHN L. FISHER, Chairman Com.

We are prepared to furnish anything in Saddles, Harness, Bridle, Whips, Blankets, Lap Dusters, Spurs, Bits, &c., and extra parts for Harness at living prices. JOHN A. RAMSEY & CO.

TOBACCO REPORT.—EXPERIENCES FOR THE OUTLOOK BY J. S. PHELPS & CO., PLANTERS WAREHOUSE.—Louisville, May 14th, 1898.—New Bulletin.—We cannot see any change in prices from those that ruled last week. Receipts and sales continue very small, and it is fortunate for sellers that this is the case, as the large manufacturers are very indifferent. While speculators seem to have faith enough in the future to carry their present holdings they do not seem anxious to increase them. We hope and believe the present indifference on the part of large manufacturers will disappear when the tax question is settled and the plug trade resumes its regular course. When fresh country tobacco decided in character appeared this week it was taken at prices satisfactory to sellers, but when in bad order or lacking in character in any particular it was neglected.

OLD BURLY.—The common and medium grades sold at about the same prices they brought last week. A few hds. of good to fine leaf appeared during the week and sold as high as \$18 per hundred. While this is better than they would have done at any time in the past six weeks it is still two or three cents below the same grade of New leaf.

DARK TOBACCO.—The demand continues fair for all rich, heavy-bodied leaf and lugs and all long leaf suitable for re-handling. The common, nondescript leaf, lugs and trashes have few friends and are hard to sell at the low prices that have ruled for some time past.

We have a large stock of HAND-MADE Boys', Youths' and Men's Saddles. We know they CANNOT BE EXCELED BY ANYONE. We invite your inspection. Don't cost anything to examine them.

Yours very resp., JOHN A. RAMSEY & CO.

T. S. Shroust is the only undertaker in the town doing business who has his Diploma for Embalming the Dead. Satisfaction guaranteed or no charge. 311f

Nothing but war talk. The people should be against it. Not only is this war wrong as a matter of policy; it is wrong in principle. If we could have shown that the Spanish government was responsible for the blowing up of the Maine that would have been a cause for war if they denied satisfaction. We have not done so. We have not claimed to have done so; we are not going to war about the Maine at all. We are going to war because the Spanish and the Cubans won't stop fighting when we order them to stop. There is absolutely no law of nations which authorizes us to do this. It is only when war

prove short, the bloom for these varieties being very light.

As to peaches there is a wide difference of opinion on conditions. Many correspondents report the crop totally lost, others report a light crop still remaining, and a few reports are received that the crop is unimpaired.

Taking the counties of Carroll, Hardin, Larue and Trimble, all large growers of peaches, the condition of this crop is given in those counties as 42, 80, 30 and 20 respectively. In regard to pears and cherries there is also a wide divergence of reports. The consensus of opinion is that there will be little if any pear crop and no cherries, with the possible exception of such varieties as Merillos.

Grapes promise a fair crop, but strawberries have a light bloom. The conditions as compared with average year are: Apples, 81; peaches 37; pears, 43; cherries, 53; grapes, 84; and strawberries, 78.
