## AMERICANS

### RUSH TOO HARD IN THEIR LABOR

Consequently They Fail to Extract the Real Joys Out of Life.

In the January Ladies' Home Journal Edward Bok deplores the sense of restlessness that has taken hold of the American women, and emphasizes the dangers arising from this condition of unrest. "Take your family life to-day," he says. "Look around one's own family circle, look into its life, look into the families we know, and tell me if I am so far wrong when I say that what our American families need more than anything else is more time with each other; more drawing together; more moments of being alone with each other; a greater extraction of the peace and comfort from those material surroundings which each so earnestly strives for, and all are too much satisfied to strive for simply to possess, and nothing more. We are all too much in a hurry in America to allow of our knowing and enjoying each other; our lives are too full with the things which ought to be secondary and which we have allowed to dominate us. We are all too busy; men and women, girls and boys—all of us. We are not getting the rich beauties out of life; the greatest enjoyment out of living. Rush and haste are too much upon us. The sweet balm of peace and quiet is an unknown delight to thousands of our people. And much of the cause, disagreeable as it is to say it, lies with our women who have of late allowed their lives to become too full. I will not say that they have neglected, to any alarming extent, the fundamental duties of wifehood and motherhood. But I do say that the danger of doing so in the very near future exists, in many an instance, if things are allowed to go on as they have gone."

Seems as if all things we like disagree with us, and all the things we don't like, agree with us. Dyspepsia strikes in most of the good things we eat and indigestion follows the gratification of appetite. Of course it isn't nature's fault. Nature does the best she can, and if a man will only help her a little bit at the right time, he may eat what he likes and as much as he likes. Dr. Pierce's Pleasant Pellets are for people who are troubled with indigestion. Particularly for those in whom it manifests itself in the form of constipation. The "Pellets are quick and easy in their action. They are in perfect harmony with Nature. They effect a permanent cure. You need take them regularly only a little while. After that use them occasionally when you need them—when you have eaten anything that disagrees with you. They may be taken as freely as you would water or any other necessity of life. Once used they are always in favor.

## MULTI-MILLIONAIRES

That Live at the Corners of Fifth Avenue and Fifty-Seventh Street.

Multi-millionaires' Four Corners is situated at Fifth Avenue and Fifty-seventh street, in this city. If you stand in the middle of the avenue you see a multi-millionaire's house on corner—the hub of the American millionaires' universe.

On the northwest corner is the house of Cornelius Vanderbilt, on the northeast corner that of Herman Oelrichs, on the southwest corner that of Harry Payson Whitney, and on the southeast corner that of Collis P. Huntington.

The total wealth of these four households is more than 220,000,000. The real estate that they occupy, without considering the houses at all, is worth \$2,000,000. The estimated value of their contents is \$10,000,000. They are all multi-millionaires. For neighbors they have more millionaires. Those who live on the four blocks that contains multi-millionaires' Four Corners spend more money than any equal number of persons living anywhere in the world.—New York Journal.

### What Shall We Do?

A serious and dangerous disease prevails in this country, dangerous because so deceptive. It comes on so slowly yet surely that it is often firmly seated before we are aware of it.

The name of this disease, which may be divided into three stages, is, First, Kidney trouble, indicated by pain in the back, rheumatism, lumbago, frequent desire to urinate, often with a burning sensation, the flow of urine being copious or scant with strong odor.

If allowed to advance, this reaches the Second Stage, or Bladder trouble, with heavy pain in the abdomen low down between the naval and the water passage, increasing desire to urinate, with a scalding sensation in passing, small quantities being passed with difficulty, sometimes necessary to draw it with instruments. If uric acid or gravel has formed, it will prove dangerous to neglect it.

The Third stage is Bright's Disease. There is comfort in knowing that Dr. Kilmer, the great kidney and bladder specialist, has discovered a remedy famous for its marvelous cures of the most distressing cases, and known as Dr. Kilmer's Swamp-Root.

It is sold by all druggists. As a proof of the wonderful virtues of this great discovery, Swamp-Root, a sample bottle and a book of valuable information will be sent absolutely free by mail on application to Dr. Kilmer & Co., Binghamton, N. Y. When writing kindly mention that you read this liberal offer in THE MT. STERLING ADVOCATE.

### TRUST RAISES PRICES.

Print Cloths Made a Big Jump At Chicago.

Print cloths, the principal staple of the dry-goods trade, are in a highly excited condition, and have advanced 25c in four or five weeks—a abnormal rise for the goods. In November was 1 15 16c a yard. Thursday the quotation was 2 25c, with strong probabilities in the minds of the trade of reaching 2 50c within a short time. The advance is largely the result of a trust agreement made between the manufacturers.

### A Spaniard Stabbed.

A Spaniard at Havana who was commanded to shout "Viva Cuba Libre," refused and was fatally stabbed by a Cuban mob. The American patrol has made thirty arrests of rioters.
