THOSE who can enjoy seeing two great overgrown human mules kick and batter each other out of shape will have an opportunity to witness that revolting spectacle at Goldfield, Nevada, on July 4, when Jack Johnson, of color, and Jim Jeffries, of white, meet in the squared ring.

NEW MEXICO and Arizona will become States of the Union in a short time, adding two more stars to the flag, which will then number 48. Alaska is the last remaining territory out of which to erect States unless by some means Porto Rico, the Philippines and the Hawaiian Islands are brought under the constitution. The Democrats rather confidently count on four United States Senators from the new States.

ADDITIONAL LOCALS.

NIXON-GARNER.—A wedding that was a great surprise to the many friends of each of the contracting parties was that of Ex-Jailer D. Samuel Nixon, of Preston, and Mrs. Dallas Garner, widow of Geo. Garner, at the home of the bride in Mt. Sterling Wednesday night, June 15. Elder Cleveland Carpenter performed the ceremony.

The bride is a daughter of Christian Shultz, deceased, and has been residing in Mt. Sterling for some years. She has two children: Chris Garner, of Slate Valley, and Mrs. — Parker, of Fayette county. She and Mr. Nixon were playmates and attended school together in childhood.

He has four children: William, Mrs. Tadge Gilbert, Beverly D. (Crow) and Randolph (Jink). He has a host of friends and well-wishers, all of whom rejoice in his matrimonial happiness. THE OUTLOOK joins in congratulations to Mr. and Mrs. Nixon.

FOR CIRCUIT CLERK.—Elsewhere Kim Dickerson is announced as a candidate for the Democratic nomination for Circuit Clerk of Bath county.

Mr. Dickerson is a thrifty, prosperous farmer, who until the first of this year, when he removed to the Lacy place at the edge of Owingsville, had resided near Reynoldsville. He is a first-class citizen, and is esteemed wherever known. He is a Democrat and he respectfully asks his fellow-Democrats to support his candidacy.

TRIBUTE TO JUDGE W. S. GUDGELL.—The regular Judge of this Court having absented himself at the present term in search for health, and the Governor of this Commonwealth having commissioned Hon. W. S. Gudgell, of Owingsville, as Special Judge to hold this our June term, 1910, of the Rowan Circuit Court, and the said Gudgell having accepted that commission, and under same is now closing the first week's work of said term of Court, and the entire bar having assembled in the Court-room in Morehead, Kentucky, just after the noon hour, the said Gudgell was thereupon asked to vacate the bench for a short period of time that this bar might inaugurate a mode of returning its thanks to the Special Judge of this Court for his services as such, whereupon Judge J. E. Clark was requested to take the chair, and after expressions from members of the bar of their deep appreciation of the way in which the Special Judge of this Court has treated the members of this bar, and conducted the business of the Court, the bar appointed Judges J. W. Riley, B. S. Wilson and William A. Young to draft resolutions of thanks for the able and efficient manner in which the Hon. W. S. Gudgell had presided as Special Judge of this bar. Said Committee offered the following resolutions:—

Resolved that we the members of the Morehead bar take this inadequate method of expressing our thanks to Hon. W. S. Gudgell, of Owingsville, Kentucky, for the able, efficient and fair way in which he has presided as our Circuit Judge for the present term of this Court. We especially thank him for his consideration and his painstaking with every member of this bar, and can say to him that it is the unanimous opinion of every member of this bar that a more able, efficient, fair, and magnificent judge never graced the judicial bench within our gates.

We have done a large amount of business at this term of Court, and it has been a great pleasure, and has lightened much the labor connected with it, in presenting the pleadings of our clients before this able, fearless, honest and upright judge.

We recommend that these proceedings, together with this resolution, be spread upon the order book of this Court.

Resolved that an attested copy of these proceedings be presented to Judge Gudgell, and a copy each to THE OWINGSVILLE OUTLOOK and the two Morehead papers; all of which is respectfully reported.

These resolutions were unanimously adopted.
