IMPORTANT DECISION.

The Court of Appeals, in an opinion rendered on Wednesday, held that the funds of National Banks, invested in government bonds, were exempt from taxation by the State, counties or municipalities. This is a far-reaching and important decision, and means a loss of revenue to the State of some \$500,000.

A MYSTERY SOLVED.

"How to keep off periodic attacks of biliousness and habitual constipation was a mystery that Dr. King's New Life Pills solved for me," writes John N. Pleasant, of Magnolia, Ind. The only pills that are guaranteed to give perfect satisfaction to everybody or money refunded. Only 25c at all druggists.

WHO BUILT IT?

The question has frequently been asked us who built the old stone house at the south end of the St. Clair street bridge. We would be glad if any one who knows would supply us with the information. It is a splendid piece of work even now. The corners are as square as can be made and the walls are plumb and true, and reflect credit upon the workmanship of the man who built it.

THE END OF THE WORLD

Of troubles that robbed E. H. Wolfe, of Bear Grove, Ia., of all usefulness, came when he began taking Electric Bitters. Such cure for all Stomach, Liver and Kidney complaints, Blood diseases, Headache, Dizziness and Weakness or bodily decline. Price 50c. Guaranteed by all druggists.
