As a nomination at the coming primary is virtually an election, it behooves every citizen to consider well before casting his ballot. Discard all personal feeling and vote for the most trustworthy and otherwise best qualified candidates. Remember, these offices were created, not for the benefit of the officeholders but for the good of the people.

FOR THE POOR.

Editor Roundabout:

Dear sir:—Capt. Pope, the Salvation Army officer, has informed me that it is his intention to give a Christmas dinner to the poor people of our city. He expects about three hundred people to dine with him. This cause speaks for itself to all who enjoy the comforts of life. I would suggest, through your paper, that all people interested in their destitute neighbors send some contribution to Capt. Pope for this dinner. He assures me that donations of money, food, clothing, nuts, toys, shoes and coal will be thankfully received.

Very truly yours,
WM. CROWE.

Y. M. C. A. NOTES.

In order to make much needed improvement in the plumbing, it has been necessary to disconnect the hot water pipes from the bath rooms for a few days. The large boiler was shipped to Chicago yesterday for repairs, and it is hoped will be in readiness again within a short time, but certainly not this week. The cold water connections are all right and the gymnasium will be open as usual.

The bath rooms are being overhauled and will receive a fresh coat of paint next week. This will make a decided improvement in this department.

The first regular meeting of the Literary Club last week was well attended and was most interesting. The club will meet again to-night, at which time an hour will be given to the study of Scott's Ivanhoe. "The Merchant of Venice" will be the next book selected for study.

A new member was added to the Bible Class at the last meeting and others have signified their intention to join to-night. The class continues to meet at 7:30 Friday evenings.

Some members and friends have pledged about \$40 to the State Y. M. C. A. committee for the support of a representative in the foreign work department of Kentucky. Some \$50 is yet needed from the Frankfort Association.

A representative number of men heard Mr. W. W. McLaughlin, of Louisville, last Sunday. Supt. S. L. Frogge, of the city schools, will be the speaker on next Sunday afternoon at 3:30 o'clock. Special music continues to be an attractive feature at these meetings.

A NIGHT OF TERROR.

After three small doses she slept easily all night, and its further use completely cured her." This marvelous medicine is guaranteed to cure all throat, chest and lung diseases. Only 50c and \$1. WANTED.

Special Male Attendant at The Stewart Home, Farmdale, Ky. 14-1t.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and your grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by S. B. Holmes. 4-1y.
