

FRANKFORT ROUNDABOUT.

Entered at the post-office at Frankfort, Kentucky, as second-class matter.

GEORGE A. LEWIS.

Editor and Publisher.

FRANKFORT, JANUARY 15, 1887.

The post-office will hardly be removed to the Government Building on the first of February.

The Grand Council of the Royal Templars of Temperance will meet in this city on the 10th of February.

While skating on Benson one day last week, Mr. R. Henry Gayle fell on the ice and broke his arm.

Mr. Thos. L. DeLime has bought of Mrs. Mary Brown Day one half of her double frame residence on Cross street, for \$1,700.

Mrs. Runyan has rented her residence in this city and will shortly remove to New Haven, Connecticut, to reside.

Messrs. E. H. Taylor, Jr. Co. have removed their office from St. Clair street to their distillery premises in Leestown.

Mr. T. J. Congleton has purchased from Mrs. M. T. Runyan a lot 50 by 200 feet on the corner of Ann and Mero streets, upon which her school-house stands, and will erect a residence upon it.

We are glad to be able state that Gen. James A. Dawson has sufficiently recovered from the stroke of paralysis, from which he has been suffering the past two months, to return to Colorado.

Messrs. Mastin Bros. will remove their agricultural implement establishment from Ann street to the warehouse on Main street, adjoining the engine house, some time next month.

Mr. W. H. Marrs and Miss Ada Gray, an eloping couple from the Alton neighborhood, were married at the Buhr Hotel at one o'clock Monday morning by Rev. G. F. Bagby.

Dr. U. V. Williams was so unfortunate as to fall on the floor of the back porch of his residence on Steele street, Sunday night, and break his hip. The Doctor is peculiarly unfortunate in this respect as he has had several falls in the last few years, injuring his lame limb every time.

Judge A. E. Richards, of this city, was in Carlisle when the fire occurred there on Tuesday night, and heading the bucket brigade worked like a trooper until the flames were extinguished, and took the boys by storm. The Judge always knows how to do the right thing at the right time.

Hon. John M. Hewitt, a former Frankfort boy, was elected Speaker of the Arkansas House of Representatives on Tuesday. He was Adjutant of the Fifth Kentucky Cavalry (Federal) during the war, and the youngest son of the late Judge J. M. Hewitt, for many years a prominent citizen of this place.

Harry Smith, the well known barber, one of the most useful and prominent of our colored citizens, died, on Tuesday morning last, in the 56th year of his age. He was a half brother of the late Peter Smith, and of Tab Smith, both of whom were leaders among their people.

The funeral was preached at St. John's A. M. E. Church on Wednesday last, at 2 o'clock, p. m., and was largely attended.

At the annual meeting of the stockholders of the Capital Gas and Electric Light Company, held at the office of the Company, Jan. 10th inst., the following gentlemen were elected directors for the ensuing year: Gen. D. W. Lindsey, E. L. Samuel, J. W. Pruett, Pat. McDonald, W. C. Herndon.

Gen. D. W. Lindsey was re-elected President, Mr. E. L. Samuel was re-elected Secretary and Treasurer, and Mr. Sam. J. Shea was re-elected Superintendent.

Mr. Cabbell Conway has purchased the residence of the late Mrs. Bettie Monroe, on Campbell street.

There are only ninety-seven applicants for the position of letter carrier in this city. As there are only three to be appointed, a large majority will be left.

Several cases for selling liquor without obtaining license from the county court before taking out city license, were tried before Judge Thomson yesterday.

The new board of Turnpike Commissioners met on Tuesday and organized, by the election of S. M. Tinsley, President, and W. S. Dehoney, Secretary. The board meets again on the 25th inst., at which time the presidents of all the pikes in the county have been notified to be present.

The City Council will hold a special meeting on Tuesday evening, for the purpose of hearing the agent of a fire alarm system as to the merits of the one represented by him. Since so many telephones have been taken out, a fire alarm system of some kind is badly needed in this city, and it is to be hoped the Council will order one at an early day.

There has been considerable excitement among the colored people for the past few days, on account of a rumor that the late Harry Smith had been given poison, which produced his death. Chief of Police Lillis and Officer Henry Brown took the matter in hand yesterday, and, after investigating it thoroughly, concluded that there was not sufficient ground for exhuming the body for a post mortem examination.

The entertainment given by the Marie Prescott Company at the Opera House on Wednesday evening was one of the finest performances we have had in many a day. Miss Prescott's rendition of Czeka was splendid and so charmed the large audience present that she was called before the curtain at the end of each act. Her support was first class, and, should the Company return here in the near future, they will be greeted by an overflowing house.

The friends of Rev. G. O. Barnes have purchased a lot in the cemetery here, so that his wish to be laid to rest in our "beautiful city of the dead" may be complied with when he dies.

Notwithstanding the inclemency of the weather, Charles L. Davis' Alvin Joslin company drew the largest audience of the season at the Opera House last evening. Mr. Davis as Uncle Alvin was as jolly and as funny as ever, and kept the audience laughing most of the time. The orchestra, which belongs to the company, was the finest ever listened to in this city. The soloists were obliged to respond to repeated encores. Mr. Davis was well supported by the members of his company. He is a very genial gentleman off the stage as well as on, and knows the secret of making friends as well as of advertising. He is a great admirer of diamonds, and probably possesses more of these precious stones than any other person in the country. He is said to be worth \$250,000, which he made out of his play. He has purchased \$40,000 worth of diamonds since he was in Rome last season, including an elegant Masonic cross, a pair of ear-rings and a pair of bracelets. By the way Mr. Davis is the father of a brand new boy. He says he wants to name him Alvin Joslin but his wife objects. Mrs. Davis is in New York at present and will not join her husband for some time. All who know the jovial actor will wish that he and his family may live long and prosper.—*Rome Daily Sentinel.*

Opera House January 21 and 22.

We clip the following account of the wedding of Miss Mittie Venable, formerly of this city, from the Denison (Tex.) Sunday Gazetteer, of January 2d:

MARRIED.—The wedding of Mr. Lee Duncan and Miss Mittie Venable was celebrated Tuesday at 2 o'clock, p. m., at the Presbyterian Church, in the presence of a house full of friends. Rev. H. M. Whaling, pastor of the church, officiated. The bride was attired in a traveling costume of wood-brown camel's hair cloth, trimmed with plush galloons, and wore a hat to match, and looked even better than usual. As she stood before the minister she looked the

embodiment of refined and dignified womanhood. After the words had been pronounced that made them man and wife, the happy couple left the church, and entering their carriage, were driven to the union depot, where they entered the south bound train and started for Fort Worth. They will visit Galveston and several cities of southern Texas before their return. At the church Messrs. W. N. Harben, C. E. Perry, John Hanna and Jim Boyd officiated as ushers, and acquitted themselves as only such gentlemen can. The presents were numerous and valuable, that of the groom being a beautiful gold watch, set with diamonds.

THE GROOM

Is a native of Missouri. He came to Denison two years ago, since which time he has been engaged as book-keeper in the State National. In addition to holding this important and lucrative position, he is also proprietor of one of the largest drug establishments in the city, having bought the business of Lucillus Price, situated at 235 Main street, about two months ago. He is a gentleman not only of ample means, but of good business capacity and sterling integrity.

THE BRIDE

Was born in Frankfort, Kentucky, and came to Denison four years ago. She has filled four terms as a teacher in the High School of this city, in which she has given unequivocal satisfaction. She is a young lady of more than ordinary physical beauty, refined and dignified deportment, and an exceedingly amiable disposition. The Gazetteer joins with the many friends of both bride and groom in wishing them a long life of uninterupted happiness.

An Efficient Remedy.

In all cases of Bronchial and Pulmonary Affections is AYER'S CHERRY PECTORAL. As such it is recognized and prescribed by the medical profession, and in many thousands of families, for the past forty years, it has been regarded as an invaluable household remedy. It is a preparation that only requires to be taken in very small quantities, and a few doses of it administered in the early stages of a cold or cough will effect a speedy cure, and may, very possibly, save life. There is no doubt whatever that

Ayer's Cherry Pectoral

Has preserved the lives of great numbers of persons, by arresting the development of Laryngitis, Bronchitis, Pneumonia, and Pulmonary Consumption, and by the cure of those dangerous maladies. It should be kept ready for use in every family where there are children, as it is a medicine far superior to all others in the treatment of Croup, the alleviation of Whooping Cough, and the cure of Colds and Influenza, ailments peculiarly incidental to childhood and youth. Promptitude in dealing with all diseases of this class is of the utmost importance. The loss of a single day may, in many cases, entail fatal consequences. Do not waste precious time in experimenting with medicines of doubtful efficacy, while the malady is constantly gaining a deeper hold, but take at once the speediest and most certain cure.

RECTAL ULCER,

The great bane of humanity, is cured if the patient does not call too late. This is the greatest secret enemy of mankind, and a disease of which little or nothing was known before the BRINKERHOFF discoveries. Many patients are troubled with constipation or occasional attacks of diarrhea, lame back, headache, dyspepsia, itching increased at night, kidney and bladder troubles, that are not aware it is caused by ulceration in the lower bowel. It is now a well established fact that many diseases of the stomach, liver, kidney, bladder, womb and nervous system are either caused or aggravated by the coexistence of PILES, FISTULA, FISSURE or RECTAL ULCER.
