## Baptist Revival Now In Progress

Rev. J. B. Weatherspoon, who is conducting the revival services at the Baptist church, is delivering powerful sermons, full of logic, and is bringing home facts to each soul, which are well worth serious consideration. Services are being held each afternoon at 8 o'clock and in the evening at 7 o'clock, and interest in the meetings is increasing with each service. Dr. Weatherspoon is pastor of the Louisville Highland Baptist church, is a thorough student of the Bible, and one of the most convincing speakers that ever visited this city. Many are enjoying these services, and if you have not attended, you should, for the messages which Dr. Weatherspoon brings are more than worth-while. Special music by the choir for each service.

## Jack Winn Will Coach Cat Line

Jack Winn, son of Mr. and Mrs. John G. Winn, of this city, graduate of Princeton University, captain and All-American lineman for the Tigers in 1917, has been engaged as coach at the University of Kentucky this season.

For the past two years Mr. Winn has been at Princeton University and although receiving a flattering offer to return to Princeton this year, he refused for business reasons. After hard persuasion on the part of the athletic council at the University of Kentucky, he agreed to help with the Wildcats' coaching.

With the addition of Winn, the coaching staff at the university will be one of the strongest in the south. Coach William Juneau and George Buchheit have been in charge of the Cats' varsity team so far this season, while Richard ("Dick") Webb and William ("Doc") Rhodes have been handling the freshman eleven.

The athletic council has had several men in view to assist Coach Juneau, but its choice was Winn, who is one of the man Kentuckians who have made letters on foreign grids.

## World's Records Broken At Lexington

Peter Manning, the world's fastest trotter, yesterday afternoon gave another remarkable demonstration of the speed that gained the bay gelding his title when he circled the track at the Kentucky Trotting Horse Breeders' Association course at Lexington in 1:56 1/4, breaking not only the track record, but also the world's record for the mile.

The speedy son of Azoff-Glendor G., in establishing the new record, broke two of his own unchallenged marks. The gelding was the holder of both the Lexington record and the world's record, the former being established at the Trots last year and the latter at the recent trotting meet in Columbus, Ohio. The former world record was 1:57.

Peter Manning, who is owned by I. W. Gleason, of Williamsport, Pa., was driven by Thomas W. Murphy, one of the premier reinsmen of the grand circuit. He covered the first quarter in :30, the half in :58 1/2, the three-quarters in 1:27 1/2 and finished the mile in 1:56 1/4.

Nedda, owned by Hillandale Farm, of Mamaroneck, N. Y., broke another record that had stood for 19 years when she circled the track in 1:58 1/4, in another exhibition race against time. The speedy mare went the first quarter in :29 1/2, the half in :58 1/2, the three-quarters in 1:28 and the mile in 1:58 1/4, beating the mark for trotting mares established by Lou Dillon at Memphis in 1903.

## Today's Game Decides Pennant

Manager Eller this morning received a telegram from President T. B. Hill, who, in company with Vice President H. G. Hoffman went to Maysville, protesting that two games which Mt. Sterling has lost be thrown out on account of players participating who were ineligible. The message read: "Have seen Russell. Today's game decides pennant." The two games protested were the one in which Bacon pitched for Lexington and beat us 13 to 0, while the other was the one Ballou pitched for Paris and beat us in 13 innings, 1 to 0. From the telegram received it seems certain that both of the protests have been allowed.

The Mt. Sterling boys are not at all in good shape for the game with Cynthia of the Harrison county lot this afternoon, as Ferrell worked yesterday against the advice of a doctor, and Graef and Lackey are out of the game with injured hands. Pete Hisle, formerly with Winchester, has been signed to play short today and it is likely either a new catcher or first baseman will be in our lineup. Eller will likely pitch for Mt. Sterling, while Monholland will probably start for Cynthia. An immense crowd of fans went over for today's game, and excitement here is intense.

### The Mass Meeting

At the mass meeting held at the court house last night a large crowd of fans was present and the Mt. Sterling baseball club was incorporated for \$5,000. Quite a little stock was sold and it is expected that the full amount will be subscribed within a few days. Part of the stock is made payable now so as to pay present indebtedness, while the major portion will not be due until next year, when it is expected Mt. Sterling will have the best team (with Hod Eller as manager) that was ever seen in these parts.

### Ferrell Trims Cynthia

At the local park yesterday afternoon Pitcher "Hick" Ferrell was at his best and trimmed Cynthia in a splendidly played game by the score of 2 to 1. He struck out 16 men and but for an error would have scored a shutout. Long opposed him on the mound and was very effective.

Blakey, in the fifth, caught one off Lackey's bat that was labeled for three bases with the sacks full and two down. Hart, in right field, made a nice catch of a long one off Rorer's willow in the third. The score:

## Rich Ky. Futurity Goes To Lee Worthy

Lee Worthy, owned by Frank H. Ellis, and driven by Ben White, won the thirtieth renewal of the three-year-old division of the Kentucky Futurity at the Kentucky Trotting Horse Breeders' Association track at Lexington Tuesday afternoon in convincing style, equalling the time record for the stake and also equalling the world's record for three-year-old colts in the opening heat of the event. This is the same combination that captured the junior division of the historic stake on Monday, the opening day of the Golden Jubilee meeting.

The distancing of Peter Earl in the opening heat, due to bad behavior, was a big disappointment to the crowd, which had expected the two speedy colts to put up a great battle for first place in the \$14,000 stake. Peter Earl was acting badly when the horses were first scored and when the word finally was given, the Peter the Great colt went into a break and almost went over the outside fence at the eighth pole. Although he trotted fast after getting back into his stride, the field was far ahead of him and he was distanced.

Bunter, owned by Howard M. Hanna, Jr., of Cleveland, made the son of Lee Axworthy equal two records to win the first heat. In the second heat he went into a pace at the start and got away to a bad start, but made up much lost ground and finished third. The last quarter of the first heat was trotted in 29 seconds. The two heats were trotted in 2:03 1/4 and 2:05 1/4, respectively.

### DEAL COMPLETED

The deal which has been pending for some weeks whereby the Hodgkin Grocery Company takes over the Kennedy-Jones Company has been closed and the stock of goods removed from the Baumont Hotel building to the old Chiles-Thompson stand, which the Hodgkin people also recently purchased. The Kennedy-Jones Company was composed of Thomas Kennedy and E. E. Jones, two of Mt. Sterling's most successful business men, who during their brief stay in the grocery business had built up a splendid trade. They have not announced their intentions for the future, but it is hoped they will decide to remain in Mt. Sterling and again engage in business.

## Miss Back Weds Illinois Minister

A wedding of more than usual beauty and interest took place in this city yesterday, when Miss Elva Back, daughter of Mr. and Mrs. W. O. Back, became the bride of the Rev. Charles Smith, of Tremont, Ill. The lovely home of Mr. and Mrs. Back on Sycamore street was decorated for the occasion, fall flowers in greatest quantities being used in the living room and hallway. The ceremony, which was witnessed by only the immediate family, was said by the Rev. Charles A. Ray, of the Presbyterian church. The bride wore a modish suit of navy blue with corsage of tiny pink rosebuds. There were no attendants. Following the ceremony Rev. and Mrs. Smith left for the north on a short bridal trip, after which they will be at home to their friends at Tremont, Illinois. The bride is the youngest daughter of Mr. and Mrs. Back and is one of Mt. Sterling's loveliest and most charming young women. Since her residence here she has made many warm friends, who will regret that she will no longer make her home in this city.

## Giants Capture Opening Game

The Giants, pennant winners of the National League, made an eighth inning rally in yesterday's opening game of the world's series, defeating the Yankees 3 to 2. The two New York teams fought a great game, the Giants coming from behind to overcome a two-run lead. The Yankees scored first in the sixth inning when Witt got a three-base hit to left after Bush had grounded out. Bancroft took Dugan's bouncer and Witt was run down between third and home, Dugan going to second. Dugan scored on Ruth's single to right who went to second when Young fumbled the ball. Pipp grounded out to Kelly. The Yankees scored again in the seventh when Meusel singled past Groh for his second hit. Neff took Schang's intended sacrifice and threw the ball to center field. Meusel going to third and Schang to second when Young again fumbled. Meusel scored on Ward's sacrifice fly. Scott fled out to center and Bush grounded out to Groh. This ended the Yankees' scoring. In the eighth for the Giants Bancroft led off with a single to left over Ward's head. Groh singled into right field. Frisch singled to left, filling the bases with none out. Meusel singled over second, scoring Bancroft and Groh. Bush was taken out and Hoyt finished the game for the Yankees. Frisch scored the winning run on Young's sacrifice fly. Kelly struck out.
