

## STANTON

A little grandchild came to see Mr. Charley Rice last week. She arrived at the home of Mr. and Mrs. Charley Rogers.

Mr. Robert Martin arrived home Saturday from a two weeks visit with Mr. Joe Willoughby, of Filson.

Mr. John Jackson remains about the same. His son Charley is still staying with him during his sickness.

Mr. J. Hardwick, of Wingenester, was here election day as was also Mr. John Hardwick, of Mt. Sterling.

Mr. Ras Houston, porter at Wyatt Hotel, in Whitesburg, is taking a little vacation. Ras is quite taken up with Whitesburg and thinks it is quite a business place.

Rev. L. F. Martin preached at L. & E. Jerusalem last Sunday.

Rev. R. S. Baker, of Faristown, Ky., will preach at the Christian church next Sunday.

The writer spent several days in Morgan county looking after his Sunday school work.

Mrs. M. A. Phillips is spending the month visiting her many friends and relatives in Montgomery and Menifee counties.

The farmers have been quite busy making sorghum the last few days. It is very fine this year, there having been an ideal season for it.

Jack Frost arrived and made himself known several days last week. He brought with him Indian Summer weather of which we all are appreciative.

Election day passed off very quietly, there not being a sign of drinking or as far as we have learned any vote buying.

Hallowe'en came last Saturday night and the boys had their usual fun. Their evidence is to be shown in various places.

The ladies of Stanton have organized a Woman's Christian Temperance Union with Mrs. Bettie Johnson as president. They sent her to the State W. C. T. U. Convention as a delegate to Winchester. The W. C. T. U. is one of the greatest organizations in the world today and doing more to put the liquor traffic out of the country than any other organization.

Mr. and Mrs. Jones have moved into the house with Mr. T. B. Anderson and will occupy the lower part of the house.

Mr. John Will Morton suffered a very severe cut on the hand and other injuries when he was run into by a bicycle ridden by one of Judge Derickson's boys. The town ordinance strictly forbids any one riding on the side walks with a bicycle and there is a penalty of \$5 for each offense.

Mr. Walter Burris has moved his family into the house of Mr. James Even across from the Christian church. Mr. Dave Lucas of whom we spoke last week bought the property occupied by Mr. Burris and will move here in the near future.

Bro. Henry Townsend, of Radford, Lee county, filled his appointment on Saturday night at Mt. Casan and on Sunday he and Bro. T. G. Watson preached at Hatton Creek school house and attended to the order of baptism and returned to Mt. Casan Sunday night and preached to a throng of hearers. Mr. Fred Ware, traveling salesman from Stanton called on our town merchant, Mr. Press Johnson and sold him a bill of groceries. Judge G. M. Derison, Deputy Sheriff was among the boys last week. He did a clean-up here, visiting nearly every house in the neighborhood. Mr. Lenning Howell is all smiles. He's a new cook and his name is Bola Howell. Mr. Morgan Pelfry and his wife, Dora, are here from Oakdale visiting friends and relatives. Courtney Rose and Pood Foster and Thaddeus Cole are three of the boys who are always at these places, at church with song books and ready to sing and help the preachers all they can. Be careful boys and don't let the girls get ahead of you in singing.

Mrs. Celia Comers son and wife come down to visit her from Breathitt county. We will have prayer meeting on Saturday night Nov. 7. All come out. Mr. Clinton Comers who

moved to Knowlton last March and has been confined to his bed all the time died on Saturday Oct. 11. He leaves a wife and two small boys who mourn his loss. Among the visiting brothers at a recent meeting was Bro. Miller and Henry Townsend, Bro. Rile Coomer, of Oakdale, and Bro. Nick Merrill, of Jeffersonville, Ky., and Bro. T. G. Watson, of Knowlton. We had a good meeting and the Word was preached to the letter. Morgan Lane, a boy of about 15 years of age and a son of Morgan F. Lane and Sally Lane, died near Thompson's Station in Clark county on Oct. 22, and was laid to rest at Lane cemetery near Rosslyn. The deceased was a grandson of James H. Lane and of P. H. Howell and wife and a nephew of Mrs. T. G. Cole.

Mrs. Verlin Snowden, Mrs. A. J. Martin and he leaves a host of relatives in Powell county and some of them are in the seventies and eighties and we regret that we failed to get a card in time to attend the funeral. Born, on the 18, of Oct., to Mr. Willie and Lillie Pelfrey, a son. On Oct. 24, born to Mr. H. K. Rogers and Ruth Rogers, a girl. Bro. James Kirk filled his appointment on Saturday night and Sunday at 11 a. m. and Sunday night. Mr. H. T. Derickson Sheriff, and his deputy, G. M. Derison was here this week to let the boys know that they had not left the county and left warning to some of them that they would be back again.

Mrs. Kate Bohanan, School Supt. visited the Mt. Cannan school recently. Thaddeus Cole was a recent visitor to Stanton on business. Alvin Proffit sold to Preston Johnson one cow for \$55. Mr. Paul Howell is in very bad health. (Contributed)

Mr. and Mrs. Chris Abner, of Hatton Creek, had the misfortune to lose one of their children this week from Whooping Cough. They have eight more that are sick with it.

Mr. Nelson Blunt has finished his contract on the house he built at Hatton Creek and is now working on the house being built in the Patrick addition.

As this letter is written the news came that Beckham, Camden and Cantrill carried the town of Stanton and all the trustees were elected as well as Judge M. A. Phillips as Police Judge of the town.

## A SATISFACTORY TEST.

The new limestone pulverizer for the purpose of preparing limestone for agricultural use and which was bought by a company of Fleming county farmers, was put to a satisfactory test Wednesday afternoon at the farm of Burns Bros., at Johnson, quite a number of farmers being present. It seems to do the work all right, crushing 2 1/2 tons an hour, fine enough for the agricultural purposes.—Fleming Democrat.

Pulverized Limestone is acknowledged to be one of the best fertilizers known, and is being largely used throughout Kentucky. Some has already been used in Powell, and many farmers are waiting to see how it will turn out before trying it more extensively.

## LOTS OF SORGHUM.

The cane crop in this county was one of the best in years, and farmers are busy now making the luscious sorghum. Good authorities say that there is more cane grown in Powell county than in any other county in the Union, and one thing is certain that it is better than the average. There has been a brisk demand here for some time for sorghum, and almost every day several shipments are handled by the express company, a great deal of it going to Lexington, Louisville and Cincinnati.

## RETURN FROM VISIT.

Mr. and Mrs. R. W. Garrett returned Friday from the home of their daughter, Mrs. Leonie Conlee, near Richmond, where they had been for a few days. A handsome baby girl was recently born to Mrs. Conlee, and for some days afterwards she was seriously ill, at one time having the attention of two physicians and a trained nurse. We are happy to say that she is now recovering nicely, and the baby is doing fine.

## Game Laws For State Of Kentucky

### Read These Over and Avoid Being Caught by a Game Warden and Fined For Ignorance.

The hunting season will open shortly, and many are unacquainted with the game laws. It is therefore well to glance over them and be sure you are complying with the law, as Game Wardens are liable to be on hand at any time. In August over twenty men in Clark county were caught and fined \$50 each for violations of the law. Clip this list out and keep handy.

### Lawful To Shoot. Quail and Pheasants—November 15 to January 1.

Rabbits and Gray Squirrel—November 15 to September 15.

Black and Fox Squirrel—June 15 to September 15; November 15 to February 1.

Doves—August 1 to February 1. Not affected by Federal law.

Woodcock—June 20 to February 1.

Wild Turkey—September 1 to February 1.

Wild Goose or Wild Duck—August 15 to April 1. Federal law, October 1 to January 16.

It is unlawful to buy or sell Quail, Pheasants or Wild Turkey.

Unlawful to kill insective birds, such as thrush, ball bats, meadow larks, martins, woodpecker, red or bluebird, catbird, etc. You may kill English sparrows, hawks, crows and great horned owls.

U. S. Federal Law For Protection Of Migratory Birds.

Wild Ducks and Geese—Open season in Kentucky is from October 1 to January 16, thus practically cancelling our State law, and does away with spring shooting.

Snipe—Open season is between September and Dec. 16, and as there is seldom any snipe in Kentucky at that time, it practically does away with snipe shooting entirely.

It is unlawful at any time to shoot migratory birds between sunset and sunrise.

## GOOD PROGRESS.

The new falsework for the central span of the Red River bridge at Videna has been completed and the iron work is now being swung into position. The first temporary train is expected to pass over the bridge early in December.

## FIRST SNOW OF THE SEASON.

The first snow of the season was reported last Wednesday from Letcher county, and, although the fall was not heavy, it remained on the ground for several hours.

## Democrats Win All Over State

Beckham Suffers Some Loss From "Wets," But Carries State By Big Majority.

Two United States Senators and nine Congressmen were elected by Democrats of the State Tuesday according to the returns already in. Former Governor J. C. W. Beckham and Johnson M. Camden both received majorities of about 30,000, and the Republicans had no chance there. The Progressives and Socialists were snowed under, and made a very poor showing everywhere.

Cantrill's majority in the race for Congress against Bristow, is in the neighborhood of 10,000.

In Ohio and California, where a vote was taken on State-wide prohibition, the "wets" won out.

## GAS FOR IRVINE.

Mr. George B. Williams, of Winchester, has secured the franchise to supply the town of Irvine with natural gas, and will at once commence work on the project. The gas will be supplied from the Cow Creek fields.

## TABULATION OF VOTES BY PRECINCTS

PRECINCTS.	SENATORIAL.		CONGRESSIONAL.	
	Beckham, D.	Wilson, R.	Camden, D.	Bristow, R.
Clay City	138	83	134	82
Stanton	140	123	136	123
Virden	35	45	34	45
North Fork	70	54	70	52
South Fork	23	47	29	47
Rogers Chapel	39	30	39	30
Slade	34	22	32	22
Hardwick's Creek	57	36	57	36
Totals	536	440	522	437
Majority for Beckham	96			
Majority for Camden	85			
Majority for Cantrill	80			

## Powell County Has Good Majority

All Three Democratic Candidates Get Substantial Lead Over Republicans.

Election day passed off very quietly in town and throughout the county there being no excitement of any kind and very little interest apparent. Many did not turn out to vote at all, and this lessened the Democratic majority somewhat. Progressives made a very poor showing, there being only about four votes cast for them in the county.

## Birds Are Plentiful In Powell County

When Season Opens On Nov. 15.

Farmers throughout the county report that there is a very plentiful supply of birds this year, and that there will be good sport for the hunters when the season opens on the 15. Owing to the very dry weather at the time the birds were hatching they had a chance to mature better than usual, and a smaller number perished than in other years. Hunters are now cleaning up guns and making great preparations for the opening of the season, and there is a probability of a large number of outside sportsmen coming to this county for their sport.

## FINED AT STANTON.

Frank Baker, who was arrested for a breach of the peace a few days ago, was tried at Stanton Monday, and Judge Knox fined him \$25 and costs. James Bradley, who was under bond for his appearance at Stanton for a breach of the peace, left the county and forfeited his bond.

## Good Sorghum Made In Powell County

Splendid Crops of Cane This year, and Demand is Good For Choice Molasses.

This season has been one of the best in the 12 years for cane, and the farmers of this county are now reaping the benefits of their labor with this crop. Several lots of molasses have been brought into the town, and there is a ready sale for it, and in addition to the local demand several large orders have been received from Lexington, Winchester and other cities by farmers who make a practice of shipping their sorghum in five and ten-gallon lots. Several loads have been taken from here to Winchester, and in every case the demand exceeded the supply when the people there had tasted the excellent product of Powell county.

## Commercial Club To Be Organized

Business Men of Clay City May Organize in an Effort to Bring New Business Here.

Several of the business men of Clay City have been talking of organizing a Commercial Club with the object of attracting new enterprises to the town, and such a course is to be highly commended. Clay City is one of the best small towns in the State, and if more people were acquainted with its many advantages there would undoubtedly be an increase in the population, and a live Commercial Club to seek for such industries and factories should meet with the approval of every citizen. A meeting of the business men will probably be called in a short time, and the matter taken up in earnest.

## CHILD DIES AT VIRDEN.

Benjamin, the three-year-old son of Mr. and Mrs. C. J. Swope, died last Wednesday after a short illness. The funeral took place Thursday evening at the West Bend church.

## TO LEXINGTON HOSPITAL.

Mrs. Wm. Kearns was taken to a Lexington hospital last week, where she will receive treatment for typhoid fever, from which she is suffering. Latest reports are that she is improving nicely.

## MOUNTAIN EDITORS TO MEET.

A movement is being put on foot to re-establish the Old Mountain Press Association, which was organized some years ago, but which fell through later. The editors of the mountains are now eager for it, and there is no question but that it would be of great benefit to the fraternity. It is to be hoped that the date of the first meeting will be soon announced.

## RAILROAD IMPROVEMENTS FOR ESTILL COUNTY.

The Estill Tribune announces that the L. & N. is planning to erect an elegant building near the new shops and round house, to be used as offices by the various departments connected with the operation of the road there. It is also stated that a large cross-tie plant will be installed there for the purpose of treating the material used by the company on their lines. The location of the latter plant has not yet been settled.

## BOURBON FARM SOLD.

J. L. Soper, of Paris, purchased the H. T. Hopkins farm on the Little Rock pike, in Bourbon county, the price paid being \$76 per acre. The farm was improved with tenant buildings.

## ARRESTED ON SECOND CHARGE.

Ennet Harris, of Bath county, who was tried and acquitted last week on a charge of killing Enoch Pergram on July 11 last, was immediately re-arrested at the conclusion of the trial and taken to Bath county, where he had been indicted for the killing of Enoch Pergram's brother, Bryan. Both men were shot at the same time, but Enoch was taken to a Lexington hospital, where he died later. Bryan was instantly killed, and Marshall Pergram, father of the boys, was badly wounded, but was taken to a Lexington hospital where he recovered.

## Child Dies Of Whooping Cough

Infant Daughter of Mr. and Mrs. H. G. Crabtree—Buried Wednesday Morning.

Etta Ethel, the two-months-old daughter of Mr. and Mrs. H. G. Crabtree, died Monday night after a short illness with whooping cough. About a week ago the little child was severely burned as the result of an accident, and this was said to have aggravated the disease.

The funeral took place Wednesday morning, services being held by Rev. L. F. Mann, and interment in the Old Hoskins burying ground, on the Crabtree farm. The parents have the sincere sympathy of their many friends in the community in their loss.

## CORN WILL BE HIGH.

According to present prospects corn will be high this year. Very little has changed hands yet in this county, but what has been sold has brought from \$3 to \$3.25 a barrel, which is higher than the usual price at this season. The crop throughout Powell county was excellent, and if the price goes to \$3.25 and \$4, as predicted by some, it will mean a good thing to farmers in the county.

## Many Hallowe'en Night

Considerable Damage Is Done by Young Men Saturday Night.

Hallowe'en was celebrated by a large number of Clay City young people Saturday night, and considerable damage was done to property. The fence around the Christian Church was torn down, and several pieces of sidewalk were overturned in various parts of the town. The footbridge opposite the Bank was also demolished. These were about the only serious pranks played by those who indulged in the occasion, although numerous other instances were recorded of where the marauders went to considerable trouble to remove the wagons, buggies, etc., that were left out, at different places. Jimmie Bloom had a couple of hours' work Sunday morning clearing away a cord of Mr. Cassidy's wood away from his doorway, and the Company store was also favored with a nice pile of fuel, piled carefully in the doorway. These pranks were all accepted in the spirit in which they were played, but the malicious destruction of property, such as tearing down the fence around the church and breaking into barns, was condemned by all the peace-loving citizens, and will not be tolerated. If the offenders are caught they will be made to pay the penalty.

## LATE MARKETS

### CINCINNATI LIVE STOCK.

Cincinnati, O., Nov. 5.—Receipts and shipments of live stock at the Cincinnati Union Stockyards Wednesday were: Cattle, Hogs, Sheep. Receipts..... 242 3412 195

CATTLE—Very slow, good light butchers about steady, other grades weak. Shippers \$6.25@7.25, butcher steers, extra \$7.25@7.50, good to choice \$6.50@7.25, common to fair \$5.50@6.25, heifers, extra \$6.85@7, good to choice \$6.25@6.75, common to fair \$4.50@6, cows, extra \$5.75@8, good to choice \$5.25@5.65, common to fair \$3@5, canners \$3@4.25.

BULLS—Steady and slow. Bulls \$5.75@6.15, extra \$6.25, fat bulls \$6@6.50.

MILK COWS—No sales. CALVES—Good strong to 25c higher, common slow and weak, extra \$10, fair to good \$7@9.75, common and large \$4.50@9.50.

HOGS—Packers and butchers 10c lower, shippers not buying, light hogs few sales to local packers, 15c to 25c lower. Selected heavy \$7.45@7.50, good to choice packers and butchers \$7.45@7.50, mixed packers \$7.25@7.45, stags \$4.50@6.40, common to choice heavy fat sows \$4.75@7, light shippers \$4.50@6.85, pigs (110 lbs and less) \$4.50@6.

### TURKEYS WILL BE HIGH.

There is every indication that there will be a splendid crop of turkeys this year in Powell and adjoining counties, and farmers are already figuring on what the Thanksgiving price will be. So far but few inquiries have been made here, and the price offered, thirteen cents on foot, did not tempt the owners into selling as there is a probability of them going to fifteen cents before long. If buyers have to pay fifteen cents for them, many a family will have to substitute something less expensive for the festive board on Thanksgiving as that price on foot means that they will be at least 22, and probably 25 cents, in the city markets.

### WILDCAT KILLED IN WOODFORD.

A large wildcat was killed last week in Woodford county after an allnight chase by two men and a pack of eight dogs. The dogs were in several skirmishes with the cat, and the latter whipped six of them before it was killed. It is supposed that the cat came down from the mountains on a raft or brush pile during the recent high water.

**Try The Times FOR YOUR Job Printing**

We have on hand a complete line of job stock and can turn out letter heads, envelopes, statements, cards, posters, shipping tags, and, in fact anything in the line of printing. Try us and see.

**The Clay City Times**
