

MT. STERLING ADVOCATE.

ITEMS, NEW AND TRUE; THOUGHTS, GENEROUS AND GENTLEMANLY

VOLUME XXII

MT. STERLING, KENTUCKY, WEDNESDAY, SEPTEMBER 25, 1912.

NUMBER 12

E. R. Little Sells Wyetta.

Mr. E. R. Little, of this city, has sold his fast pacing mare, Wyetta, to J. G. Cecil, of Danville. While the price was not made public it is said to be a good one. In speaking of the mare, the Lexington Herald says:

Wyetta is a daughter of Gambetta Wilkes and Credition 2:22 1/2, by Nuthurst 2:12, and a full sister to the crack pacer, George Gano 2:02 and Credette 2:04. Her record of 2:15 1/2 was taken over a half mile track at Louisville. She paced three heats close to 2:10 and on another occasion paced to the half in 1:02 1/2 over a half mile track. She was bred by the Messrs. Cecil at Danville, and bought by Mr. Little with a number of other horses nearly two years ago.

Wyetta is not only a fast mare, but a good headed, good gaited one in addition to being a handsome one. Her brother, George Gano, landed the Chamber of Commerce and Tennessee, and was the biggest money winner of his year, and her dam is a half sister to Emma Offutt 2:11, the M. and M. winner, and the biggest money winning trotter of her year.

Off For the Races.

Messrs. A. B. Setters and Jas. R. Peed left Saturday for the Tennessee fair circuit where they will race their pacing horse, John Rowan, and their runner, Mallow Dixon. These gentlemen recently returned from a circuit of fairs, including Middlesboro, Somerset and other cities, where they were very successful, winning six out of seven races with John Rowan. Mallow Dixon won five races and Ozora two. They expect to be on the Tennessee circuit about five or six weeks and their many friends here wish for them continued success.

Cataract Removed.

J. W. Hendrick, of Pomeroyton, was in this city Monday and had an operation performed on his left eye by Dr. J. F. Reynolds, a large cataract being removed. The operation was very successful and Mr. Hendrick is recovering rapidly.

Shelburne Declines.

Victor Shelburne, whom it was thought would be the manager of the new Farmers' Tobacco Warehouse in this city, having declined, the directors have elected C. C. Chenault, Pierce Winn and A. B. Olham as Board of Managers and they will take charge.

The Trotting Meeting which was to have been held in this city Oct. 3, 4, 5, has been declared off owing to the few entries received. We indeed are sorry that the meeting could not be made a go, as we believe it would have been a splendid drawing card for Mt. Sterling and feel that horsemen should have given Mr. W. Hoffman Wood, who was back of the enterprise, more encouragement.

Tuesday, Oct. 1st is regular registration day, be sure and register.

CIRCUIT COURT

Began Postponed Session in This City Monday.

The Docket is a Light One With Few Cases of Importance.

The September term of the Circuit Court began its postponed session in this city Monday, with Judge A. W. Young, presiding. The docket is a small one with few cases of any consequence.

The wills of the late J. M. Bigstaff and Mrs. M. W. Chorn will be construed by the Court.

Judge Young's charge to the grand jury calling attention to their duty was very plain and to the point. He especially called their attention to the violations of the game laws, which are so frequently violated in this county at this time of the year.

Court will probably be in session about two weeks.

I have employed one of the best cooks in the state and am prepared to serve oysters and other short orders on quick notice. 12-2t F. G. MORRIS.

Five Fish and Game Wardens Appointed.

At a meeting of the Montgomery Fish Club, held in the County Court room here Saturday afternoon, five game and fish wardens were appointed, four residing in the county and one in town. It will be the duty of these wardens to see that the game and fish laws are closely observed and violators of the law will receive no mercy at their hands. People who are in the habit of killing birds out of season had better be careful as the State Game Warden knows the names of a number of people in the county who have done this and will have a detective here to help enforce the law.

A movement is also on foot to put a dam in Slate Creek between "Kirk's Camp" and the coal road trestle, and W. A. DeHaven has been employed to survey this part of the stream at once.

J. Clay Cooper was directed by club and has made application to the government for 500,000 white striped bass and 500,000 yellow perch.

The gentlemen were very much impressed and a sample of the soil was sent to Washington.

Stofer-Duff Law Suit.

In the Circuit Court at Winchester Saturday, in the case of A. W. Stofer vs. T. N. Duff, a verdict was rendered in favor of the defendant. The plaintiff has asked for an appeal. The trouble, it will be remembered, is the outcome of the burning of a tobacco barn on Mr. Stofer's place, which Mr. Duff had rented some time ago.
