He Learned a Great Truth.

It is said of John Wesley that he
once said to Mistress Wesley: "Why
do you tell that child the same thing
over and over again?" "John Wesley,
because once telling is not enough."
It is for this same reason that you are
told again and again that Chamber-
lain's Cough Remedy cures colds and
grip; that it counteracts any tendency
of these diseases to result in pneu-
monia, and that it is pleasant and safe
to take. For sale by Day Bros. Co.

"If women would pay more attention to
their health we would have more happy
wives, mothers and daughters, and if they
would observe results they would find
that the doctors' prescriptions do not
perform the many cures they are given
credit for."
"In consulting with my druggist he ad-
vised McElree's Wine of Cardui and I
have every reason to thank him for a new
life opened up to me with restored health,
and it only took three months to cure me."

Wine of Cardui is a regulator of the
menstrual functions and is a most as-
tonishing tonic for women. It cures
scanty, suppressed, too frequent, irreg-
ular and painful menstruation, falling
of the womb, whites and flooding. It
is helpful when approaching woman-
hood, during pregnancy, after child-
birth and in change of life. It fre-
quently brings a dear baby to homes
that have been barren for years. All
druggists have \$1.00 bottles of Wine
of Cardui.

WINE OF CARDUI

A Jolly Crowd.

Miss Nellie Marcum, accompanied
by her brothers, Tom and Alfred, and
Miss Julia Williams, spent last Sunday
visiting the family of Mrs. Shely, near
Elkatawa, about three miles west from
Jackson, on the L. & E. They reported
a pleasant day gathering papaw's,
chestnuts, persimmons and other frost-
ripened, autumn-flavored fruits.

When they returned they brought
two natural wonders—a pumpkin weigh-
ing twenty pounds, and which Master
Alfred declares would make a capital
Jack-o-Lantern; and a large eagle
which Tom killed, measuring five feet
from tip to tip.

Gained 40 Pounds in 30 Days.

For several months our younger
brother had been troubled with indig-
estion. He tried several remedies
but got no benefit from them. We
purchased some of Chamberlain's
Stomach and Liver Tablets and he com-
menced taking them. Inside of thirty
days he had gained forty pounds in
flesh. He is now fully recovered. We
have a good trade on the tablets.—Hol-
ley Bros. Merchants, Long Branch, Mo.

School Fund.

Below will be found the amount of
money furnished Clark and Breathitt
counties for school purposes and the
number of school children in attend-
ance:

	AMOUNT.	SCHOLARS
Clark	\$ 9,408.28	2,208
Breathitt	14,361.74	1,805

\$4,983.46 403
From this report we can see that
Breathitt draws \$4,983.46 more than
Clark, besides not having as many
scholars to teach as Clark, by 403.

Form Partnership.

Judge C. X. Bowling and J. Wise
Hagins have entered into a partner-
ship for the practice of law, and have
established their office in the New
Office, over the Post Office, where
they will be glad to receive all their
friends and old and new business
in their line.

We presume both members of
this firm are pretty well known to the
people of this county, and do not need
any introduction through the columns
of the News.

Judge Bowling has been a member of
this bar for about ten years, and has
served a term as Police Judge of
Jackson. As to the other member of
the firm, made public by saying
very much. He asks that they be
given a share of the patronage, and
let them say what they can do.

Do Good—It Pays.

A Chicago man has observed that
'Good deeds are better than real
estate deeds—some of the latter are
worthless. Act kindly and gently,
show sympathy and lend a helping
hand. You cannot possibly lose it.'
Most men appreciate a kind word and
encouragement more than substantial
help. There are persons in this com-
munity who might truthfully say: "My
good friend, cheer up. A few doses of
Chamberlain's Cough Remedy will rid
you of your cold, and there is no dan-
ger whatever from pneumonia when
you use that medicine. It always
cures. I know it for it has helped me
out many a time." For sale by Day
Bros. Co.

One of Breathitt's First Settlers.

The following is clipped from the
Louisville Times:
"Mrs. Phoebe Banks, of Breathitt
county, aged 107, is the oldest person
in that county and probably in that
section of the State. Mrs. Banks went
to what is now Breathitt county when
a mere child and has not been outside
its borders a half dozen times in a hun-
dred years. She lives with her son
and daughter-in-law on a small farm
near Jackson. Her son is past seventy years
of age. The old lady is in possession
of all her faculties, and it is said, dis-
tinctly recalls all of the Breathitt feud
troubles and talks intelligently con-
cerning them. She was a member of the
third party of settlers in the territory
which is now Breathitt, Perry, Owsley
and Clay counties. She is said to have
never worn a pair of shoes in her life.
She has records at her home, proving
her to be more than 103, and hers if
say she is 107."

Hurrah For Capt. Longmire.

The soldiers, under command of
Capt. Longmire, are hard at work put-
ting down a plank walk on Arlington
Avenue. This was the worst pre-
vent in the city, and no attempt had
been made to repair it. Too much
praise cannot be bestowed upon the
Captain and his force of "carpenters"
for the repairs he had made for the city.
For a plot to take Chamber-
lain's Stomach and Liver Tablets.

Killing at Elkatawa.

Chad Salyers Jr., son of James Sal-
yers, was shot and instantly killed at
Elkatawa about noon last Saturday by
Robert Chaney. They had had no
previous difficulty. Salyers had killed
Ed Eastin, at Oakdale, about two
months ago, but that trouble had no
connection with the trouble at Elkatawa.
Chaney immediately came to
Jackson and gave himself up to the
authorities.

fifty friends, who came to pay their

Ran a Ten Penny Nail Through His
